

# JAGRITI JANI

Age: 5 years

Jagriti is a smart and intelligent child. She focusses well, and has a good grasp.

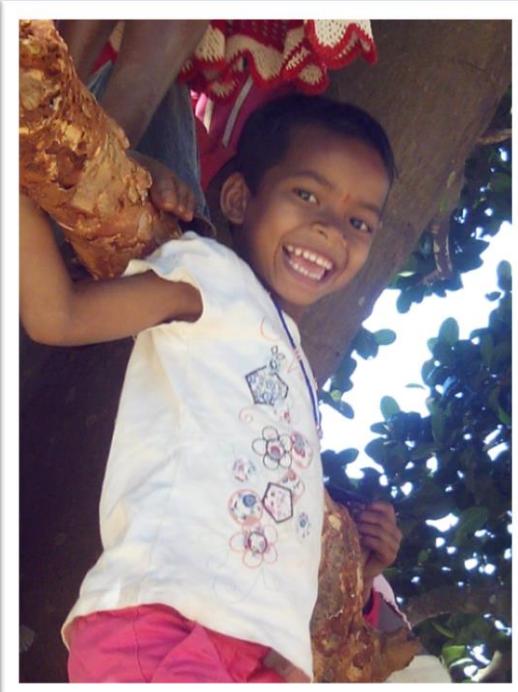

She is regular to school. She stays in hostel with her two older sibling sisters.

Jagriti mixes with everyone in the group, most other girls want to be with her. According to her Chetna is my best friend.

She chants clearly, sitting in correct posture. If she feels she has not chanted properly or as a group everyone has not done properly, she has no qualms in repeating the activity suitably.

She likes to do the chant brahmarpanam bhrahma havir and among prayers stuti aradhana upar jaati hai.

Jagriti has a good memory, she retains whatever new songs, rhymes, chants are taught.

Age: 5 years

Jagriti likes the Dahlia Flower, as it is a big flower. She relishes eating mangoes and apples and she loves lemon juice, and lemon leaves smell.

She likes singing and dancing, enjoys doing action songs.

At times, Jagriti gets hung up on certain things. Once she starts crying, she doesn't stop for a long time.

## ENGLISH

Jagriti has picked up English speaking well. She speaks full sentences.

She enthusiastically participates in all activities, games in the English class. Her understanding is good.

# JAGRITI JANI

Age: 5 years

Jagriti is a fast learner, she picks up new songs and new words with ease. She has good English pronunciation. She helps her classmates with English sentences when they struggle with the correct words.

She tends to get stubborn at times and will refuse to follow the teacher's instructions. She assumes leadership roles in a group setting.

Jagriti seeks attention, in fact at times while didi is spending time or playing with some other children, she feels left out and immediately comes and joins by giving a hug.

She likes to talk to everyone. She is an exuberant and imaginative story teller. She tells long stories using good English.
