## Report for 2024-25 (Second term)

### Introduction

Kirti likes to remain quiet. She is very open only with a few of her friends who are Anamika, Srishti, Dutika, Lipsa and Manju. She enjoys spending time with them and shares sweets. She needs to open up with everyone especially the teachers during the classes. She is a healthy girl and maintains a good hygiene. Kirti's hobby is doing art work. She loves the colour pink a lot. She enjoys playing football. She wants to become a teacher when she grows up.

### Mathematics

This time, Kirti has shown significant improvement in maths. She listens attentively in class and is gradually building confidence to participate in group discussions.

After exploring decimals with her decimal kit, she grasped the concept. She could easily relate decimal places to whole number places, making sense of their values. Converting decimal numbers to fractions and vice versa became second nature to her. With confidence, she compared numbers using greater than, less than, and equal symbols. Not only that, but she could also arrange numbers in the correct order. Sometimes, she needs help understanding word problems involving division. She is able to perform all four operations, but she needs reminders to place the decimal point correctly.

Moreover, she is gradually developing her understanding of the concept of time and calendar. She confidently converts hours to minutes, minutes to seconds and days to hours. However, she finds addition and subtraction a bit challenging, especially when the problems involve carryover

and borrowing. When working with dates, she takes some time to determine the starting and finishing dates accurately. With practise, she is steadily improving her skills in these areas.

### **Science**

Kirti is a sharp girl. She is able to understand most of the concepts in science but sometimes needs extra explanations and attention. She likes to write and solve the question answers of the chapters very much. She used to make a lot of errors with the spelling of words but has improved a lot in her vocabulary and spelling. She is shy about asking her doubts. She is normally quiet in class due to her shyness but is always active and focused.

### **Social Science**

Kirti is a quiet girl. She asks questions very rarely. She does all the questions and answers neatly. She sits properly during the class. In the group discussions, she answers questions when asked. If her answers is correct, she feels very happy. She works hard to score good marks in the test. She loves drawing and colouring when she makes charts with her group. She is improving her vocabulary. She has started speaking in the class.

### **Hindi**

Kirti likes to do Hindi class and she also loves to do the question answers from the textbook. She is doing the 3<sup>rd</sup> Gunjan book. After doing question answers from each chapter, she gets her notebook checked. If she finds any questions difficult, then she always asks her teachers. She is also doing grammar. She loves to read fairy tales.

### **English**

Kirti enjoys studying English. She is unable to understand everything spoken or even when she reads books. She asks the teachers when she finds difficulty in understanding and refers to a dictionary while reading. She tries to talk in full sentences and corrects herself when corrected. She enjoys reading books and studying grammar

the most. She enjoyed reading 'Water babies' in the group and likes to read novels of Enid Blyton in her self-reading time and whenever she is free. Her fluency in reading needs improvement. She is doing the grammar book of class three. She has studied about nouns, adjectives and verbs. She has understood these components of grammar and tries to apply them in sentences while writing and speaking. She has improved her handwriting as well as the way of writing but needs further improvement. She is studying from the comprehension book of class three. She has covered the chapters- 'Alice in wonderland', 'A gift for granny' and 'Astronaut in space'. She takes less interest in studying the chapters and doing the question answers as she faces difficulty understanding and answering the questions. For this, she should form a habit of speaking in English and also reading. She should also ask the teacher whenever she has a doubt.

### **Dance**

In dance class she likes to do dance without getting disturbed. When didi teaches me the steps I practice it again and again. For Christmas I did a dance. For sports day I did dasha avatar taught by my dance teachers and Mani didi. I enjoy doing dance with the Didi's. Now she is doing a dance in the song 'bund bund milke bane leher or leher'.

## Arts

Kirti enjoys art class, especially doing craft and nature drawings rather than drawing human figures, as she finds them difficult to make nicely. She loves using warm and cool colours in her artwork. In one of her projects, she drew a sun and traced her hand, filling it with warm and cool colours. She felt very excited while tracing her hand on paper, it turned out quite beautiful. Kirti enjoys learning new techniques and improving her skills through practise and creativity.

### **Puzzles**

Kirti loves to fix the puzzles of different pictures. She can easily solve puzzles of about 200 pieces. She enjoys fixing puzzles with the picture of 'Snow-white' the most.

### **Games**

Kirti always tries to reach the field on time. On reaching the field, she takes rounds of the football ground to do her running and then does her exercises to warm her body and prepare it for games.

She plays various games on different days according to the week. She gets to play football, basketball, base-kickball, dodge ball and some minor games. She has fun playing all the games. She shows growth in her skills in the games and running but needs further improvement to build up stamina.

### **Yogasana**

**Please refer to the group report.**

### **Shramdaan**

Kirti is regular and is punctual for shramdaan. She indulges herself in various cleaning activities, gardening and kitchen work. She does all the work given to her sincerely. She enjoys doing school cleaning and gardening the most. She is less fond of toilet cleaning and kitchen work. She has

learnt the proper way of doing the work in each of the activities. Hence her work is satisfactory, and improvements can also be seen.

### **Satsang**

Kirti attends the satsang every evening. She likes to remain quiet, but sings when her group is told to sing. She has a soft voice, so even when she sings, she is hardly audible. She takes interest in learning new songs. She learns them attentively and tries to learn them quickly. Her favourite song is 'Pyari Bharat Maa'. She tries to sit erect throughout satsang but needs improvement in her sitting posture.

### **Celebrations**

Kirti likes to celebrate festivals and actively takes part in the programmes. She enjoyed participating in the picnic on the Children's Day. She liked doing kayaking the most, although she was feeling afraid initially as it was completely new for her. She performed a sargam on 29<sup>th</sup> November. She was less confident while performing as she had not learnt it properly. On Christmas she gave a dance performance with her friends. She performed it confidently and enjoyed a lot. On The Mother's birthday, she played the role of a narrator in a

Hindi play which was based on The Mother's childhood. She had three lines which she memorised

very well and spoke them confidently on the stage. She has improved a lot in her dance, drama and singing performances and has overcome her stage fright as well. On Holi, Kirti had more fun doing mud bath than playing with colours. She also enjoyed eating lollipops and boulders.

**Sports Day-** Kirti was very keen in learning Saree Drill. She loved it a lot. She also loved the song in the drill. She performed very in the Annual Sports Day and she was very excited to perform it. She was very happy in learning the Saree Drill.
