

SURENDRA KAMAR

Age: 5.5 years

Surendra is by far the naughtiest boy in the group. He is friendly with everyone in the group. But he likes to team up and play with all boys - Khagendra, Vikas, Vikram, Prabhat, Jagdish, Kapil or Ratnesh.

Surendra stays in the hostel and is regular to school. He washes his own clothes.

He chants properly and sings nicely if he is in the mood, else he chooses to idle. He likes the chant - Sarva Mangal Mangalye and bhajan - Jai Ganesh, Main Ram Naam Gun Gaao.

Surendra has good understanding but he is regularly distracted.

ENGLISH

Surendra is an energetic boy. He prefers to play outdoors instead of staying in the group room. Though he understands, he speaks only some words of English. He is strongly encouraged to speak English. He needs to focus during study time. It helps to remove Surendra aside to talk to him when he refuses to cooperate.

Age: 5.5 years

HINDI

Surendra participated in the alphabet related drawing activity. Rarely did he need support in identifying words starting with a particular alphabet.

Though he does not enjoy drawing and tries to finish the activity quickly but his vocabulary really improved with this activity. He was also quick to pick up reading two alphabet words.

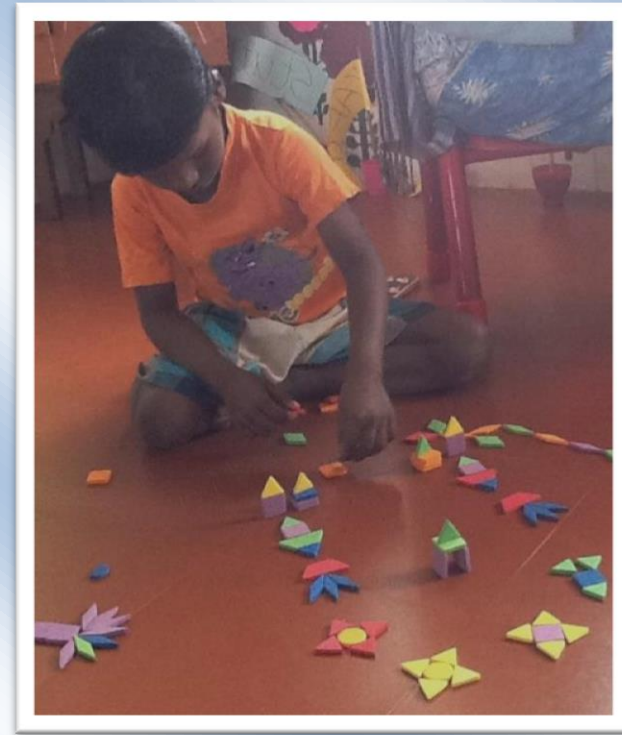

MATHEMATICS

He thinks he knows everything and is better than everyone else in his group. At times, when asked the question, he will respond hurriedly, if his answer goes wrong and some other child says the correct answer, he immediately says "I have gone wrong, because I didn't think, you ask me again, then we will see who responds first".

Age: 5.5 years

Sometimes if he is corrected, he says didi you scold me, I keep seeing here and there. Or else you beat me.”

When the teacher responds, no I'll not beat you, I know you know the answer, you can do very well, “not 2, you ask me 4 questions” he responds.

SURENDRA KAMAR

Age: 5.5 years

He always tries to solve the questions himself, if anyone prompts him, he gets angry.

He counts up to 100 nonstop. But in his hurriedness he sometimes misses numbers after 50. Same happens for backward counting also.

SKILL

DEVELOPMENT

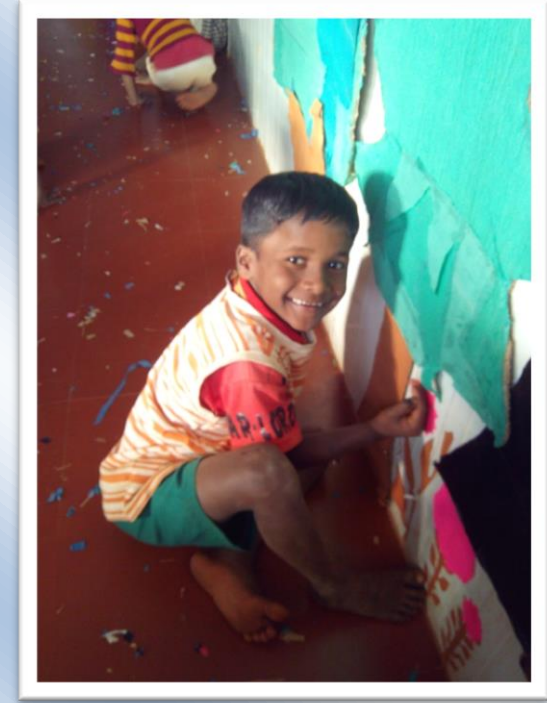

Clay modeling, paper folding, cutting / pasting are activities that completely engross Surendra.

He likes to draw and colour but mostly he finishes his drawings in hurriedly.

SURENDRA KAMAR

Age: 5.5 years

Surenndra loves going to the blocks and puzzles room. He is usually found making tall towers, balancing blocks.

Age: 5.5 years

PHYSICAL DEVELOPMENT

Surendra likes outdoor games, activities. Gardening, watering the plants, plucking grass he adores.

Prefers more outdoor games, likes dribbling basket ball

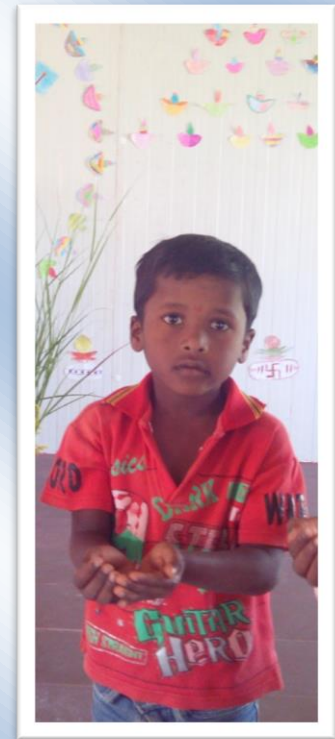

He doesn't like exercising instead likes running.

In indoor games likes to play with bow and arrow.

He's not scared of rappelling and wants to do swimming.

Surendra is smart; he is urged to be more focused to do well in all aspects.
