Report for 2024-25 (Second term)

INTRODUCTION

I am Shanti Jani. I am in the 5th class. I love studying in A.M.V.M. I am the only child of my parents. My best friends are Shruti, Sabita and Rachna. I am interested in Hindi, Dance, Art, and I also love studying Science.

SCIENCE

I am studying from the 7th-class science book, and I love science class. Right now, I am working on the chapter "Measurement." I feel that I have improved in this chapter, but my understanding is still slow. I need to improve my understanding of the chapter. We also do experiments in science class.

SOCIAL SCIENCE

I love to study Social Science. When I don't understand something, I ask didi. Sometimes I can't write the words correctly. Now I need to improve my spelling. Sometimes didi makes us take dictation and take notes. We have started a new chapter called "Our Earth."

MATHS

I am studying from the 5th-class book. I am slow in the class. Right now, I am revising the test from the 5th book and doing the chapters again.

The chapters I am focusing on are Addition, Subtraction, Multiplication, and Fractions. I struggle with fractions. When I get something wrong, I ask didi.

ENGLISH

I love studying English, and I like learning it. We learnt a drama named *Shadow*, where my character was the pink shadow. For that, I practised many times. I had taken the role of a shadow and I really gave my best performance while performing it on the stage. In English class, we read books and do free reading. I also like doing grammar and have learnt about tenses, articles and nouns.

HINDI

I have Hindi class at 1:30 PM. I love studying Hindi. Right now, I am studying from the 6th-class book. We are also doing a test from the 5th-class book. I love writing spellings, but my reading speed is very slow. I love Hindi very much. I want to improve my writing skills.

ODIA

We have Odia class on Mondays at 2:30 PM. In Odia, we read books, watch movies, and learn new things from the movies. We also take dictation. When I make a mistake, didi makes me do the correction, and then she writes the correct word.

COMPUTER

I love computer class because I can learn new things. We have been learning how to create a page in the computer, and how to do painting and make charts. At the same time, we write about the main points of the computer. Sometimes we do typing tests. Computer class is one of my best classes, along with dance.

ART

We have art class at 2:30 PM. In art, I love to draw nature, trees, and plants. When I was small, I used to play with crayons. In art, we made drawings for Christmas, like snowmen,

Santa, and also made drawings with warm and cool colours. In art, we have made hangings, lotus drawings and practised doodling. We also learnt about warm and cool colours. I love painting natural scenes. Before, my paintings were very simple, but now I have improved.

GARDENING

In gardening, we water the plants, plough the field, and make the environment better. On rainy days, we remove weeds around the plants. I don't really like gardening, but I like to make the world a wonderful place.

DANCE

I love to dance. We have dance class on Wednesdays at 2:30 PM. Superna didi teaches us dance. We learn many new steps. Right now, we are learning the Hanuman Chalisa dance. I want to improve my dance skills and steps. I enjoy the dance class. In dance, we do many different styles like Bharatanatyam, folk dance, and others.

In Bharatanatyam, we do a lot of steps. We learn the dance by counting the numbers.

GAMES

My favourite game is football, but I don't like playing basketball. I also like to play other games like volleyball and touch ball. I love playing all kinds of games.

SATSANG

In satsang, we sing songs for Gods and Goddesses. We learn many songs to praise God.

SHRAMDAN

In Shramdan, I do kitchen work, clean the girls' hostel, clean toilets, do gardening, and clean the boys' hostel and school. I do Shramdan at 6:30 AM.

New year

On New Year, we did a dance named "Dare Hua Dare Hua." I learnt the dance in three days. I love that dance very much, and I practised it many times. On the last day, I performed the dance properly, and I enjoyed celebrating the New Year.

Saraswati Puja

I love Saraswati Puja. During the Puja, we sing songs to worship Goddess Saraswati. We learnt the song over seven days.

