

Rahul Jani

Rahul comes to school everyday. He comes to school neat and clean. He likes to dress up like a girl and often puts bindi and hair clips. In circle time he sits nicely and chants. His voice is loud but some pronunciations are not clear. He enjoys all songs with action. In lunch he doesn't know how much he should eat, so sometimes he has indigestion.

Math activities:-

He is an intelligent boy. In math time he sits properly and does all activities. He likes to learn through songs and nature. In this year he learnt forward counting and backward counting, after and before number, between number and more or less till 20. He learnt through songs, collecting leaves, pebbles etc. He can arrange the objects in series. He can solve 12 to 15 pieces puzzles. He can match the pictures in sequence through puzzles. He learnt addition and subtraction through creative stories, objects and collecting pebbles. When didis ask questions on addition and subtraction, he can think and answer quickly without objects.

Language

Hindi:-

Rahul sits nicely and does all his group activities well. His pronunciation has developed. He can tell ten to fifteen line stories of his own. He likes to do activities through songs with actions. He always speaks in full sentence and very sweetly. He learnt Hindi words and sentence through language games. When didi tells stories, he sits nicely and listens to the story very attentively. When didi asks questions from the story, he can answer promptly. His understanding is good. He can retell the story after didi has told it.

without picture book.

English:

Rahul sits properly and quietly during class. He listens to stories attentively and answers the questions when asked. He is able to tell stories in English and can also create stories. He quickly learns and remembers songs that are taught. He could remember his dialogue in the play (rainbow) performed by his group on Pranjali bhaiya's birthday. He memorises his dialogues in no time. He did the role of beetle. He had no stage fright. He also participated in the Christmas song.

Skills work:-

He is very slow in all skill activities but he always tries to improve. He nicely fills colours in pictures. He can fold the paper nicely and can make some toys like aeroplane, house, boat, paper fan etc. He likes to paint. He also likes to do clay modelling.

Project:-

In project on “my family” he learnt the relationship with his family members in Hindi and English. He made his family tree by drawing and painting.

He used village terms. He spoke 7 to 8 lines about his family like-

I love my mummy very much.

My father works in the field and my mummy helps my papa.

My father is the head of our family.

My mother cooks food for us.

I have a younger brother. His name is Krishna.

Physical development:-

He likes to play with his friends together in the field. Sometimes he likes to play in the sandpit with kitchen set like digging sand, cooking, playing on slide, etc. He is strong, runs fast, climbs hills, jumps to some distance. He doesn't get tired.

Sportsday- On sportsday he did dumbbells nicely.

Celebrations:-

He likes to participate in plays. He has no stage fright. His voice is loud and clear on stage. He remembers the dialogues well. On

school's birthday he played the role of a seed very nicely. He likes to dress up for functions. He also likes to dance. He played the role of a bee in the play “nanha beejand performed in a dance on Independence Day and Janmashtami. On Ganesh puja and Saraswati puja he sang bhajans with his group mates “jay Ganesh deva”, “teri vinaki ban jaun tar”. On Diwali he made diyas by paper folding and helped to decorate the group. On Pranjali bhaiya's birthday he played the role of (rainbow) as a battle. On Christmas he did the action song with his friends (durakash me ektara). On Mother's birthday he sang a Sanskrit song and student's prayer.
