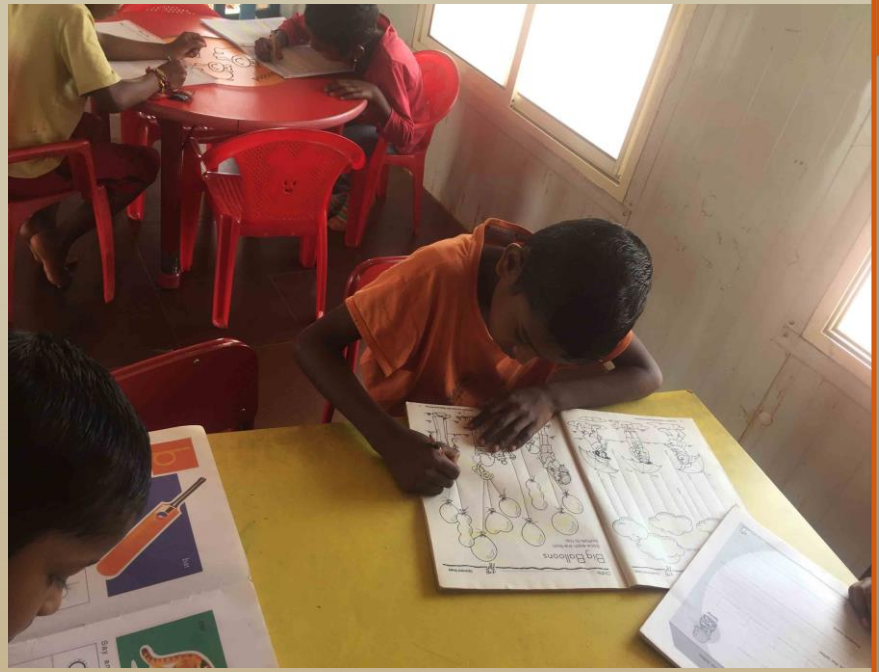
Ajay Krisani

Date of Birth- 15th December 2010

March 2018 – April 2019

Ajay Krisani



Child's individuality:

He is a child with a very sharp mind.
He is very active physically.
He comes to school regularly.
He is good in every subject. He listens carefully to teacher in the group.
Since he is physically very active that's why most of the time, he disturbs and fights with his friends.
He doesn't like to share with his friends.
He does his work properly as per given responsibility.
He catches very fast whatever he is taught in the group.
He learns with concentration.

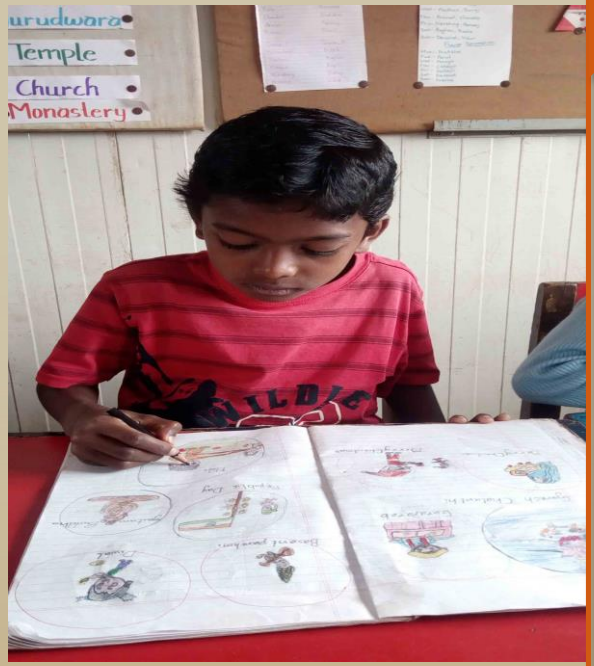
Chanting: In chanting time he sits properly. His pronunciation is very good. H**e** knows many chanting. He is able to chant alone with confidence.

Singing: He likes to sing both Hindi songs & English rhymes. He knows many songs & rhymes. Sometimes he sings alone with confidence. His pronunciation is very good in both Hindi & English. He doesn't find it difficult to remember long songs along with the actions.

Dance: He is not good in dance. Many time he put extra energy in the dance that's why he does wrong steps in the dance program.

Play: He remembers his dialogues very easily, even the longer ones. He is comfortable with Hindi & English lines in the play. He enjoys the play & speaks out his dialogues with confidence & smile.

Ajay Krisani



Project:

While discussing and studying different topics, he sits properly & listens carefully whatever didi teaches in the project class.
He tries to understand & remember the facts and information related to topic. He always asks question to didi about the topic.
He is the one child who was the most interested in **early man** topic. He was surprised to see their way of living and clothes they wear.
He made the charts of invention of wheel and loved to play with the toy transports. He made a beautiful bullock cart using recycled materials. He was able to think how a cycle would work and shared the process in the group. He was also able to remember the parts of a cycle.

