

Vani Majhi

DOB-13-Jul-15

Report for 2022-23 (first term)

English

Vani is a quiet girl. She rarely talks in the class. She likes to listen to stories although she has difficulty in understanding the language. She likes to sing songs but faces problem in pronouncing

many of the words. To memorise the poem 'God', she took many days. She has difficulty in pronouncing some words. In the play 'Ganesha's wisdom', she had played the role of a mouse. For the play performed on 5th July she was given the role of the narrator. She took time to learn the dialogues.

Mathematics

She is a quiet girl and speaks very little in the class. She knows the forward and backward counting. In backward counting she gets confused before 30, 40, 50, 60, 70, 80 and 90. She knows the skip counting of 2 to 5 nicely, but sometimes she gets confused. She has also started

doing the word problems like “If you have 5 fingers in right hand and 5 five fingers in the left hand, how many fingers do you have in all?” She can recognize some of the digits till 9. She made many designs and patterns by using the shapes of rongometry kit. It was so beautiful to look at the pattern she had made. Here she also did the colour classification and separation of the colours. She could arrange all the shapes from bigger to smaller in aakar parivar. With aakar parvar she recognized the colours and arranged it in order. She also enjoyed playing with the Jodo cubes. Here she made some toys like chair, table and bed with her friends. With this only she learnt addition till ten.

Projects

Colours topic

In this topic, she learnt the names of various colours and she enjoyed decorating her group display board with paintings of different colours. She is fully concentrated in her work when doing some activity. She was a little confused in differentiating the colours but now she knows all the colours' name properly. She was taken to the garden to see different colours. She was listening carefully to the names of colours her classmates were telling and was trying to learn and remember them. She listened to the stories of all the colours. She did a small drama while doing the colour topic. The name of the drama was 'The two hens'. She had taken the role of a fat hen. She was taught colours songs and she would sing it beautifully.

Family topic

The 2nd topic she did was my family. She was asked a lot of questions about her family and home which she could answer. She made a drawing of her family members and shared with everyone- what work her mother and father do. She did many other activities during the project class. For 15th August she

participated in singing a song on Sri Aurobindo. On 19th August she did a drama of 'Makhan chor' (butter thief) in which she had taken the role of a Gopi. On 30th August which was celebrated as Ganesh pooja, she had done a dance which she enjoyed doing a lot. She is interested in doing all the activities in the class.

Arts

She is cute and intelligent girl; she is polite and talks sweetly to everybody. She is very interested in doing drawings. She is interested in all the activities she does in the group. She helps other children when she has completed her drawing. Her work is neat and clean; she finishes her work quickly. She had made ladybird, snail, double boat, house, nuts and leaves to decorate the display board of her

group. She is very good at drawing; she also listens to the instructions very carefully. In cutting pasting she needs help from the teachers. She is concentrated in every activity she does.
