ANNUAL ATTENDANCE 276 Days Out of 366 Days

INTRODUCTION:

Mahim is almost six years old, with his birthday approaching in April. He delights in playing with his friends, often engaging in energetic games that involve running around. He demonstrates a commitment to attending school regularly and strives to exhibit good behaviour towards everyone. Mahim takes pride in maintaining cleanliness and tidiness, consistently presenting himself well at school. He particularly enjoys the nutritious meals provided, showing

an eagerness to consume all the vegetables and fruits without any wastage.

CIRCLE TIME: During Circle time, Mahim endeavours to sit properly with closed eyes, participating in chanting mantras softly. Even if he encounters difficulties, he attempts to recite after the teacher, showing commendable effort. Mahim exhibits a remarkable ability to chant mantras fluently, both in Hindi and English, and enjoys singing songs with enthusiasm and actions.

PROJECT: In his project work, Mahim has explored the topic of animals with great enthusiasm. He can confidently identify various animals and their sounds, engaging in art and craft activities related to the theme. His creativity shines through as he meticulously crafts representations of animals such as dogs, fish, and

butterflies. Mahim's excitement to learn about animals is evident in his eagerness to listen to their sounds and mimic them.

MATHS: In mathematics, Mahim demonstrates proficiency in counting up to 50, although he may encounter occasional challenges when dealing with certain items during math exercises. He

approaches math tasks with diligence, using a variety of objects such as stones, beads, leaves, and cubes to aid his learning. Engaging in activities like pattern-making and maths games, Mahim displays a keen interest in exploring mathematical concepts.

LANGUAGE: Mahim displays a keen interest in language class, actively listening to stories in both Hindi and English. He eagerly participates by repeating after the teachers and occasionally shares his own imaginative stories. His artistic inclination is evident as he enjoys illustrating the narratives he hears, demonstrating careful attention to detail. Additionally, Mahim is making progress in learning English words and can confidently express himself in simple sentences.

GAMES: Mahim approaches games with enthusiasm, engaging in exercises and running activities before participating. He demonstrates good sportsmanship, striving to behave appropriately with his peers during game time. His fondness for

the sandpit is evident as he enjoys various activities such as swinging, sliding, and building structures. Mahim's resilience is notable as he responds positively to encouragement from teachers, particularly in games like chain, where he enjoys taking on leadership roles.

CELEBRATIONS AND FESTIVALS:

On 25th December, Mahim participated in a song performance with his friends, showcasing his talent as he sang "I am a Little Star" with enthusiasm. His rendition was delightful, and he expressed excitement at the prospect of seeing Santa Claus.

On 26th January, he enjoyed watching a parade on television, engaging with the festivities of the occasion.

For Basant Panchami on 14th February, Mahim participated in another song performance, singing "Namo Sharda" joyfully. He relished the

programs and savoured the Prasad offered during the celebration.

On 21st February, Mahim took part in a play titled "Maata Ka Rishta," portraying the role of a child character. Despite feeling nervous, he delivered his lines with confidence and dedication, ensuring the success of his performance.

Lastly, on 25th March, during Holi, Mahim engaged in the traditional festivities, playing with natural colours and indulging in sweets, thoroughly enjoying the celebration.
