

# **SWATI JANI**

**April 2018 – March 2019**

**Date of Birth: - 13<sup>th</sup> May 2005**

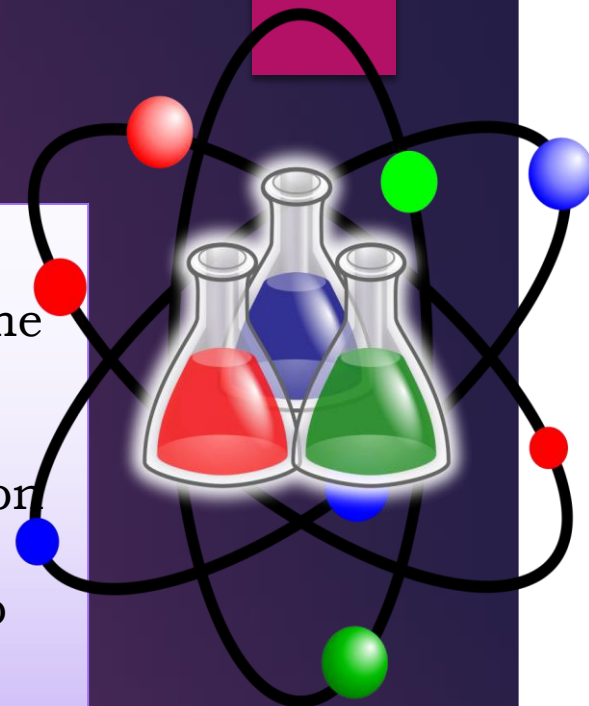

## **SCIENCE:-**

I like to study science but sometimes I get bored in some chapters and some chapters I find interesting.

I like to do experiments and I also like to do the question answers of the chapters.

I like to write notes in points which are easy for me to understand and memorise.

When Veerinder didi comes to teach Biology, she makes us draw and I enjoy it. I have improved a bit in physics, chemistry and biology.

## **HINDI:-**

In Hindi class I sometimes feel bored and sometimes interesting because when didi explains the chapters then they tell story of the chapters or include the story in it.

When we read some story in group then didi explains it very clearly and sometimes tells jokes so that we will are not bored.

I like to read horror and adventures stories. I don't like to write essays but I still have to.

## **ENGLISH:-**

I like to study English but I don't speak too much in English. I always talk in Hindi and with Pranjali bhaiya and Sangita di I talk in English.

When I talk in English with my friends then after sometime I forget and start talking in Hindi.

I love reading books. I read many adventurous stories and scary stories and stories of prince and princess and sometimes

I like to read comics.

With the group I have read Shakespeare stories like Merchant of Venice, Julius Caesar and Hamlet prince of Denmark. I have not improved my vocabulary because I don't talk much in English.

But I read books when I feel like it.

When I talk in English, then I use words which I remember from the book and know the meaning of. I have memorised many poems like Who, The tree, Krishna, Blue bird and some lines from Savitri.

I like to learn poems but I can't remember easily and in the middle I get confused. In writing I have improved but when I write very fast then I can't write properly. But when I am feeling lazy then I don't like to write and write very badly.

I like to write stories but I don't know how to make my own poem. I enjoy doing question answers of a story.

On many special days I like to do dramas and like to memorise my dialogue and also try to express myself properly but on stage I get nervous and forget some of the words and I speak very fast. In grammar I have improved my articles, direct to indirect speech and different types of nouns.

I have improved in making new sentences and can join two sentences to make a single sentence. In grammar I like to fill the blanks and write collective nouns.

