

## ANNUAL REPORT FOR 2020-21

### Swati Jani

Date of Birth- 13/5/2005

#### Introduction

My name is Swati Jani. I have completed class 10th in March'21. Before my exam, I was revising only one subject (science) because in June'20 I had cleared the other subjects. I did not attempt Science at that time. We had been given passing marks, without appearing for the exams, because of Covid, and our result also came. I had got-

- 64% in math
- 53% in social science
- 54% in Hindi
- 54% in English

I was studying math with Srinath bhaiya, social science with Gauri didi and Bhavna didi, hindi with Vidyottma didi and English with Sangita didi.

On 4<sup>th</sup> March 2021, I appeared for my science exam and I secured 75% in it.

And now I am preparing for my 12th class exam and I have enrolled in NIOS with six subjects, that is one extra subject so that I can select from these.

The subjects are-

- English
- Home science
- Data entry
- Painting
- History
- Hindi

## Academics

### ➤ English-

*I have not started studying English. Now I am only reading books to improve my language because my spellings are not so good. I like to read stories of mystery and adventure. I have read many stories like-  
The case of the fabulous fake  
The case of the horrified heir  
The case of the fugitive nurse*

*The case of the crooked candle  
2 stories of Thea Stilton and many of Germino Stilton  
A Winter's night and other stories  
Naga folktales.*

### ➤ Home Science-

*I have started writing the notes of home science. I am doing it by myself because right now I have not got a teacher to teach me. Sometimes I take the help of elder didi's who have done home*

*science in 12th. I am enjoying studying home science. It is interesting and easy because I have studied science and it is related to the home.*

➤ **Data entry-**

*I have started studying data entry I am finding it very easy. I am enjoying it very much, because we do theory and practical both and it's so easy to do practical. I have completed 6 chapters-*

- Basics of computers
- Operating system
- Basics of word processing
- Formatting document
- Mail merge
- Basics of spreadsheet

*I have given tests from three chapters and I did very well in those three chapters but didi did not give me marks, so I don't know.*

➤ **Painting-**

*I have not started painting but I sometimes draw so as to improve. I am not so good at art but I like to draw, so I have opted for painting. I like to draw pictures of nature.*

➤ **History-**

*I have started studying history with Annapoorni didi by online classes. I have completed module 1 from book 1 (Ancient India), in which there are 8 chapters*

- Understanding Indian history
- The geographical setting and pre-historical culture of India

- The Harappan civilization
- The Vedic age (1500BC-600BC)
- From Janapadas to empire
- Post Mauryan developments
- The Guptas and their successors (A.D.300-750)

- India between AD 750-1200

*Now I have started the next module (medieval India) and am doing the 9<sup>th</sup> chapter- establishment and expansion of the Delhi sultanate. Didi gives us questions and we write the answers and read to didi.*

## Sports Day

On sport day we had different corners like-

- running 200 metres
- High jump
- running
- Triple jump 100 metres
- Long jump
- Baton relay.
- I also played football match and basketball match.

At the end, we had tug of war and we enjoyed it very much. Our sport day was celebrated over two days, and we enjoyed it very much. Every year we were doing gymnastics, pyramid, circus or something or the other, but this time we only played and enjoyed the games.

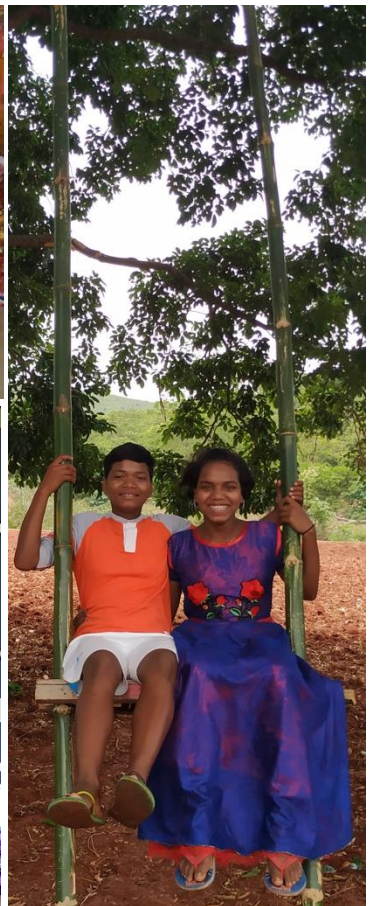

### Games

*I was playing only football every day. But now our timetable has changed. So I play every game like basketball, volleyball, minor games and Frisbee. I like to play basketball, football and volleyball very much. I am now in B group and am not enjoying in that group. I miss being in A group. Now I have started playing basketball with older children, who come to play after the younger ones have gone. So, I get to play twice. Every day at 5 O'clock in the morning, I go for running with my friend, Pinki. We come back at 6 am and go for yogasana.*

### Festivals

*Holi- On Holi we had different corners of games. I was making the children play. Our corner was the game that would determine the hearing power and almost all the children passed in our game. There were many different corners where the other teachers were making the children play. The teacher of our game was Jagat bhaiya and we were there to help him to play different instrument.*

*of our game was Jagat bhaiya and we were there to help him to play different instrument.*

### Shramdan

*We have 5 groups- A,B,C,D,E and I am in group C. I do Shramdan with other children. Every group does different Shramdan on different days, and we have 5 Shramdans- kitchen duty, toilet cleaning, hostel cleaning, gardening and school cleaning. We continue this by rotation every day. I like to do kitchen work and toilet cleaning. In toilet cleaning we clean toilets, bathrooms, basins and we sweep the veranda in front of the toilet and bathroom. And in gardening, we take out weeds and dig the ground and water the plants. In kitchen we cut vegetables and clean the utensils. In hostel cleaning, we sweep the whole hostel and clean the dining tables. In school cleaning, we*

*sweep and mop the groups and clean the havan area and also the veranda. I am also doing kitchen duty with other children, on alternate days because we have made four groups. Two groups cook in one day- morning and afternoon.*

*The Mother's birthday- On The Mother's birthday we did a drama which was written by The Mother. The name of the play was 'Ascent to Truth'. I had taken the role of a lover (girl).*
