

TANISH PANGI

Date of birth- 26th Nov -19

Annual report for 2023-24 (Second term)

Introduction:

Tanish is a bright and energetic boy who initially struggled with nervousness and tears on his first day at school. However, upon seeing the toys, he quickly became engrossed and now eagerly attends school. He endeavours to attend regularly and is making efforts to communicate. Tanish particularly enjoys playing with blocks and maintains a neat appearance.

Circle Time:

During circle time, Tanish sits quietly and attentively. He makes an effort to chant the chants clearly and has learned several, including "Asotama Satgamaya," "Om Anandamayee," and "Shri Vakratunda Mahakaya." Additionally, he has learned various songs such as "Stutiya Aaradhana," "Hathi Aaya Jhumke,"

"Machli Jal Ki Rani," "Dhobi Aaya," "Nache Re Mor," "Nach Meri Mor," and "Uperpankha Chalta Hai."

Activities:

In activities, Tanish enjoys playing with blocks and trains. He willingly shares his toys with others and remains focused on his tasks, although he may occasionally get distracted by friends. He engages in activities such as scribbling and finger painting with enthusiasm.

English:

During English class, Tanish listens attentively to stories and identifies objects in the pictures. He expresses interest in pictures of animals, houses, plants, and flowers. Tanish repeats words after the teacher and is actively learning new vocabulary, including words like "sun," "flower," and "tree."

Maths:

In maths class, Tanish is learning to count from one to ten. He enjoys playing with objects and arranging them in a circle, demonstrating a developing understanding of counting concepts with the guidance of the teacher.

Programs:

Tanish enjoys singing songs and recently performed "O Sweet Mother" on the Mother's Birthday, although he remains shy on stage. He takes pleasure in watching dances, dramas, and songs during programs and enthusiastically applauds the performances.
