

# Sheela Naik

Date of Birth- August 3, 2016

Report for 2022-23

Sheela is a neat and clean child who is a little irregular in coming to school. She occasionally helps in group cleaning. She is properly toilet trained. She always finishes her food and eats all the vegetables served to her. During chanting time, she chants the mantras nicely but at times she finds it difficult to remember some of them.

## GAMES

Sheela is a quiet girl and likes to play all the games. She doesn't fight with anybody or complain about them. Most of the time she is absent in the games period. She does not have a good stamina and her ability and speed of thinking and actions is a little slow. Most of the time she cannot understand the games being played and keeps standing. It could be because she does not pay attention.

### *LANGUAGE (Hindi)*

Sheela is an innocent child who never disturbs other children. She has learnt some songs and bhajans. She tries to chat with her friends. She loves to listen to stories so she sits very quietly without bothering anyone in her class. If didi asks her any questions related to the story, she is not able to give the answers. Sometimes she cannot understand the language but for her language development, she has started taking part in some short plays which are sometimes shown in the assembly. She needs to improve her pronunciation. Her voice is very soft.

## *MATHEMATICS*

Sheela sits silently in the group. She has learnt forward counting from 1 to 100 and backward counting till twenty. She can recognise the colours. She has a good memory. During activity time, she answers but sometimes withdraws into her own world.

## ***LANGUAGE (English)***

She likes to sing English poems and enjoys doing them with actions. She takes some time to memorise the poems and finds some words difficult to pronounce. Her voice is very soft. During storytelling time, she usually sits quietly, listens to the stories keenly and tries to understand the words being spoken from the pictures of animals, birds, fruits, and flowers. She can understand the stories when didi narrates them with actions. She participated in the play “The Enormous Turnip” which was performed in the assembly. She enjoyed acting her part and performed well.

## ***CO-CURRICULAR ACTIVITY***

Sheela is fond of drawing and draws the pictures with a lot of concentration. She also colours her pictures neatly. She is fond of drawing pictures of Nature like the mountains, trees, flowers, birds, sun, etc. She made collage and paper quilling with her friends. Her fine motor skills are developed to quite a large extent. She

enjoys listening to music and is fond of dancing. Her body movements are quite graceful.

### ***CELEBRATIONS***

Sheela likes to dance. Her voice is soft. She feels shy to speak the dialogues.
