

# Sakshi Pukia

DOB-19-May-2013

Attendance-177 days out of 182 days

Report for 2024-25 (Second term)

## Introduction

Sakshi is a friendly girl. She likes to talk and spend time with a few of her close friends, especially Gaurav and Sanat who are her best friends. She is also an obedient child and respects the teachers and the elders. She is a healthy girl. She stays in the hostel and maintains a good hygiene. Her hobby is to draw pictures and paint them and also play with her friends especially hide and seek. She is working hard to improve her drawing and painting skills by engaging herself in these activities during her free times. She also pays more attention during art classes and tries to grasp the most from the teachers as she herself wants to be an art teacher when she grows up. She loves studying Hindi the most.

## Mathematics

Sakshi is a very good student and is currently working on class 4 maths book. She is about to complete the book. She finds division a little difficult, especially when dealing with large numbers, as she struggles to divide them correctly and sometimes writes the wrong multiplication. Sometimes, when solving word problems, she does not understand the question and asks the teachers for help.

## Science

Sakshi's favourite subject is science. She likes it because she gets to do many activities and experiments. She is shy about speaking in class but has a very sharp mind. She is able to remember many new words with no difficulty. She likes to write, but she needs to focus on her spelling errors while writing. She is able to express the answers to questions in her notebook very well but needs to work on her grammar and sentence structure. She has finished the 5<sup>th</sup> grade book and has started the 6<sup>th</sup> book of *Living Science*. She likes doing activities and experiments more than theories. She understands the concepts of the chapters better through science activities and experiments.

## Social Science

Sakshi liked studying about the early humans as she finds it very interesting to learn about how they lived by hunting, fishing, farming, etc. She usually scores good marks in the test. She understands the concepts and tries answering the questions in her own words and ordinarily writes the correct answers. She helped in making the chart of the early humans where she made a drawing of a potter making pots on a wheel. She also learnt how the people made pots with the help of the fire and about the origin of fire and how it helped them. She liked studying these chapters as she enjoys studying about the past. She asks her doubts, but generally comprehends the questions by herself. She enjoyed doing the debate on the benefits of living in a town and in a village.

## Hindi

Sakshi loves to do the question answers from the textbooks. She has finished the 3<sup>rd</sup> Gunjan book and gave chapter wise tests. She worked very hard while doing the questions from the textbook and has started the 4<sup>th</sup> Gunjan book. She always understands the chapters and then starts doing the question answers. She regularly gets her notebook checked. She is doing the 3<sup>rd</sup> grammar book. She also gives tests after each chapter. She finds it easy to give test if she has the notes of the chapters. She loves to read books. She did a short play on the Mother on 21<sup>st</sup> Feb. She had the role of a narrator.

### English

Sakshi is learning English and improving her skills every day. She can read and write well, but her handwriting needs improvements. She also works on grammar

exercises and has just completed her third grammar book, now moving on to the fourth. In her textbook, she is currently working on the third book and enjoys it a lot. Sakshi loves reading English storybooks including Cinderella, Snow White, and Sleeping Beauty. She also participated in free reading and group reading to improve her reading skills. Whenever she comes across difficult words, she looks them up in the dictionary to understand their meanings.

### Odia

Please refer to the group report.

### Computer

Please refer to the group report.

### Dance

Sakshi is interested in doing dance class with Suparna didi because she likes to do classical

dance. She is little distracted in the class. For Christmas she learnt a dance. For sports day she did dasha avatar. She found dahsa avatar very interesting and she took it like a study so she liked doing dasha avatar with her dance teachers and Mani didi. Now she is doing a dance in the song 'bund bund milke bane leher or leher'.

### Arts

Sakshi is dedicated to her work and approaches it with great excitement. she was very happy and eager to learn how to make warm and cool colour drawings and got confident about warm and cool colours, creating visually appealing artwork. Additionally, she has crafted stars and balls, demonstrating her

creativity in craftwork. She paid full attention and also participated in all the activities she was taught. Sakshi is very good at paper folding and has a keen interest in doing it.

### Puzzles

Sakshi likes to solve puzzles. She is able to fix puzzles of 50-100 pieces all by herself. She prefers solving puzzles alone, but she does it in a group too. She loves fixing puzzles of Frozen the most.

## Games

In games time I play different types of games like basketball, Minor games, Fun games, and football. My favourite games are fun games because I play a variety of games like rani kabaddi, Kho-Kho, chain game, etc. I love playing games, because it keeps my body healthy and fit. Before games I do running and exercise.

## Yogasana

Please refer to the group report.

## Shramdaan

Sakshi knows that doing shramdaan is very important as it teaches us basic life skills which everyone should know. Therefore, she gets engaged with shramdaan activities every morning and does each activity joyfully. She also likes to do shramdaan because she gets energy by doing them. She reaches on

time for the activities and starts doing the work allotted. Her favourite shramdaan is working in the kitchen. When she goes to the kitchen, she helps in taking out the dirty utensils for cleaning, fetches water for the filters from the handpump and in cutting vegetables for breakfast. She has learnt to cut vegetables quite well.

## Satsang

Sakshi tries to reach on time for satsang. She likes to chant the Sanskrit mantras and sing bhajans and other songs. She finds difficulty in pronouncing some of the words of the chants but she learns and corrects herself. She tries to sit erect while chanting but struggles to sit erect throughout the satsang. Her favourite chant is 'Gurur Brahma' and her favourite song is 'Hari Om tatsat' which she has learnt recently.

## Celebrations

Sakshi enjoys celebrating festivals a lot. She loves taking part in dramas and dances for performing on special occasions. Although she likes participating in the programmes with her group, she feels nervous and shy performing on the stage especially when she is in front or alone on the stage. Sakshi enjoyed celebrating Children's Day a lot. She participated in the picnic near the jungle and reservoir. She spent her time by walking in the forest with her friends

and going to a pond which was in the middle of the jungle. She enjoyed looking at the little fishes in the pond. She also liked dancing in the open with her friends. But more than all these activities, she enjoyed learning kayaking and swimming. She enjoyed performing a sargam with her group on 29<sup>th</sup> November. She performed it quite confidently as she had practised well and gave her best. On Christmas she

had great fun performing a dance on a carol with her friends. She performed a drama on The Mother's birth anniversary on 21<sup>st</sup> February. She narrated the drama and spoke quite well although she was nervous. Improvements can be seen in her drama and dancing skills. On Holi, Sakshi enjoyed a mud bath more than playing with colours. She also liked eating *chaat*, *pani puri*, *boulders* and chocolates. She also enjoyed drinking *lassi*. She shared all these with her elder brother- Rajesh.

**Sports Day-** Sakshi participated in the Saree Drill. She loved it a lot as she had done this for the first time. She practised a lot to make her Saree Drill look better. She loved making formations in the Saree Drill. She gets nervous on the stage, but she tried performing it very well.

### **Educational Trip to Odisha and Bihar**
