Report for 2024-25 (Second term)

## Introduction

My name is Manish Muduli. I study in class 7. My hobby is reading books by Enid Blyton, and I especially enjoy mystery stories. My favourite game is football. Among subjects, I like maths and science the most. I want to become an engineer, which is why I have chosen to focus on maths and science.

## Yoga Report

I like yoga class. Our yoga class is from 6:00 am to 6:30 am in the morning. In yoga, I practice many asanas like Padmasana, Matsyasana, Surya Namaskar, Mayurasana, and more. My body is not very flexible, but I try my best to perform the asanas.

## Shramdaan

In Shramdaan, I participate in various activities, including girls' hostel cleaning, toilet cleaning, boys' hostel cleaning, gardening, and school cleaning.

**Girls' Hostel Cleaning:** I don't like girls' hostel cleaning. In this task, we do weeding and watering.

**Toilet Cleaning:** I don't like toilet cleaning because we have to clean toilets, bathrooms, basins, etc.

**Boys' Hostel Cleaning:** I like boys' hostel cleaning because we only need to do sweeping.

**Gardening:** I enjoy gardening because I want to keep my surroundings clean. I like planting trees, watering plants, and removing weeds.

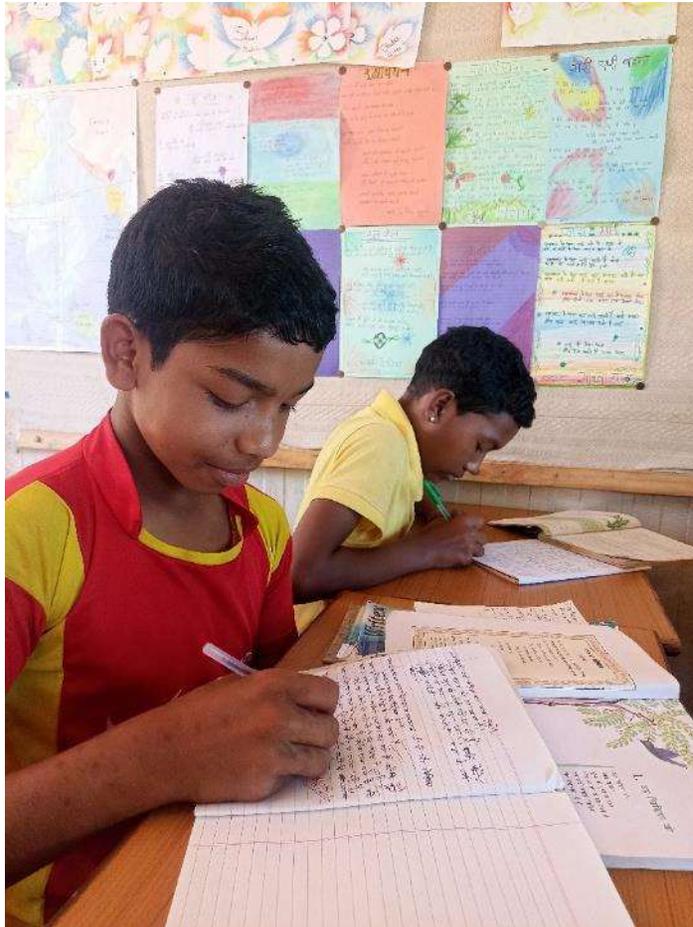

**School Cleaning:** I like school cleaning because we only have to sweep and do group cleaning. Sweeping is my favourite task.

### Hindi Report

I am studying the class 6<sup>th</sup> *Vasant* Part 1 book. I like answering the questions in the book, especially *Prasang* and *Vyakhya*. After completing each chapter, we have a test. I enjoy reading stories and poems. I also study class 7<sup>th</sup> grammar, where I learn about verbs, pronouns, adjectives, letter writing, and more. We practise free reading and group reading. We also have dictation tests where I sometimes make spelling mistakes. For free reading, I like *Amar Chitra Katha* and *Jataka Tales*. On

festivals, we write poems and stories. During Saraswati Puja, we learnt a special chant.

### Maths Report

In maths, I am studying class 7 *RS Aggarwal*. After finishing a chapter, we take a test. The most difficult chapter for me was *Simple Interest*, where I scored very low. I find word problems difficult, but my teacher helps me understand them. Most of the time, I score well. After finishing the entire book, we have a full-book test. I also enjoy playing maths-related games, especially chess.

### Science Report

I enjoy science class, especially experiments. I study from the class 7 *Ratna Sagar* book. I found the *Chemical and Physical Changes* chapter difficult because I couldn't remember the formulae. We have done many experiments, such as extracting hydrogen and carbon dioxide gases.

