

**Radhika Krisani**

**DOB- 18-May-10**

## **Report for 2022-23 (first term)**

### ***Introduction***

My name is Radhika Krisani and I am a 12 years old girl. My school is Auro-Mira Vidya Mandir. I have good relationship with my teachers. I like the subjects Social Science and Science. I like this place because it is surrounded by reservoirs, hills, and trees. I will be appearing for my 10<sup>th</sup> class exams in 2025.

### ***Social Science***

In Social Science, I am doing the 10<sup>th</sup> class book of NIOS. I like Social Science very much. I feel that it is very easy for me. I could do all the questions very easily. I have finished 2<sup>nd</sup> book of NIOS, and all the chapters were easy for me. In Civics, I liked the chapters “Fundamental rights” and “Panchayati raj” system. It was

interesting to study Civics, and I secured good marks in all the chapters. In Geography, I have finished all the chapters and

they were easy for me; so, I could obtain good marks in all the chapters. I liked the chapters “Climate”, “Agriculture in India” and “Population our greatest resource”. In all the exercises, I could do all the answers. Now I have started History of 10<sup>th</sup> book of NIOS. I have done ‘Ancient World’ in which I learnt about the ancient people how they used to stay and migrate from place to place and their agriculture. Now I

am doing “Medieval world”. I always concentrate in the class. I love the Social Studies class very much.

## **Hindi**

In Hindi, I have finished the 10<sup>th</sup> book of NIOS, and I am revising for the 10<sup>th</sup> board exam, which I will appear in 2025. In Hindi also, all the chapters are easy for me. I am solving the papers given in the Hindi book. My handwriting is good and my spellings are also good. I have done grammar with Krishna didi and now I am studying with Poonam didi. We do free reading in

Hindi class.

### **English**

In English I am doing the class 10<sup>th</sup> book of NIOS. I have completed the 1<sup>st</sup> book of English and I am studying the 2<sup>nd</sup> book. In English class, we have done grammar by learning notice writing, letter writing and message writing. I like message writing and letter writing. We have done a play on Sri Aurobindo's political life in which I took the role of Mrinalini Devi, and everyone liked our play. We have also done some poem writing and essay writing. My spellings are good in English, and my understanding is also good. In the test of the first book, I received good marks. I like to speak in English, and I like to attend the English class very much.

### **Odia**

In Odia class, we are doing the 4<sup>th</sup> book. We do dictation and learn songs. Sometimes the teacher tells us stories and makes us laugh. I like to hear the stories. I can't read Odia properly yet, but I can understand. I like to learn Odia very much so that I can speak properly.

### *Science*

In Science, I am doing the class 10<sup>th</sup> book of NIOS. I have completed the Chemistry syllabus, and Biology is half done. My Physics syllabus is going to be completed too. I like to learn Biology more than Chemistry and Physics. I like to study Biology with Meeta didi and I like to take notes of Biology and Chemistry. I have done some practical with Raghu bhaiya. In Science, sometimes I secure good marks and sometimes I get less marks.

In Chemistry, I like to do all the chapters and I liked the chapters "Acid,

base and salt”, and “Atomic structure, periodic table of elements”. I found the chapter “Carbon and its compounds” a little difficult because I couldn’t understand some parts of it. We have done many experiments of every chapter. I like to take notes in Chemistry. When I get any homework, I always do it. I like to study Chemistry.

In Biology, I have studied life processes, nutrition, transportation, respiration and exertion and control and coordination with Meeta didi. It was interesting to learn Biology, and I could learn many things about the human body. When Didi is explaining something, I concentrate well in the class. I like to do the experiments of Biology.

In Physics, i have done some chapters and I have given the test for one chapter. We do many experiments, and I liked the chapter “Light energy”. I like to do the Physics class and I secure good marks in the tests.

