

Dutika Bishoi

DOB-17th April'14

Report for 2023-24 (Second Term)

Mathematics- Dutika enjoys learning new concepts. She finds fractions challenging and struggles with word problems in division. Dutika is diligent and quiet in class, absorbing information from the teacher.

Projects-

Dutika is a very quiet girl who doesn't talk much during class and remains very silent. She learned about the history of cycles and

made drawings of them. She completes her homework and shows it to the teachers. Although she had difficulty naming and showing the parts, she tried her best.

Dutika exhibited a keen interest in the project from the outset, evident in the numerous questions she raised during group discussions to clarify her understanding. While she actively participated in group discussions, occasionally, when disinterested, she tended to disrupt others, indicating a need for redirection during such instances.

Despite occasional disruptions, Dutika demonstrated initiative by offering responses

during discussions, even if her answers were not always accurate. This proactive approach reflects her willingness to engage with the material and contribute to the project's progress.

Through her involvement in the project, Dutika gained valuable insights into the concept of time, including the distinction between clock and time, as well as the history of clock invention. Importantly, she also began to appreciate the importance of time management, gradually developing the habit of completing tasks punctually. Dutika particularly enjoyed hands-on activities such as shadow marking and constructing a model of a sand clock, showcasing her enthusiasm for practical learning

experiences. Additionally, she engaged in supplementary activities such as drawing clocks, further enriching her understanding of the topic. Dutika displays commendable diligence in her studies, consistently putting forth effort and actively participating in class activities. She has acquired a wealth of knowledge about flowers and their parts, diligently committing what she learns to memory. Not only does she excel academically, but Dutika also demonstrates a willingness to assist her peers. Her enthusiasm for learning was evident when she enjoyed making flower juice from red hibiscus, relishing the opportunity to engage in a new and stimulating activity. Dutika's ability to draw and label her favourite flower reflects

her growing understanding of different flower types and their distinctive characteristics.

English- Dutika is a cute and attentive girl who has shown significant improvement in her reading skills. While she tries to speak in English, she needs to work on her handwriting. She has completed the first book of grammar and portrayed the role of Rose in the play "In Search of Riches." Dutika enjoys listening to stories and reading "Cinderella."

Hindi- Dutika exhibits a solid understanding of basic concepts, reflected in her swift completion of tasks from the "Abhyas Pustika" and 2nd "Gyan Sarovar" books. Currently engaged with the 3rd "Gunjan" book, she demonstrates resilience in overcoming challenges, despite occasional mistakes. While her grammar skills are sound, her active participation in sessions contributes to ongoing improvement. Dutika's commitment to reading and

engagement in learning activities, including learning a Christmas song and creating a story for the Mother's birthday, underscores her enthusiasm for learning and creative potential.

Odia- Dutika enjoys speaking in Odia and writing. She listens to stories and likes Odia songs. Her pronunciation and understanding of Odia are good, and she enjoys watching Odia movies.

Arts and crafts- – Dutika demonstrates perseverance and determination despite being a slow learner, putting in considerable effort to understand each activity. She carries out her tasks gracefully, showcasing a meticulous approach to her work. Her drawings are impeccably neat, reflecting her attention to detail. Despite any challenges, Dutika remains an energetic student who actively engages in all activities with full concentration, particularly enjoying drawing

Shramdan- Please refer to the introduction of the group report.

Games- Dutika is a dedicated athlete and always arrives on time at the field. She makes sure to participate in all of the warm-ups before the game starts. She has been able to improve her body stamina, balance, and throwing skills. In addition to her athleticism, Dutika also participated in the Lazium dance corner on the sports day. That was a moment of pure joy for her as she was able to showcase her dance skills to a larger audience. Her dedication and hard work continue to pay off, and she serves as an excellent role model for anyone looking to follow their passion.

Puzzles- Dutika enjoys participating in puzzles class and remains silent while working on puzzles. She typically completes puzzles ranging from 90 to 100 pieces and is striving to complete 100+ -piece puzzles. She has shown

improvement in completing puzzles within one hour, particularly puzzles of 60, 70, 80, and 90 pieces.

Celebrations- Please refer to the group report.
