English

Surya has improved her English. She can now read with a flow and understands the concept while reading. She has to improve her writing. She can spell the difficult words correctly. She enjoys grammar and remembers the antonyms and synonyms, collective nouns, one word substitute, similes, etc. Her pronunciation still needs to be refined. This year Surya read a few storybooks e.g. The adventure of Henry Rabbit, The magic dream, Chocolate factory, The witch and twins, Story of granny, Stories from many country, Maria, The Giraffe, Poly and me, Stories from Japan, The daughter of moon, The golden deer, Tales of India, Stories of China, George's marvelous medicine, Tiger stories of the great big outdoors.

Odia

Surya writes very nicely. Her reading is average. She only likes to write. She has confusion over use of matras with any letter. Surya writes very neatly in her notebook. She likes to copy write. She can read without any mistake.

Hindi

Surya is good in Hindi. She is fully attentive during Hindi class. This year she has learnt Letter writing in Hindi, adjectives, synonyms, suffix and prefix, building joining words. Now she is doing Bhashadrishti book-5 for comprehension. She has remembered all the synonyms properly with meanings. Her understanding and receiving capacity is good. Whenever she finds difficulties she tries her best to solve it.

Social Science

She gets engaged in the SST class and studies hard to understand and remember the concepts. Now she is doing SST book 6. Sometimes she competes with the other strong children of the class. When she gets the highest marks in the test, she becomes very happy. She has a good memory as she remembers the short questions well and now has learnt to write long questions through practice. Before October she did projects on Maps and Globes, Education, Electoral process (political science).

Education

Surya was active, alert and was able to do all types of activities during the topic. Through this topic she learnt the meaning of education, advantages of education, ancient, medieval and Modern education. She also read about the educational views and teachings of Sri Aurobindo, Rabindranath Tagore, Mahatma Gandhi and Swami Vivekanand. It was good to listen to her recorded voice in the powerpoint presentation. Her recorded voice was very clear and loud. She liked making the script of Satyakama. And she played the character of "Lord of Fire" in the play.

Science

She is focused in science class. She worked hard in studying and doing work given to her. Her understanding in concepts is well. She is able to write the question answer nicely. Whenever any work is given to her she completes it happily. Her work is neat and clean. In botany she knew about the meaning of venation, pollination, abiotic and biotic. She enjoyed changes around us, separation of mixtures, pollution and atom and molecules lesson. She made drawing about Digestive system, Heart, Kidney and Leaf nicely. She studied about type of motion, effect of force and pollution.

Math

Though Surya is not very intelligent still she gets success due to her hard work. She keeps on trying a sum until she gets it done, otherwise she keeps on asking. In the class she does well but in the tests she gets nervous and gets only 50%-60% marks. Now she is doing book 7. She was having problem in Exponents, rational numbers and some word problems of integers and linear equation. But anyway she managed because she is a persevering girl.

Computer

Surya is cheerful and good. She is curious and asks whenever in doubt. She enjoys typing stories in MS word. She has improved her typing skills. She was good in theory and did questions and answers in her book. She enjoyed learning LOGO.

Sports

Physical Exercise

I like to do physical exercises, but I like yogasana very much. Doing yoga keeps our body healthy and strong. I enjoy doing but sometimes I feel lazy so I don't do. I run a lot to build my stamina. I do cycling, sit-ups, pushups, and other exercises. I can do 10 pushups. I have to do hanging exercise to become tall.

Different Games

I play different games like football, basketball, volleyball, minor games, dodgeball, and also swimming. First I was not playing football properly because no one used to pass the ball to me. Now I play football very nicely and children pass the ball to me and I enjoy it. I like to play basketball and I went for the tournament also. I play all the games. I have improved my stamina in swimming. First I was very scared of crossing the nala, but now I can cross. I can do diving, cycling, and handstand. I enjoy swimming.

Sports

I did pyramids and gymnastics on sports day. I have improved in pyramids and gymnastics. I couldn't pick anyone, but now I can pick up. I jumped very much this time. We did gymnastics on the basketball court. I was scared to do gymnastics and pyramids on the ground but with practice I managed. I went for the basketball tournament.

Martial Art

I enjoyed doing martial art. The teacher was very good. I was having a lot of fun learning martial art. I was shy to shout the first time. In martial art we have to shout. We learnt some tricks to defend ourself and to protect our body, and also learnt self-defence. We performed with music, I liked it very much.

Dance, Art & music

Surya dances rhythmically. She learns the steps attentively and always comes forward to dance on different occasions. On Ganesh chaturthi she danced on a Ganesha song, On Pranjal Bhaiya's birthday she danced on a patriotic song. She also performance Bhangra dance on New Year.

Now in art class she does free hand drawings. Sometimes she copies pictures from books and sometimes from her imagination. Mostly she does nature related drawings such as plants, mountains, rivers, animals and birds. She likes to shade them and also uses color pencils and sketch pens.

In music she is learning flute. She is sincere and interested in the class. She is practicing properly but still needs to practice more to get the proper sounds. In the month of March she went to Delhi for a music camp and has got more learning and inspiration in the area of music.

Trip of Coastal Odisha

Trip to Bhubaneswar was a great time for her. She enjoyed each and every moment in the trip. Her heart filled with joy when she saw colourful fishes in the aquarium. She visited places like Barbati stadium, Barbati fort, Jawaharlal Nehru sports museum, Naraj Bridge and Nubaniya Museum, Natural history museum, Planetarium, Khandagiri and Udayagiri (Jain cave), Dhoulagiri (the Buddha Temple), Lingaraj temple (Lord Shiva) and Nandankanan. Amongst all, her favourite places were the sea beach on Chandrabhaga and the Nubaniya Kendra in Cuttack.

She was fascinated by the fishes in the aquarium and deer in the deer park.
