

Harekrishna is very inquisitive and he always likes to ask questions. He comes up with new ideas in the class. He puts in good effort for every subject.

## ENGLISH LANGUAGE

Harekrishna – Harekrishna has now become quite confident in his reading. He is learning to distinguish between sounds of vowels and consonants that enable him to be more accurate in his spellings. He speaks with some ease but his sense of writing needs work. His reading and pronunciation is much clearer now..

## PROJECTS AND ACTIVITIES

He did the topic of Gall Bladder and Circulatory System. He told everyone about how a shark can smell from far distance. He was

self-confident and told everything to the younger children easily in easy words.

## MATH

He is good in English and in Maths also. He has picked up well. He is in the 3rd place only next to Bhagwan and Kumari. He is going to complete Book IV.

## HINDI LANGUAGE

He is good in Hindi. Sometimes he takes break while reading. When he reads continuously, he pauses after two sentences. Sometimes he has to break a sentence into two parts and takes time to understand.

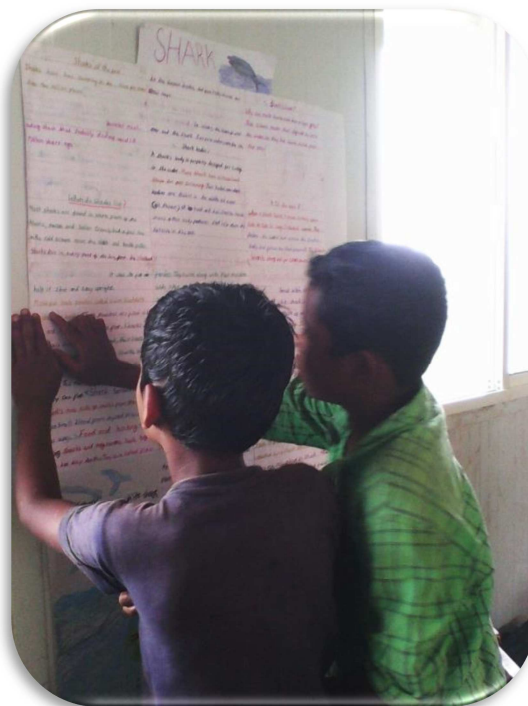

## ODIA LANGUAGE

Harekrishna loves to learn Odia. His understanding is good. He is eager to write in the copy. In the time of dictation his performance is very good.

Aug-Sept onwards he has become proactive and started to answer orally as well as in writing..

Sometimes he forgets Odia class timings. For this reason he has not progressed much in this term.

## COMPUTERS

Harekrishna has improved a lot in typing speed and accuracy. He likes to compete with his seniors' scores in typing games.

## SPORTS

Harekrishna is a good player; he plays all the games nicely. He has good team spirit. He likes to play football and basketball very much. He does all the Physical Exercise nicely. He is very strong and has good stamina. His skills in basketball have improved well. He has difficulties in doing some of the yogasana postures.
