

Brishti is an innocent child. She does everything cheerfully. When she doesn't understand how to do, she expresses her problems without any hesitation.

After completing her work happily she waits and rests till she is given the next activity.

Brishti types fast and is also considerably accurate. She has completed 4th Chapter and plays typing games.

## ENGLISH LANGUAGE

– Brishti is quite sharp and is quick to pick grammar and point out minor mistakes in any spoken or written English that she encounters.

She has a sound sense of spelling and can read with little help from the teachers.

She is moving on to writing bigger passages in English and working on how to correctly express herself, in speech and written word.

## PROJECTS AND ACTIVITIES

With Brishti, she also studied about the Coral reef. Both of them depicted the coral reefs beautifully. They explained everyone how they are formed, how they get nutrients and how the biggest coral reef can be seen from the moon

He is a sincere student. He performed his work peacefully and calmly.

## MATH

She is a little lazy in doing Math. She is also having some difficulties.

She finds too difficult to understand the Paragraph. She needs guidance to understand sentences

## HINDI LANGUAGE

She is an average student. She talks moderately i.e., neither too much nor too less.

She talks when it's needed. She does all her work in right time. She has a difficulty in writing fast. Her writing is good but she doesn't

put the upper bar-line of the word in Hindi. Sometimes she causes trouble when she is asked to write a story.

## ODIA LANGUAGE

Brishti is ever cheerful and a smart learner in the Odia. She can try to read loudly and write well. She knows all alphabets and five/six matras.

## SPORTS

Bristi likes to play in the team. She plays all the games nicely. Her body is flexible and she doesn't have any problem while playing. Bristi is strong and has good stamina. She does all types of postures easily. She plays basketball very well; she can dribble, pass, guard and shoot better now.
