ANITA MUDULI

DATE OF BIRTH – 30th – May - 08

ANNUAL REPORT FOR 2023-24 (Second Term)

ANNUAL ATTENDANCE - 359 Days Out of 366 Days

I am Anita Muduli. I have completed my tenth grade and I am now preparing myself to pursue further studies. At 15 years old, I have developed a passion for reading books, with my favourite subject being science. I particularly enjoy biology.

SOCIAL SCIENCE: Studying social science is something I enjoy. I recently took the social science exam and scored 45%. I made sure to attempt all the questions, and I found the paper relatively easy, allowing me to solve all the questions.

MATHS: The maths exam was a bit challenging for me, and although I tried my best to answer all the questions, I scored 56%. Some questions proved difficult for me to solve.

SCIENCE: In the science exam, I performed well and scored 77%. The paper was straightforward for me, and I was able to successfully answer all the questions.

ENGLISH: English is a subject I am fond of, and I scored 62% in the exam. I attempted all the questions, and the paper was manageable for me.

HINDI: I enjoy studying Hindi, and I scored 81% in the exam. I successfully attempted all the questions, finding the paper easy to handle.

GAMES

In games, I actively participate in various activities. Prior to engaging in any game, I ensure to warm up properly, perform exercises, and do some running to prevent injuries. I belong to Group Helium, and every day, we engage in different games such as basketball, football, volleyball, minor, and frisbee. I thoroughly enjoy playing games, and I always arrive at the field punctually. I eagerly participate in all the games.

During the sports event, I participated in the corner-Olympics. I gave my best performance, and I am pleased with my efforts. At the end of the program, we were rewarded with mementos and a group photo, which was a memorable memento for me.

TRIP TO NORTHEAST

In 2023, I embarked on an enriching study tour to the northeast region. Our

journey commenced on the 29th of October. We began our trip from Kechla and headed towards Paliba. From there, we boarded a train to Koraput, followed by another train to Titlagarh. We stayed overnight in Titlagarh and proceeded to Kolkata the next morning. Our accommodation in Kolkata was at Maharashtra Niwas.

During our time in Kolkata, we visited a zoo where we encountered a diverse range of animals, including snakes, crocodiles, lions, tigers, and various bird species. After exploring the zoo, we enjoyed a delicious lunch before continuing our journey to Guwahati. In Guwahati, we stayed in a dharmshala for two nights and visited attractions such as museums, the Kamakhya Temple, and the zoo.

Following our stay in Guwahati, we travelled to Tezpur, where we spent a night and explored landmarks like Agnigarh, Ganesh Ghati, and Shiva Temple. From Tezpur, we ventured into Arunachal Pradesh, where we stayed in the picturesque village of Rupa.

Our next destination was Tawang, where we spent two nights and visited Bumla, a site where we witnessed the Indian and Chinese soldiers and heard stories of valour.

We also visited the war memorial, which left a profound impact on us as we paid homage to the soldiers who sacrificed their lives for their country. Before leaving Tawang, we visited the Sela Pass and enjoyed playing in the snow. Our journey continued to Bomdila, where we visited a monastery and a botanical garden showcasing a variety of flowers.

After Bomdila, we returned to Rupa and explored the Kiwi Garden before departing for Kaziranga. At Kaziranga, we embarked on a jeep ride through the national park, where we encountered various wildlife species. Our next stop was Meghalaya, where we visited attractions such as Elephant Falls, Mawsami Cave, and Seven Sister Falls.

From Meghalaya, we journeyed to New Jalpaiguri and then to Sikkim, where we explored places like the Flower Garden, Ganesh Temple, and Ban Jhakri Waterfalls. We also visited Nathula and the Baba Harbhajan Singh Mandir, learning about their historical significance.

In Namchi, we marvelled at the second largest statue of Lord Buddha and visited Char Dham, which showcased monumental structures representing the four dhams in India. Our journey concluded with visits to Howrah, Kolkata, where we explored attractions like Science City, Victoria Memorial, and the birthplace of Sri Aurobindo.

After a fulfilling and memorable journey, we returned home aboard the Sambaleswari, cherishing the experiences and memories we had gathered along the way.
