

ASPIRATION GROUP

Report for 2024-25 (First Term)

Introduction and Academics

The Aspiration group consists of 6 students. Bhakti, Pramila, Shamika, Shampa Amita and Urvashi. They are currently in their 12th Class. Bhakti, Shamika and Shampa will be completing their 12th in May'25, while Pramila will be completing in November'25 and Amita and Urvashi will be completing in May'26.

Volunteering

In addition to their academic pursuits, they volunteer for classes with younger groups, dedicating 2-5 hours per day. They exhibit remarkable patience and dedication in providing proper guidance to the children. Their friendly demeanour fosters an enjoyable and positive learning environment.

Games and Sports

All students harbour a passion for sports and engage in daily physical activities. They participate in various sports such as football, basketball, and volleyball, alongside indulging in activities like swimming, boating, kayaking, rappelling, trekking, and rock-climbing, based on the season.

Yogasana

Commencing their day with Yogasana sessions from 6 am to 6:45 am, the group demonstrates a commendable level of discipline and conscientiousness in their routine.

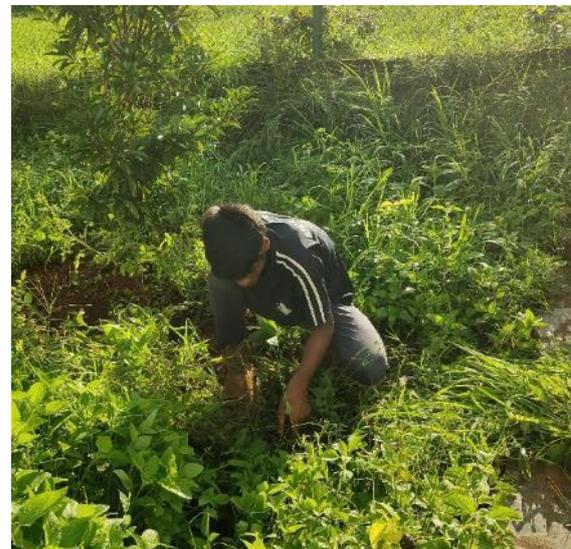

Shramdaan (Work Offering)

Following their Yogasana sessions, the group engages in shramdaan activities from 6:45 am to 7:30 am. They are organised into groups along with other children, undertaking tasks such as kitchen work, hostel cleaning, school cleaning, toilet maintenance, and gardening. Displaying a sincere dedication, they serve as exemplary role models and mentors for the younger students.

Celebrations and Festivals

During school events and festivals, several girls actively participate in the programmes while also assisting in preparing the younger students for their performances. Others contribute by

assisting the younger ones in choreographing dances, organising plays and songs, and decorating the venue as needed.
