

**Shankar Gouda**

**DOB-07-Sep-08**

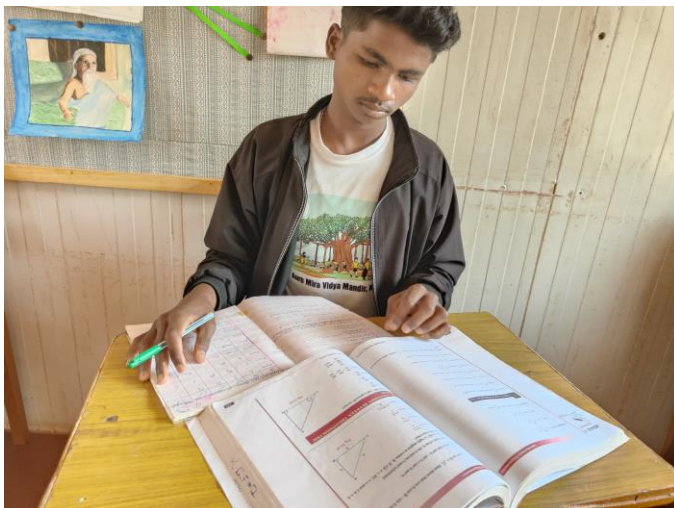

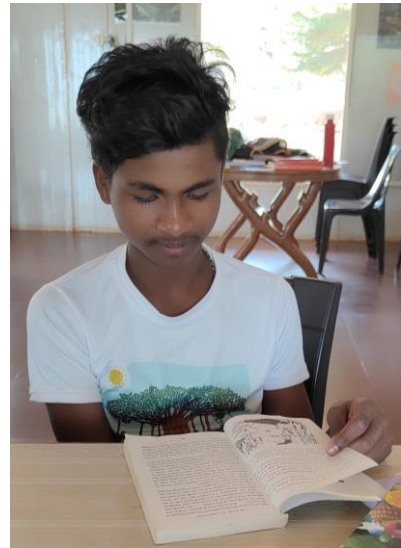

**Report for 2022-23 (Second term)**

My name is Shankar. I am in class 10<sup>th</sup>. I like to play and study. When I am free, I read books. Now I am preparing for my exams.

**English**

I have finished the 10<sup>th</sup> class syllabus of NIOS. I read the stories and discuss the theme of all the stories. I also do grammar. In grammar we have done direct and indirect speeches, verbs, adjective, prefix and suffix. I also did letter writing and passage writing. In the NIOS book, I read some stories like Kondiba a hero, Snake bite, A tiger comes to town, etc. I issued and read books like- King Arthur and the knights of the round table, The kingdom of fantasy, The Lord of the ring, Troll mill, Doctor Who, the nightmare of Eden, young samurai, etc. Now I am preparing for my exams.

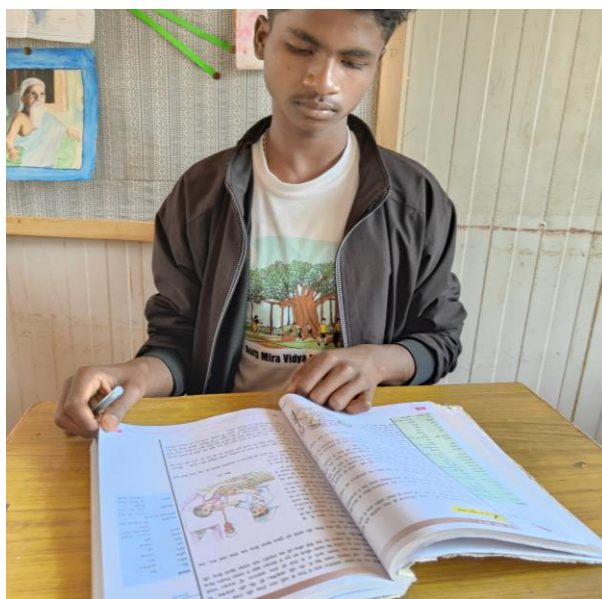

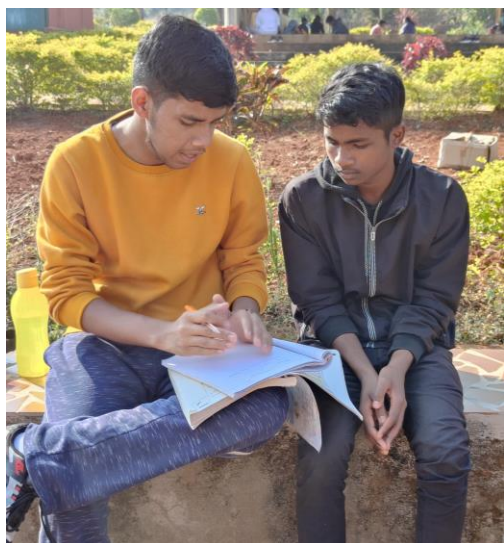

**MATHS**

I have completed the 10<sup>th</sup> class course of NIOS. Now I am revising and giving tests of the whole book. I completed my practical in maths. Earlier I faced many problems but now I can do it. Now I am confident in many chapters. I had some

problems in Trigonometry, but now I am able to do it. Now I am preparing for my exam.

## **HINDI**

Now I have finished the book of 10<sup>th</sup> class of NIOS. Hindi is very easy for me. My handwriting is good. I can write fast. I do grammar in Hindi class. On Christmas I sang Hindi songs. I can read properly. I also wrote poems. I appeared for my exam and scored 70 percent in Hindi.

## **SCIENCE**

I have finished the 10<sup>th</sup> class of NIOS. Now I am revising and giving tests. Biology and Chemistry are easy for me, and I am practising them with Veerinder didi. I like to do study from Veerinder didi because when she teaches me, I can understand properly. I also practised drawing of different body parts of humans with Veerinder

didi. Every Sunday I give test of the whole book in science. In biology and chemistry, I am revising and giving tests of every chapter. I like my science class. When my teacher teaches on blackboard, I can understand properly. I studied with Meeta didi. I could understand properly what she taught me in biology. I had little problems in physics but by practising it, I am able to do it. I did many experiments by doing practical. Now I am preparing for my exams.

## ***SOCIAL SCIENCE***

I have finished the 10<sup>th</sup> class course of NIOS of social science. I am revising political science now. I face difficulty in political science. I did social science class with Neelam didi. History and geography are easy for me. I also did social science class with Geetu didi. I did many activities and did

debate on chapters and gave tests of every chapters. Now I am preparing for my exam. I am giving the tests of history and geography.

## ***GAMES***

My favourite games are football and basketball. I don't score many baskets. In football, I liked to become goalkeeper, but now I like to play forward. I played many games on sports day. I enjoyed playing fun games. On sports day I did 100m race and cycling. On sports day I presented unicycle. I like doing unicycle. I go regularly to play. I always do running and exercises before playing.

## *Computer*

I like my computer class. I do typing practice. my speed is 18wpm. I am improving in typing but I will have improve more. I have got a new computer. My computer teacher is Lalu bhaiya. I like to play typing games.

## *YOGA*

I did yoga with Aani didi. I did many asanas like chakrasan, suryasana, stretching, etc. When I am not able to do some asana, then I practice it. I did yoga on sports day.

## *Tabla*

I like my music class. I have improved in tabla but I will have to improve further. My tabla teacher is Lalu bhaiya.

## *Shramdan*

I used to do shramdan from six thirty to seven thirty. Now I don't do shramdan. I do Maths class instead. I only do gardening. I transfer cow dung from cow shed to garden. I like to do gardening.