After completing a chapter, we take a test. I usually score 45 out of 50. I don't get full marks, but I try my best. I enjoy doing experiments using models. The homework given by my teacher is easy for me.

### Social Science Report

In social science, I enjoy studying geography from the class 7 book. We have two books: *Civics* and *Geography*, but we are currently focusing on geography because civics is a bit difficult to understand. I didn't score full marks in the first two chapters, but the third chapter was easy, so I got full marks. I like geography because it helps me understand the world.

### English Report

In English, I enjoy bookwork, grammar, and reading activities.

- In **grammar**, we learn about adjectives, nouns, pronouns, verbs, and more.
- In **free reading**, I love reading books, especially Enid Blyton stories.
- In **group reading**, we are reading *Charlie and the Great Glass Elevator*.
- We also practise dictation and other exercises.

- **Dance Class**

I don't enjoy dance class. We learn different dance styles like Bharatanatyam, Kathakali, Kathak, Odissi. For festivals, we prepare dances and perform them. First, we do exercises, and then we practise dance steps.

### **Art Report**

In art class, I like painting, drawing, and paper folding. This year, we made a snowman for Christmas, a lotus, and more. When I draw pictures, I enjoy shading the most. I like drawing nature, human figures, and other creative things.

### **Odia Report**

I enjoy Odia class because it is the language of Odisha. In dictation, I get most of the words correct. Sometimes, we watch Odia movies in class.

### **Computer Report**

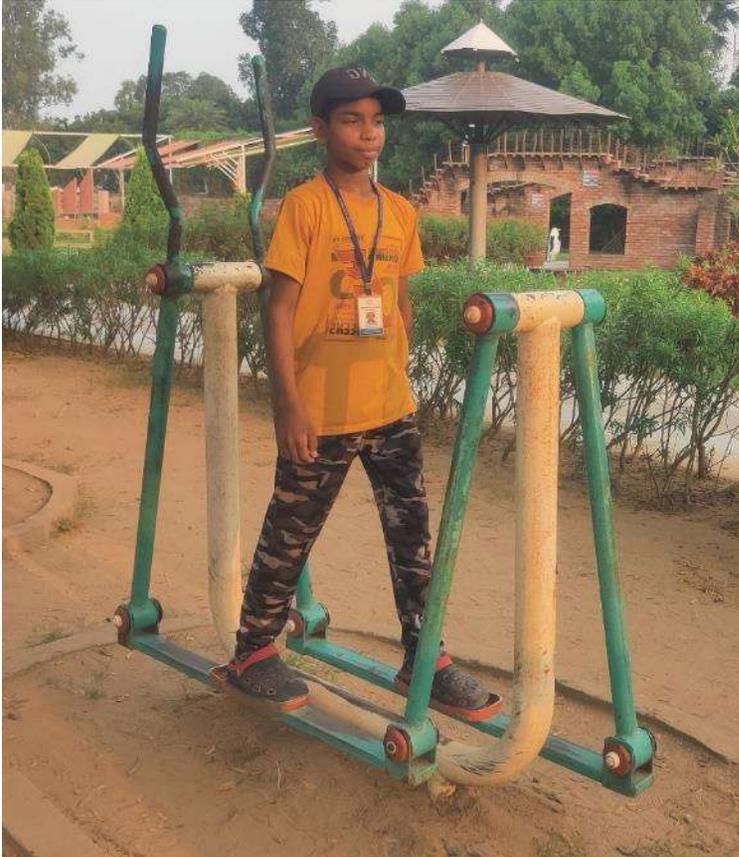

In computer class, I enjoy using **Typing Master** and drawing. I mostly like painting on the computer. I also play typing games. Currently, I am doing **Text Drill 10**. Our teacher teaches us how to write and save reports.

### **Games Report**

In games, we play many sports like volleyball, basketball, football, and minor games, etc. I mostly like to play football. Before playing, we do exercises so that we don't get hurt while playing. I cannot run very fast. I

also like to be a goalkeeper because I can stop a goal. I sometimes get hurt while playing. I also like to play other games as well.

### Satsang Report

In satsang, we do meditation and sing songs. We sing songs and bhajans like *Kya Phool Chadhaun Mein*, etc. We sit in *dhyaan mudras an* for at least half an hour.

### Music Report

In music class, I play the tabla. I want to be a tablaist. I have learnt many *taals* like *Ektal*, *Jhaptal*, *Kayeda*, etc. At first, I couldn't play the tabla, but now I can play it very well.