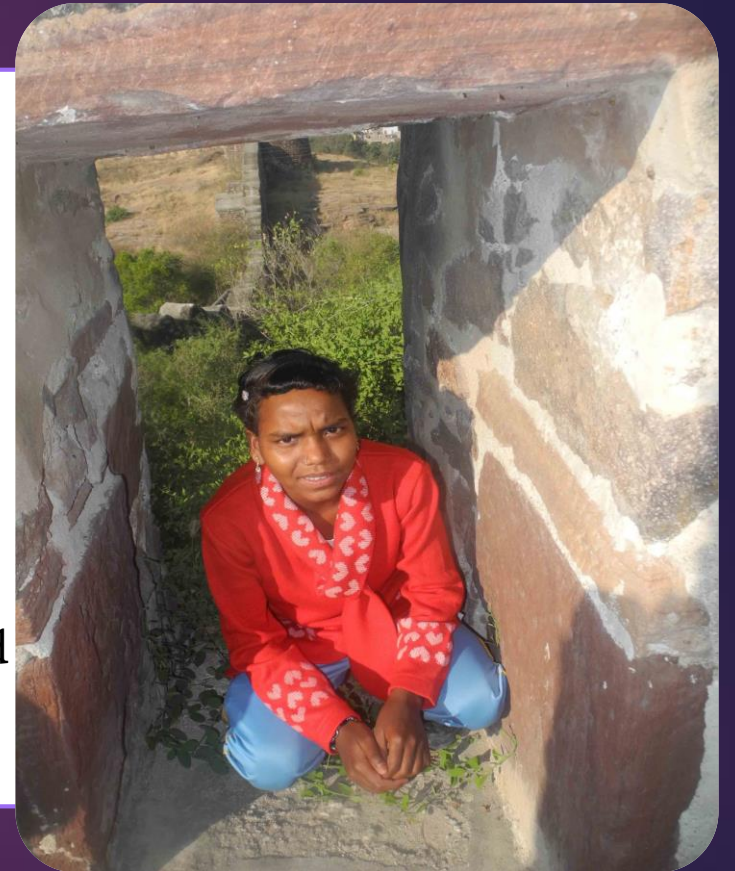

## **TRIP TO RAJASTHAN**

I liked Rajasthan because we saw many temples and many forts and many types of carvings which I had never seen before.

We went to Jaisalmer, Falna, Gulabpura, Jodhpur and Jaipur. We also went in the desert and rode on camels. I was feeling afraid at first and then it was great.

I liked the Jain Golden temple at Falna the most and also the show in the desert. I also learnt many things by seeing. I enjoyed very much.

## **PHYSICAL:-**

I like to play football and base kickball in games time. I also like basketball. In sports time I like to play but I don't like to do exercises.

We celebrate sports day every year in which we show our abilities and what new skills we have learnt. I did unicycle and gymnastics.

Early mornings we do yogasana, and my body is becoming flexible. I think didi is disturbing us by waking us but yogasana is good for our health. I can do garauda asana's. I know surya namaskar nicely.

## **EXERCISE**

In exercise I can do 50 sit-up's and I like to run but I get tired. I do many exercise. I like to do push-up, I can do 10 times.

## **FOOTBALL**

I like to play football because it is interesting. I like to defend. When I don't feel like playing football then I go to play basketball.

## **BASKETBALL**

In basketball I can take the ball when my opposite team is throwing it to their player. I like it because we run a lot and our stamina grows. I can do layups but while playing I can't.

And I dribble the ball fast but when someone comes in front to guard me, then I get afraid and pass the ball to my team.

## **DANCE**

I like the dances in which there is freestyle dancing. I get nervous on stage and forget the steps which are taught by the teacher.

In our annual functions sometimes I participate in dance and show to the audience.

## **MATH**

Maths is my favourite subject, I like it the most because the chapters are easy for me. In tests I try my best but sometimes I get good marks and sometimes less than fifty percent.

I started the 8<sup>th</sup> book in 2018 and finished it on 31<sup>st</sup> of March 2019.

## **SOCIAL SCIENCE:-**

I like social science very much but I can't remember the dates and the names of the early kings and some of the revolutions. But I still put my effort in remembering it.

I like to see History videos or documentaries and listen to the stories told by the teacher.

## **COMPUTER:-**

I like computer class but my typing speed is slow. In computer class Ganesh bhaiya teaches us how to make new things in excel like clock, pencil and presentations.

I feel bored writing the steps on which a new model is made.

But when the model is made I am so excited and happy making it.

## **MUSIC:-**

In music I play flute and keyboard. I like music because the sound of the instruments is very good. I like the sound of sitar the most.

We have a group of orchestra in which we play every week. I like to sing and play the instruments.

