**Report for 2022-23**

My name is Amita Jani and I am a student of Auro-Mira Vidya Mandir in village Kechla, Odisha. I like to study in this beautiful place because it is so peaceful and quiet here.

**English**

We have already finished the first textbook of Class 10 syllabus of the National Institute of Open Schooling (NIOS). We are now revising for our tests.

Every day we give the tests of two chapters. I have improved a lot in English and scored well in these tests. Our teachers are Neela didi, Bikanti didi and Sangita didi. I like their teaching style. We have done letter writing, message writing, notice writing and paragraph writing. I am not so good at grammar but I can do Comprehension properly.

## *Hindi*

In Hindi, we have finished both the books which are in our syllabus for Class 10 of NIOS. Now we are revising for the test of the whole book. We have already taken the test of the first book. We revised the second book with Poonam didi. She taught us the grammar of the second book. Krishna didi also taught us some concepts in Hindi grammar like sandhi vichhed, sentence making, ek shabda ke anek shabda and samas. I have improved my score in Hindi tests.

## *Odia*

We have done the exercise book till Class 8 but for revision we are doing the book of Class 4. My teachers are Anuradha didi and Papaji (Ramesh bhai). Papaji tells us many stories which we enjoy a lot. Papaji also writes some songs himself and Anuradha didi gives music to them. They make us do many activities. We also do free reading. I like to do Odia class with them.

## *Social Science*

We are doing the book of Class 10 of NIOS. We have completed the Geography part of the 1<sup>st</sup> book and started the History part. We are currently doing the chapter on medieval world. Bhavna didi explains the chapter and Mani didi gives us the notes. Neela didi gives us the test of the chapter. I score quite well in the tests. I have improved a little in Social Science but a lot more needs to be done and I am constantly trying my best to do that. I enjoy doing Social Science with these didis.

## *Mathematics*

At present I am doing the book of Class 8 which is written by Mr. R S Agarwal. I have managed to complete many chapters in the last month. Some of the chapters that I have finished are Quadrilaterals, polygons, volume and area of solids and lines and angles. Now I am doing the chapter on data handling. I like doing Mathematics. My teacher is Ambika didi and she teaches very well. I like to do Maths with her. I find understanding the word problems very difficult.

## *Science*

In science, we have to complete all three- Chemistry, Biology and Physics. In Chemistry, we have finished the chapters on air and water,

chemical bonding, etc. and now we are doing the chapter on carbon and its compounds. In this chapter I have learnt how to take out the IUPAC names. Ambika didi teaches us Chemistry and I like her way of teaching because I can understand well. In Biology, we have done two chapters with Meeta didi. I like to do biology with her. In Physics, we have done chapters like thermal energy, types of energy, etc. Now we are doing the chapter on light energy. Our teacher is Srinath bhaiya.

### *Art*

In the art class, now we are making hanging things. Our teacher is Suparna didi. She teaches clay modelling, paintings and hanging things for the walls. I like the art class a lot.

### *Music*

I play the flute and I am learning Raag Bilawal on it. Our teachers are Mani didi and Bhavna didi. They teach us music nicely. The raags that we have learnt are raag sohini, raag bhavani, etc. I like playing flute alone in a silent place while enjoying the nature.

## *Computers*

In computers, we have done power point, excel, word, etc. Now we are doing typing. We also do painting on computer. My teacher is Lalu bhaiya and he is a good teacher. In the computer class we bring storybooks and copy stories.

## *Dance*

We do dance class once a week and I enjoy it a lot. My teachers are Suparna didi and Gauri didi. We also did Jazz dance and Street Jazz with Denis bhaiya. I loved learning dance from him. My aim is to become a dancer so I concentrate on dance a lot.

## *Games*

I like to play basketball the most though I play football also. In games, every day we play a different game. We do exercise and running regularly to improve our stamina.

## *Shramdan*

I do shramdan in the morning. We do hostel cleaning, gardening, school cleaning, etc. We have many groups and every day we do different kinds of shramdan. I like to do shramdan a lot.

## *Celebrations*

On 5<sup>th</sup> July we performed a play called “OUCH”. Everybody appreciated our play. In the evening, I did a dance with two of my friends. In the month of August, we did many activities like Quiz, Speech, Painting, Poem and Essay writing. On August 15, we did a play about Sri Aurobindo. I did not have any role so I took part in dance. We also did a dance on “Vande Mataram” which Denis Bhaiya had taught us. On Raksha Bandhan, we tied rakhis to our brothers. We also tied many rakhis to Denis bhaiya because nobody was tying Rakhi to him. On Ganesh Chaturthi, we did a dance that was taught to us by Bikanti didi and Chandrama didi. On Teachers’ day, we made the teachers do many activities such as solo dance, Antakshari, etc. On Krishna Janmashtami, we did a dance taught to us by Gauri didi. I enjoyed doing and celebrating all these activities very much.
