NEW CREATION GROUP - OCT'14 TO MAR'15

ENGLISH

Darshana is trying hard to improve her vocabulary and is speaking in English more often. She needs to work harder towards her writing. At times she doesn't understand tasks and waits for a long time before she asks for clarifications.

Darshana is getting better with her translations. She is starting to participate in class more but can do much better.

She did a great job remembering her long script for the play. Her hand writing is clear. Needs to work on figuring out her spellings as she misplaces vowels.

MATHEMATICS

Darshana is progressing very slowly. Many times she sits quietly or spends time talking with friends. She needs regular reminder to work.

Darshana is unable to do without help. She has started Book-VI but she is still not clear about concepts in Book - V. She has done LCM, HCF, Measurements, Areas and Volume, and the four basic operations.

HINDI

Darshana is a moody child. Although she has learnt to read and write Hindi properly, mostly she needs to be motivated to do any kind of writing work. Her pronunciation is fine. But for her to think and write is a big task.

She makes small mistakes, which she improves once indicated. Sometimes she gets stuck on a particular concept and has to be explained a couple of times. Once she understands she retains and remembers it.

SANSKRIT

She takes time in doing her work, but she makes sure she completes it before submission. She does classification etc. slowly.
