

## SHAMPA, 6.5 years, Flower Group

Shampa is improving in her interest, abilities and growing as an understanding child.

These days, she is willing to learn more and participates in the learning process actively.

She proceeds forward happily with confidence, when she gets encouragement and special attention of elders.

She expresses herself openly in the group discussions.

English Language - Shampa likes to be part of most activities and doesn't need to be supervised all the time.

She tends to do her work and play after she is done.

She enjoys reading similar words from prompt cards but takes time to identify words sometimes.

She keeps her story narrations short & simple and adds to her sister's accounts now and then.

## SHAMPA, 6.5 years, Flower Group

Largely has clear pronunciation except in the case of common errors in the group.

Hindi Language - Shampa has picked up Hindi reading. She enjoys reading but she requires Didi to sit with her continuously otherwise she starts playing.

Finally after much practice she is learning to listen to each word carefully and then write. She has improved in the last 6 months but she makes some mistakes.

Shampa is able to slowly think and describe an object. But when she has to write, she is unable to make proper sentences and also makes spelling mistakes.

Oriya Language - Shampa has to be kept involved in dance and action songs, else she feels sleepy. She has below average attention span. She needs more time to practice writing.

In Projects Shampa was engaged in topics Me And My Self, Sports Day, Time, Trees Around Us.

She is happy, when she is expressing herself, telling her likes, dislikes, what she likes to see, eat, hear and reflect. Why she is angry, scared, sad and happy.

Shampa is always ready to explore her surroundings. During circle time, she listens carefully and learns from the peer discussion.

She was overjoyed, when she was watering the plants and taking out weeds.

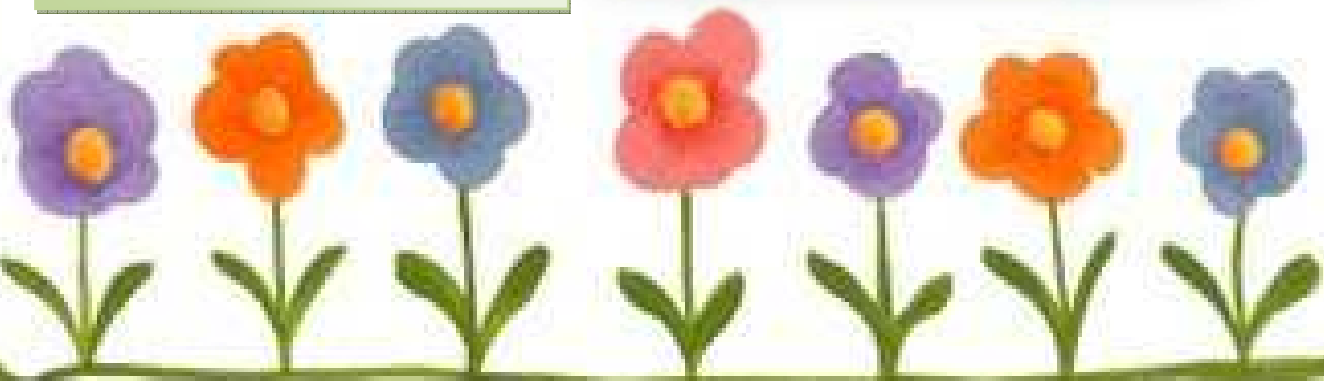

She needs more time to read the words related to any topic, but she is able to express her knowledge verbally with comfort.

Skill work: Shampa is very much fond of doing skill work. She is good in cutting, pasting, painting, rubbing, paper folding.

She carefully looks at the things and tries to do on her own.

She is creative in making anything. She can give a leaf the form of a flower pot.

After doing her work, she helps others also.

**Games and Sports:**  
Shampa goes to the field every day. She joins the games, does running and exercises also. She likes to swing on trees and plays with some of her selected friends.

She explores a lot in catching, passing and kicking the ball. She still has the fear of playing with the ball.

After playing for ten minutes, she runs away from the field and remains busy playing ghar-ghar, making different dishes, plucking flowers, leaves and grass.

She has to do more running, exercises, play games to develop her skills and stamina.
