DOB- 10th March '10

My name is Raghav. My favourite game is football. I like to read comics and my favourite subject is Science. My favourite colour is green. I like to swim and ride a cycle and sit on a motorbike. My favourite foods are fish, chicken and eggs. I also like to learn computers.

Mathematics—

I am doing class 5 book in math and currently I am working on time and temperature topic. I have 3 more chapter remaining. I find time and temperature topic difficult. I get distracted while studying. I try not to get distracted.

Social Science—

I am in 7th class in SocialsScience. We are doing History- chapter 5. When didi teaches, then I listen but there are many things I don't understand. I find some questions difficult and some I can answer easily. I am trying to do well in the tests. I like to read Amar Chitra Kathas to improve my history.

Science—

I am doing 4th class book in science. I am doing 5th chapter. I am improving in science. I like the topic Machines because I am interested in cars, bus, cycle etc.

When my torch got spoilt, then I was able to repair it. I like plant topic because plants give us fruits and vegetables to eat and air to breathe. Air dries our clothes, so I like air. Another topic which I found easy was water. Water is very useful to us. I try to pay attention in class and do well in the tests.

Shramdan—

In shramdan I like to do school cleaning because it gets done easily and we get time to play. I like kitchen work because I learn how to cook food. I try to reach on time for shramdan, however sometimes I don't reach on time because some

seniors give us work to do.

English—

I am doing the class 4 book in grammar and class 3 book in communication. I like free reading, plays and grammar. I pay attention in class. Didi has asked us to speak in English, so I speak in English in class. I go on time for the

English class.

Data Entry—

In data entry, I learn typing. I like my data entry class. I try to reach on time for the class and work with concentration. I am doing the basics and learning with book 1.

Hindi—

I go on time for the Hindi class. I like free reading and doing the exercises from the book. I pay attention in class. I am working on book 5 and currently am in the 11th chapter. In grammar, I am doing the class 5 book, chapter 2. I passed my previous Hindi test with good marks.

Games—

In games I like to play football, volleyball, and dodgeball. I like Tuesdays, Wednesdays, Thursdays and Sundays because on these days we have my favourite games.

Dance—

Dance is on Saturdays and I like to learn dance. When the teacher teaches dance movements, I pay attention. I am learning robot dance and Mahabharat dance.

Art—

I like art class. I try to go on time and pay attention to what didi is saying. We draw different pictures and make animals with paper folding. I am learning new things in art.

Odia—

I try to be on time, however, sometimes I get late. I have learnt to write in Odia. I pay attention in class. I learn Odia with Papa ji and Anuradha Didi. Our Odia class is on Wednesdays and Sundays.

Music—

Our music class is on Mondays.

I come on time for the music class. I play the flute. I have learnt the basic sargams on the flute. I learn music with Bhavna Didi and Mani Didi.

Celebrations—

On 15th August, we enacted a play on Bhagat Singh. I played the role of Rajguru and I acted well. I remembered all my dialogues and did the actions well.

On Christmas we sang 2 songs of Jesus. On December 31, we enacted jokes. I did it together with Madhav, Pankaj, Vidur, Raghav, Suraj, Ajay, Manya and Parul.

On The Mother's birthday we performed a play on 'Perforated Coin' with Raghav, Suraj, Pankaj and Madhav.

On Holi we played carom and chess. Devansh and I were partners in carom.

We won the first game and lost the 2nd.

On Sport Day we played football, baton relay, 100 metre race and jump. I won in the games.

Yoga—

I can do some asanas well and some not so well. Sometimes I do not reach on time for yoga. I do yoga with Bina didi.