### CELEBRATION

**Bhaiya's birthday:** On Bhaiya's birthday we sang a song. Bhaiya's birthday is on 29<sup>th</sup> November. I enjoyed the day very much.

**Christmas:** On Christmas I sang the song *yashu paida hua* and enjoyed singing. I liked the plays and songs of all the children.

### Republic Day

On Republic Day we hoisted the flag and watched the parade.

### Sarasvati puja

On Sarasvati puja we sang a song *Sarasvati maa*. Sarasvati puja was on 2<sup>th</sup> February.

### The Mother's birthday

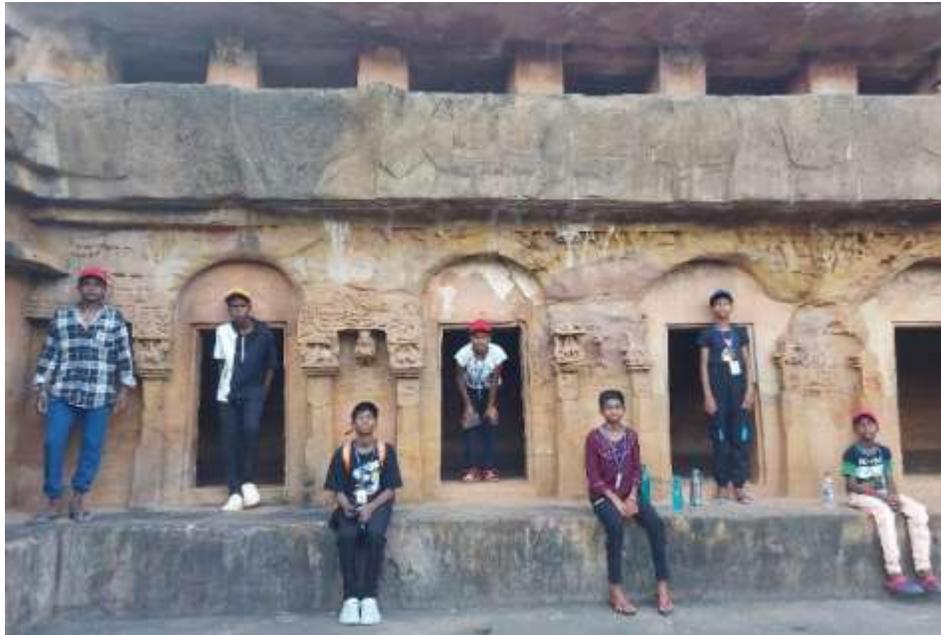

We did a drama on the Mother's birthday. The drama was *the shadow*. I had taken the role of a shadow.

### Sports Day

On Sports Day we did unicycle, skating, pyramid, Martial arts, etc. I did unicycle.

## Trip Report 2024

I started my journey from Koraput. From Koraput, we went to Bhubaneswar by train. In Bhubaneswar, we went to Khandagiri, where we saw the caves of early humans. I climbed to the top of the temple. Then we went to Alarnath Temple and Chilika Lake. In Alarnath Temple, I saw the statue of Lord Ganesh. At Chilika Lake, we went to see dolphins—I saw only six. From there, we went to a small island, stayed for a while, and then came

back. The next day, we visited Bhitarkanika to see crocodiles. I saw many crocodiles on the way back. Then we went to Balasore. In Balasore, we visited Simlipal and saw Uski, Baheri, and many other waterfalls. Then I went to Panchalingeshwar and Jagannath Temple. Next, we went to Gaya. In Gaya, I visited Bodh Gaya and the road cut by Dasharatha Manjhi. We visited Rajgir, Brahma Kund, and Mahavir Temple. Most of the temples were very crowded, but Mahavir Temple was not. I did not bathe in Brahma Kund. Then we went on a zoo safari. In the zoo safari, we saw tigers, leopards, different types of deer, etc. After that, we visited the Japanese Temple, Sri Lanka Temple, and the Buddha statue. Then we went to Vishwa Shanti Stupa. After that, we visited the Japanese Buddha Temple and the Chinese Buddha Temple. That night, we went to the Ganga Ghat for the Ganga Aarti. Then we visited Kashi Vishwanath Temple. From there, we went to Lucknow. In Lucknow, we visited Lucknow University and Echo Park. From

Lucknow, we took a metro the station and then a train to Jhansi. We stayed in Neha Didi's house. The next day, we visited Jahangir Palace. After seeing the fort, we went to the place where Jarasandh and Bheem had fought. We had our lunch at Yadu Palace, where there were different varieties of food. We also saw the light and sound show at Jhansi Fort. Then we visited a newspaper press and saw how newspapers are printed. The next day, we
