Rashmita Pukia

Sakshi comes to school regularly. All the time she stares at others. She does her colourings very nicely. She is a quiet girl. When didis ask her something, she stares and doesn't respond. She knows some domestic animals names in Tribal (desiya) language and some in English like cat, tiger, elephant, etc. She also knows names of colours like red, pink, blue and violet, etc. When she comes to school, she always smiles. She has become neat and clean for coming to school. She likes to dance and is also interested in doing exercises and other activities.
