

# Ani Khosla

Ani joined the school late but she is a regular in coming to school. She doesn't talk too much to the Diyas but gives a smile when she meets them. She is friendly with all the children in the group and talks to them freely. She is very helpful to Diyas and her friends. Generally in group decoration she always helps Diyas.

## **Circle time**

Ani sits properly in the group. She also changes the flowers of the Mother. At 8:30 am, she starts chanting in the group. She sings songs and does actions very nicely in the group. She is a fast learner as she quickly catches the new songs taught in the group. She shows graceful movements when recorded music is played.

## **Cleanliness**

Ani brushes her teeth in the school independently. She always wears clean clothes and keeps herself clean.

## **Food habits**

Ani always respects food. She takes as much she wants to eat and if she needs more she goes for a second serve. While eating she doesn't drop food on the floor and doesn't even waste food.

## **Language**

Ani is able to understand Hindi. She follows the instructions given by Diyas. Though she is not very fluent in Hindi, still she speaks to her friends in Hindi and mixes some village words while talking. Her listening skill is good as she listens to the stories with full concentration and responds when anything is asked related to the story.

## **Skill development**

Ani is active in doing all the activities in the group. Her colouring skill is good and she also has a good sense of colour. She likes to draw the pictures of flowers, trees and patterns with line and colours them beautifully. She enjoys clay modelling very much making things with clay stamps. Using the clay stamps, she has made birds, apple and truck. In the blocks room, she enjoys playing with blocks. Sometimes she makes different pattern and designs with the blocks and sometimes she likes to make houses and transports.

## • Games

Ani is a playful child. She likes to play with her friends. She loves running with her friend Sheila. She also likes to play in the sandpit and to slide and jump. She likes making castles with her friends with the sand but she doesn't take interest in fun games.