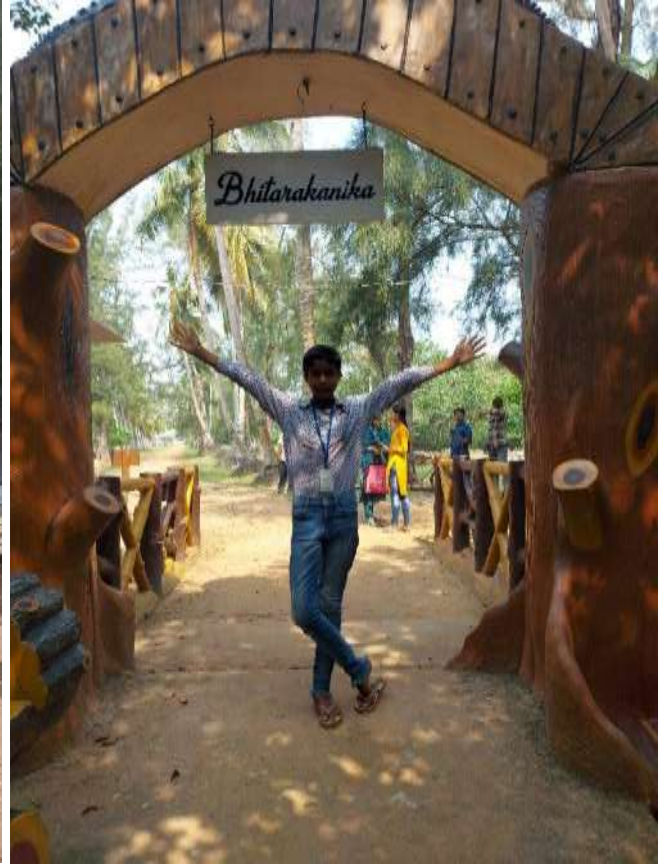

The mother's birthday: for the Mother's birthday, we did a play named *Shadow*. When we did the play, I had to play the character of the pink shadow.

Sports day: On Sports Day, we performed a pyramid. We learnt to make the pyramid over two weeks, and on the day of the event, we performed it very nicely. Sports Day was a very special day for me.

HOLI:

I enjoyed doing the dance and eating goodies. I enjoyed all the events organized for us. The mud bath was a really interesting part of the day as we first played with the mud and then we went for a swim. Our clothes had become so muddy by playing in the mud that it took a while to get them clean.

Trip

I started my journey on the 29th of October and travelled to Koraput Station. From there, I went to Bhubaneswar and then to Simlipal. In Simlipal, we went on a jeep safari where we saw a Khari tiger and beautiful waterfalls like the kiski Waterfall, Braai Waterfall, and Jashinda Waterfall.

We visited the Lingraj Temple, where we saw a statue of Lord Shiva. We also visited Udaigiri and Khandagiri, where we explored caves. Later, we went to the Jagannath Temple in Puri.

We travelled to Baleshwar. I visited the Panchalingeswar Temple, where we saw a Krishna Temple, and we also went to the Chandipur Beach. The following day, we took the train to Gaya.

In Gaya, we visited many Buddhist temples and saw the Bodhi Tree. Then, we went to Nalanda University, where we learnt about the historical burial sites. After that, we visited Rajgir, where we did a zoo safari and saw lions, tigers, bears, deer, and more. During a ropeway ride, we saw the Vishwa Sanchi Stupa.

Next, we visited Jarasandh's and Bheem's fighting places, where we saw the wheel of the Rath. Afterward, we went to the archaeological site and museum. Then, we travelled to Lucknow. We also visited Eco Park, where we played and enjoyed the day.

Afterward, we went to the metro station, then railway station, and then took the train to Jhansi. In Jhansi, we met Neha didi, and we spent time with her. There was also a dog named Leo, who looked like Bunty (our dog). At night, we visited the Jhansi Fort, which was very nice to see. We also visited the
