

Deepak Muduli

DOB-14-June-15

Report for 2022-23 (first term)

English

Deepak is a very intelligent boy, but he needs to improve his attention span. He is very restless during the class. During the narration of stories, when he is interested, he listens,

otherwise he just disturbs the child who is sitting next to him. He has a good understanding. On 5th July, he had the role of narrator. He remembers the

dialogues easily. In the 'Ganesh's wisdom' drama he did the role of Narad Muni. He took the character of Narad muni himself.

Math

Deepak is a very bright boy. He loves to do math. He enjoys doing all the activities that are done in the class. When he first started counting the numbers, he

started counting with the objects like pebbles, beads and used pens. At first, he only counted till twenty and after he got clear till here, he then started counting till hundred. Once he got good in forward counting till hundred, then he started counting

backwards. But he was a bit confused in saying the numbers just before twenty, thirty, forty, fifty, sixty, seventy, eighty and

ninety. But gradually he could say all the numbers in backward counting. He also did the skip counting of two, three, four, five and six. He was

very fluent in skipping the two's but rest he took some time to get the pattern. But he is very fond of skipping in fives as it is very easy for him. He recognized the numbers till ten by using pictures, songs and short stories which were related to the numbers. He was very interested in learning the numbers with the songs. After he recognized the digits, he also learned how to write them and it was easy for him. Sometimes he wrote the numbers a bit here and there, but he improved very soon.

Before learning how to write the numbers, he played with the objects like the jodo cubes, aakar parivar, and rangometry. By using these objects, he made some beautiful designs of flat, 2D and 3D, like house, building, animals etc. He sorted the objects according to their colours, shapes and sizes. He also did some pattern recognition. The didis made some patterns and he had to recognize and continue the pattern and make it on the board. He was really good in recognizing the patterns and putting them. He is very much interested in learning math. When the topic is interesting, he enjoys learning.

Projects

Colour topic

He is a fast learner. He is fully concentrated in the class. He enjoyed decorating his display board. He is able to name all the colours. He listened to the colour stories attentively. When asked questions, then he was able to recognise all the colours. He learned the colours song very quickly. He enjoyed making the drawing of

different objects of different colours. He did many activities in colour topic. He was taken to the garden to recognise the colours, listened to stories, he drew different objects of different colours. He did drama 'the two hens'. He had

taken the role of fat hen and did the drama properly. He also did many programs for the celebration on 15th August. He recited a song 'Sri Aurobindo name anando'. On 19th August he did a drama 'makhan chor', in which he was Krishna's friend. On 30th August, he did a dance 'parbati nandan'. He was happy to do the role he was given.

Family topic

He did the topic- my family. He made drawings of his family and was able to tell who all he had made in the drawing. His drawings were neat and clean.

Art

He is a good boy with a sharp mind, he learns things quite fast. He did all the activities and skill work with full concentration. He always does his work happily and enjoys doing it. He sits alone and does his work. In these six months he has improved a lot in his drawing, cutting and colouring. He does his work by himself when the instruction is given. When he is not able to do then also he tries to do it by himself. He did a few activities like- he made ladybird, snail, double boat, house, nuts and leaves. He liked doing it. He was interested in doing the ladybird and snail the most. He had no problem in paper folding. He did it very carefully and his folds were perfectly done.

Games

Deepak is a healthy and energetic boy. He likes to play all the games and is interested in playing new games. He likes to run and do exercises very

much. His speed, stamina and thinking power is very good. He understands all

the game very fast and plays nicely and happily. His best friend is Anshuman with whom he likes to play the most. He always likes to play 'the den and star' game first. Most of the time he is distracted, and runs here and there and talks a lot.
