and subtraction and is currently learning multiplication. While she sometimes makes calculation mistakes, she is improving. Sakshi finds time-related concepts challenging, especially applying them in word problems. Although she quickly learns factors and multiples, she struggles with HCF and LCM methods. She understands basic fractions but can get confused with larger numbers and mixed fractions.

Introduction

Sakshi likes to interact with her close friends. She is the youngest child at home, with two elder brothers. She is loved dearly by all, and she loves her family a lot. She maintains good health but needs to keep herself cleaner and her clothes, books, and other belongings in a tidy manner. She loves doing artwork, which is her hobby, and she practises art because she wants to grow up to be an artist.

Mathematics

Sakshi shows interest in mathematics but works slowly. She has completed addition

Science

Sakshi is an obedient girl who can sometimes become distracted in class, but she quickly regains focus. She works hard to complete her homework and exercises, currently progressing through her class 5 book after finishing classes 3 and 4. Sakshi enjoys class activities and experiments and has made a chart on water energy.

Social Science

Sakshi is attentive and tries to give her best in the class. She likes learning about the primitive life of the people and about how the people were living in the past. She understands the concepts well but needs to learn to express herself in writing. She enjoys listening to the stories of the primitive people and is able to remember concepts in that way. Whenever questions regarding the topic are asked, she always tries answering it.

Whenever she has any questions or doubts, she always asks. She tries to do her best while giving a test and usually obtains good marks. She has learnt some new words. Whenever new terms come in the textbook, they are given the same as dictation, and Sakshi gets most of them correct. She has to improve her writing as well as her comprehension. She can do better if she focuses more.

Hindi

Sakshi is using the third Gunjan book. She works on questions from the textbook daily and ensures they are checked. Although she is a bit slow in her work, she is diligent in her studies. If she encounters any challenging questions or chapters, she seeks help. She studies grammar twice a week, revising and giving tests after each chapter. To achieve better results, she needs to

work harder. She finds it easier to revise for tests when she has notes from the chapter. Sakshi still needs to improve her reading pace and enjoys reading fairy tales. In the play on July 5th, she played the role of Vidvaan and struggled with many dialogues but ultimately remembered them and performed well.

English

Sakshi loves her English class and is currently completing the 2nd-grade grammar book. She has learnt about sentence construction, punctuation, and the four types of sentences: assertive, interrogative, exclamatory, and declarative. She participates in group reading sessions once a week and has shown improvement in her reading skills. During self-reading, she uses the dictionary to find the meanings of unfamiliar words. Sakshi enjoys reading

English storybooks and is focused on improving her writing skills through story writing and copywriting. Although her handwriting is still developing, she is determined to improve. She also performed a dance on Janmashtami and Independence Day, which she practiced in class.

Odia

Sakshi speaks Odia confidently but occasionally incorporates tribal words. He can identify Odia letters and read and write basic words in Odia.

Arts and Crafts

Sakshi loves art class and likes to do nature drawing because she wants to become an artist when she grows up, which is why she tries to focus on art. In art class, she made rakhis for Raksha Bandhan with four threads. She also did paper folding and made a tulip flower to decorate

featuring scenes of nature and loves looking at the pictures while she works on them.

Dance

I enjoy doing Zumba in dance class because didi teaches it nicely. I take my time learning the new steps of classical dance because I focus on Zumba dance. For the 15th of August competition, I did a solo dance performance on stage to the song "Lehra Do." I have learnt the names of the fingers in Sanskrit and I also know some mudras of classical dance. On the school's birthday celebration, I performed a dance to the song "School Chale Hum." On Rath Yatra, we performed a dance to an Odia song. On Independence Day, we did the "Jai Ho" dance. For Janmashtami, we learnt a dance to the song "Meera Ke Prabhu." For Ganesh Chaturthi, we learnt a Kathak dance

her group. Additionally, she made different shapes of flowers through quilling. When she faces difficulties in art class, she asks for help and then does it herself. She tries to finish her work on time and enjoys art class very much.

Puzzles

Sakshi is able to solve puzzles of 100 to 150 pieces quite easily. She approaches these puzzles with a lot of concentration and prefers solving them alone rather than in a group. She particularly enjoys puzzles

Namaskar (Sun Salutation) through the 12 asanas.

Shramdaan

Sakshi actively participates in shramdaan every morning after yogasana. She feels that doing shramdaan is very important because it teaches us basic skills that will be required throughout our lives. Therefore, she sincerely and joyfully undertakes activities such as cleaning the toilets, hostels, school, gardening, and kitchen work. She particularly enjoys cleaning work in the school because she wants it to remain clean while they study there.

from Suparna didi. I have learnt some steps of Kathak dance and I am now refining them with perfection. I know the Bhumi Pranam of Kathak dance and Bharatnatyam.

Yogasana

Sakshi knows that yogasana is very important for the body as it makes it flexible and keeps it healthy. Therefore, she attends yogasana every day. She is quite flexible and is able to perform many of the asanas. By practising yogasana, she is improving her flexibility and her breathing process while performing the asanas, which plays a very important role in doing yogasana. She has memorised the Sanskrit names of many of the asanas, such as Paschimottanasana, Halasana, Savasana, Chakrasana, and Sirsasana. She loves performing the asanas and also Surya

Games

Sakshi loves sports and therefore attends games regularly. She does exercises and runs properly before games. She loves running and can run quite fast. She can outrun her friends during races. She plays various games such as football, basketball, base-kickball, and other minor games. Her favourite game is football because she enjoys running a lot while playing. She has improved her kicking skills and can score goals. She becomes extremely happy when she scores. She enjoys playing football in the rain, even though she slips and falls down many times.

Satsang

Sakshi tries to take a quick bath and be on time for satsang. She is interested in singing and learns quickly, but takes time to learn new chants when taught. She enjoys listening to the teachers when they sing

while teaching, and she tries to sing like them. She enjoys singing bhajans of The Mother, Sri Aurobindo, and various Gods and Goddesses. She can sing confidently in a group but feels shy and nervous when asked to sing solo.

Competitions

Sakshi participated in art, dance, and poem-writing competitions. In the art competition, she made a drawing of nature and enjoyed colouring it. In poem writing, she tried to write a good poem on 'Mera Bharat'. She gave her best in these competitions. In the dance competition, she performed a short dance to the song 'Lahara Do'. Unfortunately, she was unable to give her best as she felt quite nervous performing in front of so many people, including judges and the audience.

Celebrations

During Rath Yatra, she pulled the rath and fanned the three lords in the rath with a big fan. She had great fun celebrating Rath Yatra. She actively participated in the dance for the song 'Hatara Badhi' during Bahuda Yatra and loved dancing to it. She performed a dance to the song 'Jai Ho' on Independence Day. On Janmashtami, she performed a short dance to the bhajan 'Mira Ke Prabhu'. She prepared a dance for the chant 'Vakratunda Mahakaya' to perform it on Ganesh Chaturthi. The steps were Kathak-based, and she found it challenging to learn and remember them, as the chant was repeated several times with different steps each time. However, she

Sakshi enjoys celebrating festivals a lot. She loves taking part in dramas and dances for special occasions. She took part in a play called 'Ishwar' and enacted the role of a vidwan (wise person). She performed well on stage alongside the other characters. She loves dancing, although it takes her time to learn the steps. However, she has great fun participating in dances and performing them, despite her stage fright. She wants to overcome her stage fright by performing on stage whenever she gets the chance.

worked hard and tried to give her best on stage. On Raksha Bandhan, Sakshi tied a rakhi to Mohan of the Bliss group. She enjoyed celebrating Raksha Bandhan and Ganesh Chaturthi the most.
