**ANNUAL REPORT FOR 2023-24 (Second Term)**

**ANNUAL ATTENDANCE 347 Days Out of 366 Days**

**INTRODUCTION:** Goutam is nearing his sixth birthday, which falls in April. He relishes spending time with his friends, often engaging in lively games that involve running around. Demonstrating a commitment to his education, Goutam strives to attend school regularly and maintains good conduct with his peers and teachers. He places importance on cleanliness and orderliness, consistently upholding these values at school. Additionally,

Goutam has a healthy appetite and appreciates the nutritious meals provided, ensuring not to waste any food by consuming all the vegetables and fruits served.

**CIRCLE TIME:** During Circle Time, Goutam sits attentively with closed eyes. He chants the mantras aloud, and if he encounters any difficulties, he remains silent but endeavours to

recite after the didi. Goutam demonstrates proficiency in reciting the mantras independently. Furthermore, he has learned numerous songs in both Hindi and English, delighting in singing them with accompanying actions.

**PROJECT:** In project class, Goutam demonstrates concentration and attentive listening to his teacher. He successfully

completed the animal topic, comprehending all aspects of the subject matter. His visit to the village to observe pet animals further enriched his learning experience. Goutam adeptly produced drawings related to the project, ensuring neatness and accuracy. Throughout the project, exposure to animal sounds and videos enhanced his understanding of the topic.

**MATHS:** In maths, Goutam has mastered counting up to 50 independently and maintains proper posture during class. He exhibits enthusiasm for addition and subtraction activities using various objects. Currently, he is striving to count up to 100. Engaging fully in math activities, Goutam approaches tasks with concentration and efficiency. He readily assists classmates and accurately retrieves numbers as directed.

**LANGUAGE:** Goutam enjoys listening to stories during language class and comprehends both Hindi and English. He actively participates by occasionally repeating after the

teachers and occasionally narrating stories from his imagination. Goutam also demonstrates creativity by illustrating stories through drawings. He is progressively learning English vocabulary, confidently pronouncing words and even his name in English. Furthermore, he has mastered songs in both Hindi and English, relishing the opportunity to incorporate actions into his performances.

**GAMES:** During games, Goutam displays enthusiasm and active participation. Prior to starting, he engages in warm-up exercises to prevent injuries during playtime. He particularly enjoys running games such as chain game, ice and water, apple apple banana, mouse and rat, among others. His favourite game is hide and seek, where he relishes hiding among the trees. Goutam consistently exhibits good behaviour towards his peers during games. He also finds joy in playing in the sandpit, where he enjoys jumping and playing in the sand, as well as sliding down the slide.

**CELEBRATIONS AND FESTIVALS:** On 25<sup>th</sup> December, Goutam enthusiastically sang a song with his friends, "I am a Little Star," and performed admirably. He was delighted to see Santa Claus. On 26<sup>th</sup> January, he watched the

parade on TV in celebration of Republic Day. During Basant Panchami on 14<sup>th</sup> February, he sang the song "Namo Sharda" and relished participating in the festivities, including enjoying Prasad. On 21<sup>st</sup> February, for the Mother's Birthday, Goutam played a role in the play "Mata Ka Rishta" as a narrator, delivering his lines effectively. Despite feeling nervous, he performed excellently. On 25<sup>th</sup> March, during Holi celebrations, Goutam joyfully participated in the festivities, playing
