

Shamika Muduli

DOB-13-Jul-08

Report for 2022-23 (first term)

Introduction

My name is Shamika Muduli. My age is 14 and I am in class 10th. I am studying in Auro-Mira Vidya Mandir. Now I am studying well and scoring good marks in the tests. Nowadays, I don't get sad very often. I am very frank with my teachers and outsiders. My favourite hobby is

painting. I find painting very interesting, and I want to be an artist.

English

At present, I am doing class 10th book in English. I have completed the 1st book and am writing the test for two chapters. I am able to secure good mark in tests. Sometimes, when I am not able to understand something, I ask Didi. Most of the time, I am not able to do and

understand the grammar. Sometimes, I make lots of spelling mistakes, but I am trying not to make mistakes. I have made a lot of improvement in English, but I will try to do even better. English is a very good and nice subject. I will try my best and work harder in English.

Hindi

I have finished the two books of 10th class of Hindi. I am able to understand the chapters well, but my spellings are often wrong. Poonam didi had come from Delhi and she taught us how to concentrate. She

also made us do many activities. Now, I am revising the chapter-wise question-answers

for the tests. I am not so bad in Hindi. In the tests, I obtain good marks. When didi told us to write “*prasang vyakhya*”, I was able to do well. Whatever, I don’t understand, I ask didi. I have to do more hard work in Hindi, and I have to improve my spellings.

Social Scienc

In Social Science, I am doing class 10th book. I am doing well in this subject now. I am able to understand the chapters. I have completed the Geography portion and I’m now doing History. I did well in Geography – I was able to understand well and secured good marks in the tests. History is my best subject in Social Science, but I am not able to remember the dates in History. I love to read mythology in Social Science. I will try to do even better in Social Science.

Computers

In the Computer class, I am doing ‘Typing Master’ but my fingers are not yet set. I love to do painting on computer. I also do report writing. Sometimes, I am not able to understand what to do, then I ask Bhaiya.

Painting

In 10th class, I have taken painting. I have covered some chapters and I am able to understand well but I am not able to understand some meanings. It is a very nice and interesting subject for me. Now in painting, I have started doing my practical. In August, I participated in a painting competition - I stood 3rd and won a prize. Painting is my favourite subject and I love to do painting.

Music

In music, I love to play the flute but I am not able to play some raagas. If I am not able to play the notes then I ask Didi. Most of the time, I like to play songs on the flute. Once, a famous singer came from Bengal with his wife and daughter and taught us a song which we sang. The singer's name was Shantanu da.

Dance

In the dance class, I am able to dance well. On 15th August, I performed a dance which was taught by Denis bhaiya, who came from Delhi. I liked whatever Bhaiya taught me. It was a very interesting class. Bhaiya made us do many activities of dance which I liked – like, many different types of steps that were new for me, what all should be kept in mind while doing dance etc. He taught us dance for 15th August and the name of the song was “Vande Mataram”. It was a very nice dance and I loved it. I love to dance.

Sports

In sports, I go to the field regularly and play every day. I love to play basketball. I play well and I dribble the ball and pass the ball when I am being guarded. So, I have to improve much in basketball and I am trying my best to do well. I also do

yoga and I love to do it. I am a little flexible in yoga.

Celebration

I did a dance on the day of *Rath yatra*. I did the play "Ouch!" on 5th of July, in which I had taken up the role of the doctor. On 15th August, I participated in art, essay, speech and quiz competitions. I enjoyed doing all these activities. I stood third in art and speech competition and won prizes. I also did a play on "Sri Aurobindo's life after returning from England". I also did dance on 15th August. I tied *rakhi* on *Raksha*

Bandhan. I made *Ganesh's* mouse with clay for Ganesh pooja and I enjoyed making it. I also did dance on Ganesh pooja which I learnt by

myself. On Teachers' day, I performed a dance and made teachers do some activities.

Shramdaan

In shramdaan, I always listen to Didi, and I love to do shramdaan as it helps me in my daily life. In shramdaan, I do lots of activities and all are interesting for me, as through these I learn many things.

Home Science (In the words of teacher)

Shamika is very interested in learning Home Science. She asks questions and meanings of the difficult words when she doesn't understand. During the class, she concentrates well. She has improved her handwriting. She tried to do her best in the tests and she obtained good mark. She is enjoying making the project file. She has a good understanding but

making the project file. She has a good understanding but

sometimes she gets confused. She is very interested in learning this subject. She has completed the syllabus and did questions and answers. Most of the questions and answers were difficult for her and she took help.
