

Raghav Deulia

DOB- 10-Mar-10

Report for 2022-23 (first term)

My name is Raghav and I am a student of Auro-Mira Vidya Mandir. I am 12 years old.

English

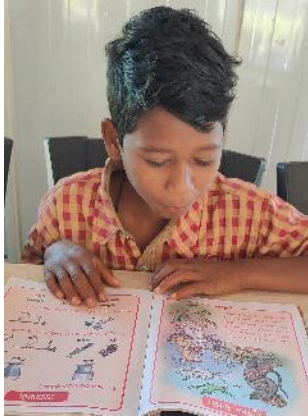

In the English class, I was doing the 4th class book for grammar - now it is complete, and I have started the class 5th book of Oxford Reading Circle. At present, we are doing chapter 8 after studying seven chapters. I can do the question-answers myself. When Didi teaches us, I listen to her. In reading comprehension, I am doing class 4 book. I can read well and I have read books like "The elephant's revenge", "Stage fight on a summer night" etc. But in dictation, I make spelling errors.

Hindi

In Hindi, I am doing the 5th class book and at present, I am giving the chapter-wise tests. After that, I will give a whole book test. I write Hindi neatly. In grammar I am doing the 5th class book. I am not able to understand the Hindi grammar much, but I am still able to do the question-answers. When Didi teaches me, I pay attention in the class. On 5th July, we did a play, called "God". In this play, I had taken the role of a *vidwan*. In the play, I was able to do the actions properly, but it was difficult for me to memorise my dialogues.

Odia

In Odia, we read books and we write down words from the book. I can read and write the words that we are given.

Mathematics

In Maths, I have started the 6th class book. I completed the 5th class book in July and gave a test of the whole book after coming back from the trip in September. When Didi or Bhaiya teaches, I pay attention. I can do question-answers for each chapter, but I can't solve some questions. When I don't understand any question, I go to my teacher to understand the question.

Science

In Science, I am doing the chapter on motion and time. For this chapter, I have to do the question-answers but don't know how to do it. Before this chapter, I had done the chapter on electricity and did experiments on electricity. I had made a home circuit, which means that when I build a house, I can make a circuit of a bulb and fan.

After that, I studied about circuits and battery and after that, I made an electromagnet.

Social Science

In Social Science, we are in class 7 now. We are now studying Geography and Civics on alternate days. In Geography, we have completed 12 chapters and now only 3 chapters are left. When Didi teaches us, I listen to her - I can understand her but not very much. When I do question-answers, I can't understand some questions. For some days, we went for a trip and there we saw ancient temples, statues of kings and their clothes and weapons. In Geography, I have just completed the chapter on Transport and Communication. In Civics, I have just started the chapter on State Government.

Computers

In computer class, I do "Typing Master 1". Sometimes, we do drawings and I like to do drawing on the computer. We have computer class every Monday.

Art

In art we do paper folding and drawing. When Didi teaches us, I listen to Didi.

Music

In music class, I learn the flute. When Didi teaches us, I listen to her and try to learn more every time. I like music.

Dance

In dance class, we learn many dances. While Didi teaches us, sometimes I don't listen to her. Whenever I dance, I try to dance properly. For the 15th August, we did the Dura dance.

Games

In games I like to play football and volleyball. When Didi asks us to do the exercises, then I listen to Didi and do them.

Shramdaan

In *shramdaan*, we do gardening. In gardening, I like to dig but I don't like to do gardening when it rains. In the garden, I like the flowers.

Trip to South India

First, we went to Simhachalam and we saw the Vishnu temple there. Then we went to Madurai, where we saw the Meenakshi temple, a thousand pillars and also a museum.

Then we went to Rameshwaram. In Rameshwaram, I saw a stone floating on the sea. Then we went to Pondicherry. We saw the Playground, Samadhi and we also saw how food is cooked there. Then we

went to see how they make bread. We stayed in Pondicherry for 6 days. In the Ganesh temple, we were given *prasad*. In Kanyakumari, we saw the Vivekananda Statue and we also saw Goddess Parvati's footprints on the stones. In the evening, we went to see the sunset and next morning, we went to see the sunrise. I fell sick but I enjoyed the trip and finally, we came back to Kechla.