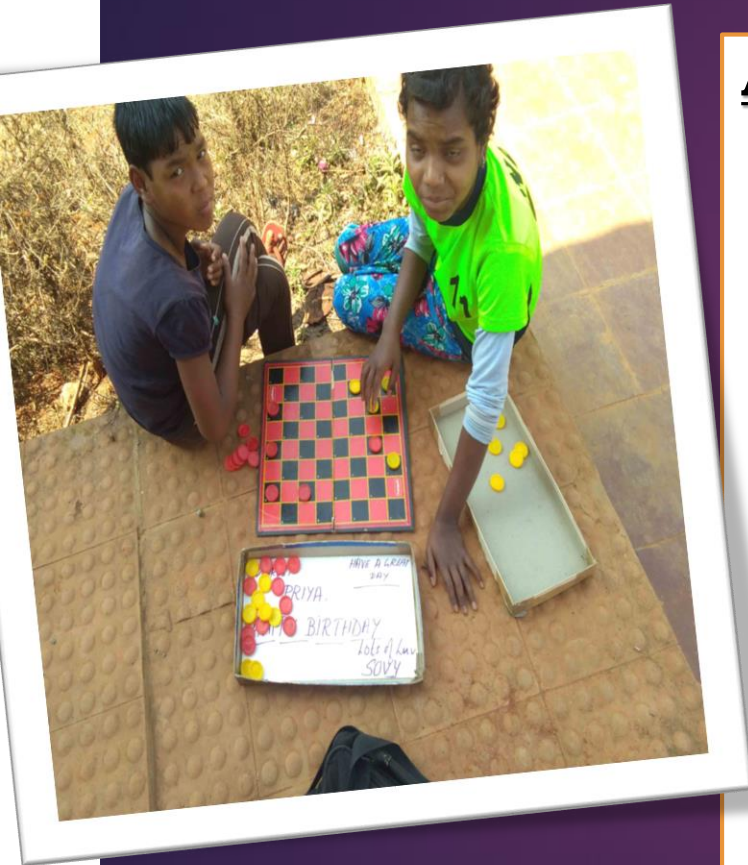

# **WRITTEN BY TEACHER'S**

## **Art, Music & Dance**

She says “I like creative art. I love to draw border designs. Sometimes I make picture of Gods and Goddesses”. She draws nice pictures with patience. On Ganesh Chaturthi she made a beautiful drawing of Ganesh ji.

Swati is very interested in flute as well as keyboard. Now she has started learning keyboard and stopped learning flute. In flute, sometimes she gets nervous to play alone. But in group she is comfortable.

In the month of September she attended a music workshop where she learnt the basics of keyboard. She participated in the orchestra. Now she is practising keyboard in her music class.

### **SOCIAL SCIENCE**

She has improved in question answering and her memorizing power is getting stronger.

She carefully and perfectly finish her work and she also ask her doubt and she is getting good marks. But she finds little difficult to memorize.

### **MATHEMATICS**

Her math is good. These days she is working hard.

### **SCIENCE**

In light topic she learnt the meanings of optical medium, luminous or non-luminous objects and shadows.

She put effort in understanding the formation of shadow, formation of image by lenses and mirrors. She takes interest in activities. Sometimes she doesn't pay attention. She drew a chart of mirror.

She wrote the uses of convex and concave mirrors.

During presentation of her topic- uses of mirrors- she got confused between convex and concave mirror.

## **ENGLISH**

Swati has a good handwriting. She can understand and do herself but she sometimes makes silly mistakes. She speaks in English in class.

She has learnt letter writing. Her spellings are fine. She had to read a story and tell the story in class without seeing the book. She was able narrate the story but made some mistakes.

She had to read a paragraph of Hindi Mahabharata and translate to English. She tried to translate the story.

The books she read-

- ☐ Folk tales from India
- ☐ The tower in ho-ho wood and other stories
- ☐ The magic brush
- ☐ The magic drum and other favourite stories
- ☐ Vikram and betal
- ☐ Nancy drew and the clue crew
- ☐ Tales and legends

## **HINDI**

Swati is focused in studies and never wastes her time in group. She is a good thinker she can think wisely and does her work on time.

She is curious about grammar and often comes to ask when in doubt. She does most of the things from the book by understanding by herself.

She has improved in writing and makes less mistakes. Her writing speed has increased.

## **ODIA**

Swati is good at learning Odia. She has decided to take Odia in class tenth.
