**Report for 2024-25(Second term)**

**Introduction:** Subhadra is a cheerful and friendly 11-year-old. She comes to school neat and clean. She is staying in the hostel and has learnt to look after herself. Her best friend is Rashmita. She loves singing and her favourite song is *fight song*. She loves studying English. She loves eating fruits and noodles. In her free time, she loves doing her homework. She also loves reading storybooks.

**English:** Subhadra is a quiet and cheerful student. She always has a warm and friendly smile, and her calm nature makes her a pleasant presence in the classroom. She listens attentively and shows respect for her teachers and classmates. Subhadra has good reading skills and can read fluently with confidence. She understands what she reads and enjoys reading different

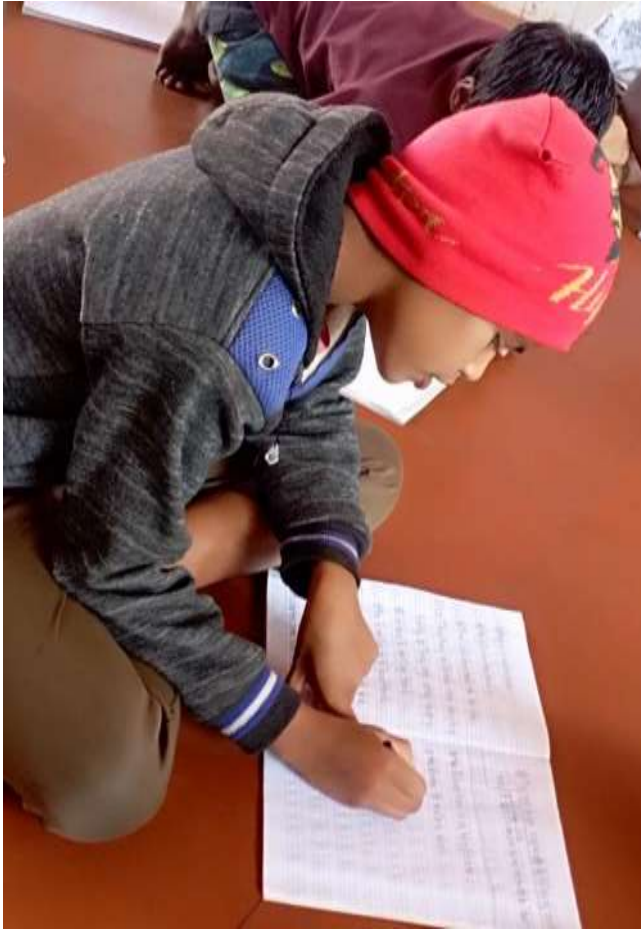

kinds of stories and lessons. Her handwriting is neat, clear and well formed, making her written work easy to read. She is good at spelling and remembers the correct spelling of words she learns. In the past few months, Subhadra worked hard and quickly finished the class 2 grammar book. She has now started the class 3 grammar book and is making good progress. Along with that, she is also working on the Communicative English book for class 3 and tries her best to complete her lessons well. Subhadra is doing well in many areas; she needs to improve her pronunciation. She sometimes finds it difficult to pronounce longer or more difficult words. With a little

more practise and guidance, she will get better at this.

**Project:** Subhadra is a quiet and sincere student and actively participates in project class. She doesn't speak much in the class and prefers to sit quietly. Even when she knows the answers, she only speaks when she is asked personally. She has a good understanding of the subjects and remembers everything that is taught. Subhadra is very responsible and always completes her homework on time. She writes her answers neatly and properly,

showing good presentation skills. Over the past few months, she covered important topics like simple machines, and the adaptation of animals; she revised the topics she had learnt before and finished the class 2 and 3 living science books. She participated in making charts with her friends showing creativity and teamwork. Through these lessons she learnt many new words like simple machine, adaptations, herbivores, carnivores, omnivores, vertebrate, reptiles, amphibians, spiracles, pulley, lever. After studying these topics, she now has a clear understanding of simple machines and has gained a lot of new information about animals. Subhadra is doing well in her studies, but she

needs to open up more in class and participate more actively. With encouragement, she can become more confident.

**Hindi:** Subhadra has become more attentive in Hindi class. She is currently engaged with 3rd book "GUNJAN". And also studying 2nd class grammar book. After understanding the lesson, she answers the questions by herself and goes to understand again if required. She completes her work on time and also completes her homework every day and gets her work checked daily. She has

improved a lot in Hindi. In grammar she learnt VARNA VICHAR, SWAR AND VYANJAN, Etc. Subhadra improved her reading skills. She likes to read “AMAR CHTRA KATHA”, “AKBAR BIRBAL STORIES” & “PARI KATHAYEN.” She enjoys self-reading and copywriting. Her handwriting is very neat and clean. She likes going to the library and read different stories. While writing stories, she makes a few mistakes. She also corrects her mistake. She tells stories in class without any hesitation and creates stories very well. She particularly enjoys taking dictation and diligently corrects any errors. She learnt a poem- UPAVAN KE PHOOL, JALE DEEP SE DEEP & SAMAY KA MOL.

**Maths:** Subhadra does her work silently and rarely gets distracted. She has learnt the topics of Time, Calendar, and is now learning Measurements. She makes a lot of errors but never gets upset and keeps doing it again and again.

**Measurements:** In this topic Subhadra can comfortably measure materials in centimetres and now in metre. She correctly measured the length of objects like pencil, window, table, notebook, her classroom, etc. She can convert CM to M and vice versa. She can draw simple line segments in her notebook. She needs to practise with Metre to centimetre conversions.

She with her friends have started the 500 pieces' puzzle of Jungle Book. She loves to do puzzles with her friends. She is very helpful towards her friends.

**Arts:** Subhadra enjoys drawing flowers and trees, finding joy in expressing her creativity through art. She has also learnt how to make easy animal drawing with skill that showcases her interest in traditional crafts. Additionally, she has mastered how to make a paper house. Shubhadra is a quiet and attentive student who listens carefully in class, always eager to learn new things. She pays close attention to lessons and applies her knowledge with dedication.

**Time:** In this topic Subhadra learnt to see and read time and draw clock showing time. She took a lot of time to learn and read the time in different ways. She can convert seconds and minutes to minutes and hours.

**Calendar:** This topic introduced Subhadra about the months, weeks and days. She can convert days and weeks to months and the reverse. She calculated how many months of 31 or 30 days are there. She can also calculate questions based on Leap year.

**Puzzles:** Subhadra sits very quietly and does her puzzles. She can do the puzzles of hundred pieces by herself.

**Dance:** Subhadra is always active in the class. She likes to do any type of dance. She dances with a smile on her face. They are now learning a Nepali dance. She has learnt the steps very easily.

**Singing and drama:** Subhadra has a very sweet voice and sings very well. But she needs to overcome her fear and open up. Now she is doing her social science instead of singing. She is doing her class three term one book. She reads and understands the questions and is able to write the answers on her own. She is very fast in doing all her questions and answers from the book.

**Odia:** Subhadra is a bright and active student. She understands things well and listens carefully. She sits properly in class and pays attention to lessons. Her mind is sharp, and she learns quickly. Her pronunciation is good, and she enjoys speaking and communicating with others. Subhadra can write her name in Odia, and she also loves watching Odia movies. She knows the basics of Odia and is improving every day. She can write numbers from 1 to 10 correctly. She is eager to learn

more and is doing well in her studies. With regular practise, she will continue to improve and do even better.
