

Dutika Bishoi

DOB-17-Apr-2014

Attendance-170 days out of 182 days

Report for 2024-25 (Second term)

Introduction

Dutika is a cheerful child. She is friendly with everyone and respects her elders. She always talks with a smile. She resides in the hostel and has learnt to keep herself and her belongings clean and in a tidy manner. As she has started maintaining more hygiene, she has got rid of the scabies. She comes from Narjiput, a village about 5 km from the school. She misses home sometimes and gets very happy when she meets her family every Tuesday. Her hobby is reading books, especially fairy tales. She wants to be a teacher when she grows up.

Mathematics

Dutika has finished the 4th class book of mathematics. She is doing the four operations, which is the third chapter of 5th book. She has covered the following chapters: - fractions, decimals, measurements, perimeter and area, time and data handling in the previous book. Though she finds mathematic a little challenging, she enjoys solving questions. She enjoys it more when she is clear with the concepts of the chapters. She makes mistakes in solving the word

problems, and at times takes a lot of time to solve a single question, but she never gives up. In chapters like fractions, decimals and measurements, she took hardly any time to finish these chapters. She was very clear with almost all the concepts of these chapters and hence faced hardly any difficulties solving the questions.

Science

Dutika mostly understands the concepts of the chapters taught but needs extra explanations and practise. She is shy about asking her doubts. She participates in group discussions and tries her best to answer the questions asked. She is attentive and a good listener in class. She mostly likes to listen to interesting facts on topics outside the chapters. She enjoyed studying the chapter Solids, Liquids and Gases the most.

Social Science

Dutika is doing the sixth-grade book of history. She asks lots of questions of the chapters she is not clear. She does all her questions and answers on time. She loves to answer the questions orally. She gives test after each chapter and tries very hard to score good marks. She brings all her homework on time. She loves drawing and colouring when she makes the charts.

Hindi

Dutika is very good at studies and is a hard-working girl. She finished the 3rd class Gunjan book and gave the whole book test. She really worked hard for her test. She obtained good marks in her test and moved on to 4th class Gunjan book. She finds this book easy and does her work neatly. She gets her notebook checked every day. She understands from her teacher and then starts doing question answers. She is very frank in the class. She is also doing grammar and is very good at it. After each chapter finishes, she gives a test. She gets good marks every time. She did a short play on 21st Feb and had the role of a narrator. Her voice was loud and clear. She was very confident while speaking her lines.

English

She loves doing English classes. She is able to sit quietly during the class. If she doesn't understand anything, she asks her elders. She needs improvement in her handwriting. She needs a little improvement in her spellings and speaking as well. She is also solving the textbook of **third class**. She is able to answer the questions which are given in the text. Sometimes in some questions she finds a little difficulty. She is doing the fourth-class grammar book. If she doesn't understand any concept, she takes help from her elders. She loves to listen to stories. She is able to understand the stories which she reads.

Odia

Computer

Please refer to the group report.

Dance

Dutika loves attending dance class and is always on time. She enjoys it because she gets to learn new steps. She performed *Dashavatar* for Sports Day and has also learnt Kathak.

Arts

In art class, Dutika has made flowers, hanging birds, and stars. She has worked with warm and cool colours and created sun and moon drawings. She has improved her drawing skills. In nature drawing, she has depicted rivers, mountains, houses,

animals, and stones. She has developed an understanding of warm and cool colours.

Puzzles

Dutika is very excited while doing puzzles and she is very helpful towards her friends while doing puzzles. She is doing the 1000 pieces puzzles of Taj Mahal. She helps her friends to find the pieces of the puzzles. She gets happy if she finds the correct pieces. Sometimes she asks her friends to help her to find the pieces.

Games

Dutika reaches on time for games. She is an energetic girl who loves running while playing games. Before starting any games or exercises, she stands for two minutes prayer and then goes for warm-up. She does warm-up of all her joints and takes a few rounds of the football field or sometimes runs on the hills. She plays many games

such as football, basketball, dodgeball, base-kickball, fun games, etc. Her favourite game is football as she loves snatching the ball from her opponents. She also enjoys playing many other games like fun games. She doesn't get much joy while playing basketball as this game is new for her, but gradually she will get used to it and learn how to play the game. She sometimes gets aggressive while playing the games but is friendly with everyone. She is in the group 'Boron' and she gets joy playing with the children in her group.

Yogasana

Please refer to the group report.

Shramdaan

Dutika actively engages herself in shramdaan in the morning. She likes to do cleaning of the hostels and the school campus. She sweeps the dry leaves and the dirt from outside the classrooms and wipes the classrooms in the school and the dining area in the hostel.

She also does toilet cleaning in the girls' and the boys' hostels. Once a week she does gardening and she goes to the kitchen for shramdaan. She does all the shramdaan activities sincerely and happily. She tries to give her best in all the work she does and tries to always finish on time.

Satsang

Dutika attends the satsang every evening at 6:15. She is becoming more conscious and is putting her best effort to be punctual for the satsang. She is fond of singing

and sings all the songs happily. She takes interest in learning new songs and grasps them quite fast. She has learnt a new song 'Darshan do ghanshyam' which she enjoys singing a lot. If she is engaged in singing, she remains very active. But she feels drowsy when sometimes they sit quietly and concentrate for some time. She tries to sit erect during satsang to remain active.

Celebrations

Dutika likes to celebrate festivals and functions in the school. She actively takes part in dramas, dances and singing. She likes to perform dances and dramas the most. She tries to give her best in all the performances she gives on the stage even when she is nervous. She feels nervous on the stage when she performs alone but gains confidence when in a group. By giving various performances on the stage on different functions, she is gradually losing her stage fright and gaining more and more confidence. Dutika learnt a helping hand for making candles and diyas for Diwali along with the other girls of her group. She enjoyed making them and is quite confident to make candles by herself now. She celebrated by lighting candles and diyas in the

ashram and in the boys' and the girls' hostel. Children's Day was a lot of fun for Dutika. She enjoyed roaming in the jungle; playing and eating with her friends. She also learnt kayaking at the picnic. It was a nice experience as it was new for her. Dutika sang a sargam along with her group on 29th November. She enjoyed performing a dance on Christmas with the other girls of her group. She had put in an effort to learn the dance in a short period of time and gave her best while performing. On 21st February (The Mother's birthday), she enacted in a Hindi drama. She played the role of narrator in the play. She spoke her dialogues very

confidently on the stage. Her way of speaking the dialogues with the confidence in this play displays her improvement in her speaking skills. Now she needs to work towards her acting skills. Dutika actively participated in the Holi celebrations. She ran for the colours after the *matki phod* and enjoyed applying them on her friends. Once she was laden with colours, she had great fun dancing with all. After dancing a lot, she got busy eating various food items put up in stalls. She liked

drinking *lassi* and eating *pani puri* the most. After that she had a lot of fun having a mud bath near the reservoir.

Sports Day- Dutika participated in the Saree Drill. She loved it a lot as she had done this for the first time. She practised a lot to make her Saree Drill look better. She loved making formations in the Saree Drill. She gets nervous on the stage, but she tried performing it very well.