### **Mathematics**

In Maths, I am doing the 7<sup>th</sup> class book of R.S. Agarwal, and I am going to complete the book soon. “Construction” is the only

chapter left. I have finished the other chapters – the chapter “Properties of parallel lines” was very difficult for me, and I am not confident in this chapter. In the tests, I normally obtain good marks but sometimes I get poor marks also. In Maths, I like to do the exercises, but I don't like to do the proving part of the question. I liked the menstruation chapter the most. Sometimes I get scolded by Bhaiya if I am not able to do a simple question. I love Maths and I am trying my best to be good at it.

## *Computers*

In Computers, I like to do my typing, but my typing is not so fast. I have to improve a lot in typing. I like to do painting on computer, and we also do Excel, Notepad, etc. I always come early to the computer class because I like to do my computer class.

## Music

In music, I play the flute and I like playing it very much. I play many raagas on flute, like raag Bilawal, raag Durga, raag Hansdhwani, etc. I also play many songs like *"Ek chhota beej"*, *"Aasman ke chhat par"* and other songs. When Didi teaches me, I am not able to learn very fast but I like to learn music.

## Dance

I like to do dance very much, and I

have learnt many steps. I am able to catch the steps that Didi teaches me, but sometimes I get confused with the steps. I love to do classical dances like Bharatanatyam and Kathak.

### *Yoga*

Every morning, I go to do yoga. I do many *asanas* and *pranayama*. I like to do *suryanamaskar* very much. By doing yoga, my body has become flexible.

### *Sports*

I like to play sports and I play many games like basketball, football, volleyball, frisbee etc. I also play

minor games. Before games, I always do my exercises and running. I like to play basketball because my shooting is very good, and I can do many fakes. In basketball, I also take nice rebounds but I have to improve my dribbling speed. I like to play games every day, even if it is raining.

### ***Shramdaan***

Every morning at 6:30 AM, I do my

*shramdaan*. In *shramdaan*, I do toilet cleaning, school cleaning, hostel cleaning and kitchen work. I like to do toilet cleaning and kitchen work the most. I don't like to do gardening because bhaiya makes us do a lot of work. I do my

*shramdaan* regularly.

### ***Celebrations***

In my school, I celebrate many festivals. On 7<sup>th</sup> May, I gave a speech on Rabindranath Tagore. On 5<sup>th</sup> July, I did a play title "Ouch!" and on 15<sup>th</sup> of August, I did a play on Sri Aurobindo. In this play, I took the role of Mrinalini Devi which I did very well. Before 15<sup>th</sup> August, we did some activates like essay writing, speech, poem writing, and quiz. I received prizes as I stood first in quiz and in speech. On 5<sup>th</sup> September (Teachers' Day), I did many activities. We made the teachers dance and we made them sing songs.

### *Trip to South India*

I went for a trip to South India for 15 days and I enjoyed it very much. I visited many places like -  
 Simhachalam,                      Madurai,

Rameshwaram, Kanyakumari and Pondicherry.

I liked the visit to Pondicherry the most. We went to Sri Aurobindo's Samadhi and visited the playground and sports ground. We meditated for 1 hour in the playground. We went to the temple of Ganesh and there we had *prasad*. We also went to the Mother's and Sri Aurobindo's Museum. There I saw the teeth of Sri Aurobindo and his hair and the desk where he wrote *Arya*. I also saw the things that the Mother had used. There were many beautiful things, and they were beautifully arranged. I also went to Auroville and we had our lunch in the solar kitchen. The food was very tasty. We went to the

Ashram garden where the plants were grown perfectly. I liked the garden

very much. I liked this trip because there were many places to visit.

In Madurai, I saw the Meenakshi temple. There I saw many statues of Goddess Parvati and they were very beautifully carved. I liked this place the most.

In Kanyakumari, we stayed at the Vivekananda Kendra. We also went to see Vivekananda rock. There we saw Vivekanand's statue and Parvati's feet. We also went to see the place where the Arabian sea, Indian ocean and Bay of Bengal meet. We enjoyed it very much.

In Rameshwaram, we went to the Rama temple in which there were many pillars and we saw the statue of Hanuman. We saw the stone bridge which Rama had built for

crossing to Lanka. I liked Rameshwaram also very much.

In Simhachalam, we went up to the temple by climbing more than 1000 staircases. The view from there was very beautiful.
