Report for 2024-25 (Second term)

INTRODUCTION

Puja is a cheerful girl who loves coming to school. She enjoys her breakfast in the hostel. Puja lives in a nearby village with her grandmother takes care of her. She comes neatly and cleanly to the school. Puja is friendly with everyone in the school.

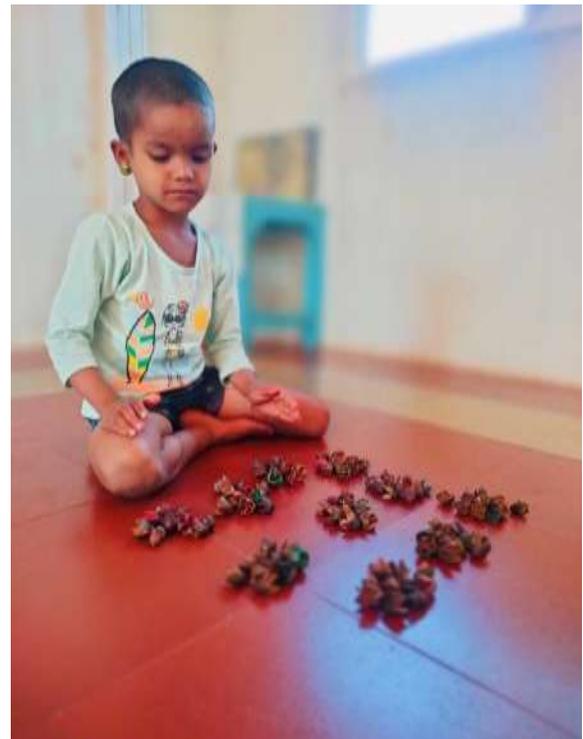

MATHS

Puja can count up to 100 without any difficulty. She can also do forward and backward counting. She enjoys doing addition and subtraction with objects like stones, beads, sticks, etc. She can do skip counting of 2, 3, 4 and 5 with ganit mala anhas learnt to count with bundles like 10 +1

makes 11 and can use this concept for addition. She can do simple addition and subtraction with one-digit numbers. She can compare two-digit numbers and understand which is bigger or smaller. She identifies the numbers when asked and she does her work slowly. She always concentrates and shows enthusiasm in the class.

ENGLISH

During language class Puja is interested in the English activities. She likes to listen to stories. She can understand both Hindi and English stories. She often repeats after the teacher and tries to pronounce the words properly. She listens to the stories and tries to

make her own imaginative stories. She has started learning English words. She has learnt the names of days and months. Puja has memorized the colours of the rainbow, and can say the sequence of the colours. She has been learning opposite words such as hot-cold, big-small, in-out. puja has learnt the names of the baby animals, their sounds and where the different animals live and what we call their home like cows in cowshed, birds live in a nest. Puja has made good progress in learning these and remembers them well. She has learnt many English songs like trees, mangoes, Ganga Yamuna Krishnan, sa sings the sunflower, Ka ka shrieks the crow and many others.

HINDI

Puja likes to listen to stories. After hearing them she likes to draw pictures. Sometimes she tries to tell stories from her own mind. She likes to sing songs and is interested in learning new songs. While singing she likes to do action. She has learnt the names of India's National Symbols. Sometimes she watches Hindi movies.

ACTIVITIES

Puja is active and does all the activities which are done in the group and her work is neat and clean. The activities include puzzles, watching movies, colouring, drawing, paper folding. She can solve 30 pieces puzzles and tries to do the difficult ones also. Puja watches movies on Mondays and can understand the movies. Colouring is one of her favourite activities. She tries to colour inside the picture. In paper folding Puja enjoys folding paper to create different things

like house, fish, butterfly, trees, flowers, and many other origamis. She takes her own time to finish her works. She likes to learn new thing in the class.

GAMES

She comes to the class early. She brushes her teeth and get ready for the games. She takes round and does the exercise. She is very flexible. She likes to do exercise very much. she

has improved very much this time. She listens to the teachers and she does what she is told. She is active during the games time. She likes to play chain game, hide and seek, bat and ball and other games.

CELEBRATIONS

Puja participated in various programs over the past few months, on 29th November she was very excited to perform the Sanskrit song *Ek H Srigal* with actions. She enjoyed singing the song and was able to do the action properly. On 25th December she sang a song *away in a manger* and performed it well. She liked her costume and the stage decorations. On 21st February on the Mother's birthday, she performed the song *on to duty* with action. On Republic Day she watched the parade on TV and on Basant Panchami she had done a chanting jay-jay devi . She was interested in the performances and the celebrations. She enjoyed all the programs.
