## Report for 2024-25 (Second term)

### INTRODUCTION

Rabinarayan comes to school from home. He is regular for school and he is very happy coming every day. He is six years old.

### PROJECT

#### INSECT TOPIC

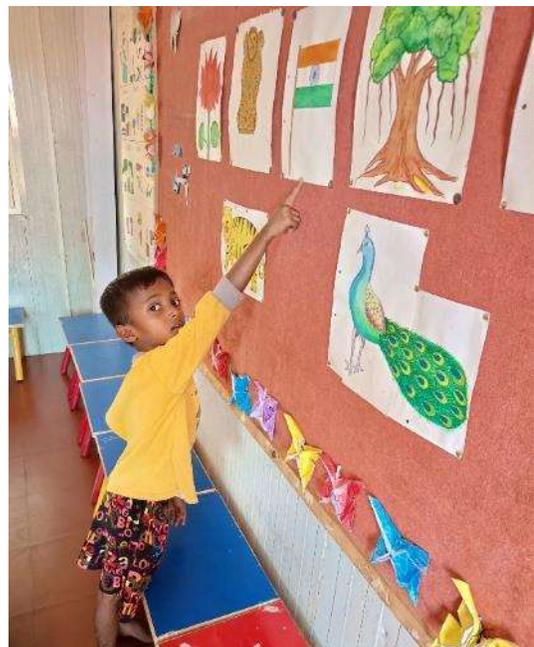

Rabinarayan showed interest in learning the names of the insects and was able to recognize a few insects. He carefully observed insects, and how they move and behave. He enjoyed the videos of insects. Even though he doesn't know the lyrics of the songs, he enjoys it. He faced difficulty in drawing the insects.

### SHAPES TOPIC

Rabinarayan tends to be restless in class and needs to improve his concentration. He enjoys hands-on activities related to the topic and loves drawing objects and identifying the shapes within them. He is able to recognise and name different shapes by touching objects.

### NATIONAL SYMBOLS

Rabinarayan is talkative in class and enjoys answering questions, though he sometimes struggles with language comprehension. He enjoys singing and actively participates in class discussions. He also likes listening to stories while looking at the corresponding pictures.

## MATHS

He is a very intelligent boy and he loves doing math. In math's he has learnt counting till 100 properly but sometimes in the middle he forgets some number. He is till now little confused in like 17 - 70, 16 - 60 and some numbers like this. He is now able to backward counting from 20 and now he is learning to do from 100. When he is asked to do 2 skip counting then he is not able to do it and when is asked the between number then is very easily tells the answer.

## ENGLISH

Rabinarayan knows the alphabets and enjoys singing the alphabet song with actions. However, he struggles with remembering song lyrics and only participates by liping along. In the class he sits quietly and finds it difficult to understand stories and answer related questions.

## ART

Rabinarayan has shown improvement in solving puzzles and enjoys working on them quietly with his friends. In drawing sessions, he requires further practise. He finds paper folding difficult.

## GAMES

Rabinarayan has a good speed in running. He gets tired very fast and sits down. He plays the games properly and enjoys it. He likes to play mouse and rat game and ice and water.
