

Subechha Muduli

DOB-04-Sep-16

ANNUAL REPORTS FOR 2023-24 (SECOND TERM)

ANNUAL ATTENDANCE 366 DAYS OUT OF 366 DAYS

Introduction

Subechha is a seven-year-old girl. She stays in the hostel. She belongs to a nuclear family with both her parents and three elder sisters- Gita, Shruti and Satrupa. Gita is her eldest sister and does not study in any school. Shruti is next and is studying in the same school as Subechha and is in Perseverance Group. Her third sister is

Satrupa who is also studying in the same school and is in Receptivity Group.

Project

Flowers Topic: Subechha showed dedication in learning flower names and engaging in presentations. Despite initial nervousness, she participated actively in activities like making flower rangolis. Her efforts in learning flower care and communication were notable.

Animals Topic: Subechha displayed curiosity in learning animal names and

showed creativity in drawing animals like yaks and goats. She actively participated in activities like animal body part labelling.

Clothes:

Subechha is a very smart girl. Most of the times she is willing to do anything which is told to her. She is very good at folding clothes, and

washing clothes. She knows how to put the buttons at the

correct place. First she had problem in putting buttons and folding clothes. When she comes to revision she remembers most of the things which are asked. She is able to tell the process of making clothes from raw

material to the readymade clothes. She had learnt all the names of the clothes very easily. She also drew some beautiful pictures of clothes and did some paper folding.

Math

Subechha is a very intelligent girl. She can read and write the numbers from one to one thousand without help. She is very good at reading the numbers by herself and showing it on the Ganit Mala. She is expert in adding the numbers on the slate. She takes time in mental addition. She is able to add three digit numbers with over. When the teacher calls the numbers she is able to write the numbers and show it.

She gets very confused with subtraction. She is good in story sums and also enjoys doing them. She can expand and say the numbers of two digit and three digits. three digit numbers with carry over and without carrying

English

Subechha was very fast in learning and recognizing the letters, but she was not confident. It was very easy for her to arrange all the letters in its sequence both capital letters and also the small letters. She is able to pronounce the sounds of all the English alphabets and also the two letters together

like pr, ab, sh, it, et, ow and others. She was very excited about learning the alphabets and was very much interested. She is very attentive while listening to stories and also answers the questions that are asked to her.

Hindi

In the class she enjoys to sing. Subechha demonstrates quick memorization skills and has successfully learned all Hindi letters without

confusion. She can read words without diacritics and retells stories with ease after listening attentively during story sessions.

Art

Subechha shows a willingness to learn and actively participates in class activities. She has successfully learned to create frog, flower, and Pikachu designs through pepper folding, with the assistance of teachers. Subechha's enjoyment of both drawing and pepper folding is reflected in her involvement during art class.

Dance

Subechha, much like Sangita, enjoys modern dance and incorporates her unique steps. She learns quickly and willingly shares her knowledge with others. She demonstrates dedication to mastering diverse dance forms.

Puzzle

Subechha is a quiet girl. She feels happy looking at the puzzles. She loves solving puzzles with her friends. One of her favourite puzzle is Chhota Bheem. She is fond of solving without getting distracted, even if her friends try to disturb her.

Sense

Subechha appreciates the learning opportunities in senses class and approaches her tasks with patience and

diligence. She actively engages in activities, helps others, and maintains cleanliness in her work. Her enjoyment of games and nature walks contributes to a positive learning environment.

Games

Subechha is always active and cheerful in games time. She does running and joint exercise. She is very good in running exercises. She plays games like chain game, ice and water, bat and ball, hide and seek. she likes to play hide and seek a lot.