Ajay Krisani

Ajay was taking so much interest in the **Insect** topic and he had so much of curiosity to know about the insects.
He was curious in finding out about the insects.
He observed each insect carefully.
He learnt different body parts of insect.
He also
learnt some songs and rhymes about insects.
He also learnt how the insects work, help farme rs and our environment. He understands & remembers how insects help in the cultivation.
While studying the insect topic, he did not hurt Any insects.

In **India** topic, he learnt the names of different states And their capitals. He knew the name of neighbouring countries of India, rivers, dances and languages of India. He picked up the new words with ease. While playing quiz games of India, he replied quickly. He also studied about the festivals celebrated India by different religion, states and the nation and reasons behind it.

In **solar system**, he was eager to know the names of planets. He knew basic facts and information about the planets and remember ed well. He was expressing confidently whatever he knew about the planets.

He was taking interest to sing a song on planets.

In **Human body** topic, he studied about the internal as well as external parts of our body. He also tried to understand the functions and parts of different systems of our body.

He learnt many new words in this topic. In **animal topic**, he got to know about the classification of animals based on eating habit as well as their habitat, reproduction. He enjoyed a lot making story and use of puppets in storytelling. He can Distinguish the scavenger, omnivorous, carnivorous, aquatic, terrestrial animals etc.

In **celebration** topic, Ajay learnt a song of Bhagat Singh and performed it in the assembly hall. He also did a play of Byumasur on Janmastami and he acted as narrator. He remembers his dialog and also those of all the other children. On Rakshabandhan he was happy to tie Rakhi on older child's wrist. On the Ganesh Chaturthi, he did the role of villager in play. He acted nicely. On Christmas, he learnt a song and participated in a play called "The Baby Wake Up the Sun" and acted as own *(what did the teacher mean?)*. On Mother's birthday, he acted as a narrator in "True education", and told his dialogues with confidence.

Story telling: In the story time he sits properly & listens carefully to the story. He likes both Hindi & English stories and he likes animals & demon stories. Some time he makes stories with his own imagination.

Ajay Krisani

Skill work: He is physically very active child that's why he is good in physical work, like gardening, diggin g soil for plantation & clay modeling etc. He can do with concentration whatever task didi's give.

Some time he wants to do all works alone, that time he does not want to share with his friends. He is good in drawing & painting. He is good in origami. He likes to do clay modeling also. In the

clay modeling he made some boats, Shivaling and mobile etc. In the group cleaning time he cleans tables & chairs happily.

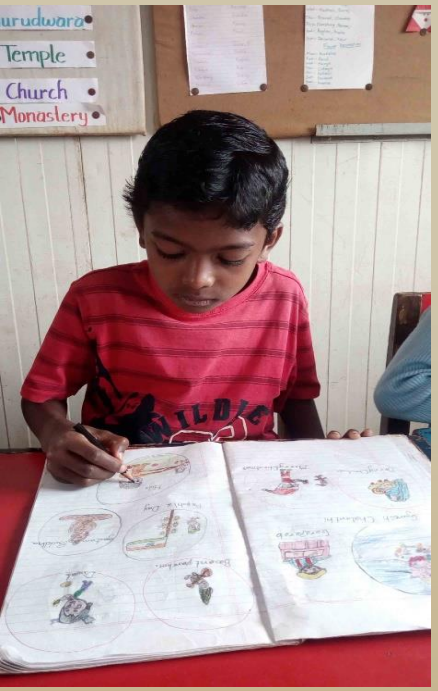
Ajay Krisani

Math: Ajay takes interest to do math with book 2, but his concentration power needs to be improved. In this year, he has learnt number writing till thousand with using abacus number names up to 1000, and spellings of 12 months and 7 days. He also completed the addition, subtraction and multiplication of two and three digit with carrying and borrowing.

On concept of measurement he has learnt different units used in volume, capacity and mass. He is also familiar with slanting line, curved line, horizontal and vertical line. He is also clear in identifying as well as converting rupees in to paisa. Ajay is aware about the time, he can tell the time seeing clock. He has memorized the table till 10. He has also learnt the Roman numeral till thousand but is not clear about it.

Ajay Krisani

Games and Sports: He is an energetic child. He loves to play both the indoor and outdoor games. He enjoyed playing, football, dodge ball, duck and bone, standing kho etc. He always wants to win the games and puts all his energy and mind into it. He is good in catching, throwing, kicking ball. On Sports Day, he learnt aerobic and participated in physical demonstration. He tried his best to perform well.



English: Ajay is very expressive and he likes to communicate in English. Now he can speak with only a few grammatical errors. He takes some time to read fluently. Special attention helped him to overcome the silly mistakes. Sometimes he is over confident and guesses the words while reading.
He can break a word and write the spellings correctly. He writes in good handwriting and his work is neat.
Ajay loves singing.
He also remembers them quickly. He loves to enact a play. Sometimes he leads over a group and can put up a play for the other children in the group. He remembers his dialogues easily and is fearless.
Ajay is very good at storytelling and can illustrate it beautifully. He likes to play “Hangman” and participates in all the activities eagerly.

Hindi: He is a very bright boy and his understanding of Hindi is good. He can read it well. He comes for checking his notebook his handwriting is neat. But his concentration power is little low but still he tries to concentrate in the class.
