TRIP TO ANDAMAN

I started my trip to Andaman on 6th of March, 2020 at 1:30 pm. We first went to Paliba station by auto and there we waited for the train to arrive. The train came at 4:30 pm and we sat on the train. We got off at Simachalam station and in Simachalam, we spent one night. In the morning, we went up to the temple and in the afternoon, we came down from the temple. Then we sat on a bus which was going to

Visakhapatnam. From Visakhapatnam, we went walking to the port, where they checked us before we could go inside the port. Another bus came and took us to the ship. We went inside the

ship and the ship left the port at 8:30 pm.

This was my first journey by ship and I enjoyed it a lot. It was very much fun in the ship in which we were there for three days. In the ship, we went to see

the bridge and it was very interesting to see the sea from that high level and we also went to see the helipad in the ship.

After three days when we reached at Andaman, a bus had come to take us to the place where we were staying. It was 3:00 pm when we reached. We got ready and went for a walk nearby.

CELLULAR JAIL

On 11th March, we went to the Cellular Jail there we saw the jail that the British had made. They use to make the prisoners do the work and we saw the cells where they were kept. After seeing the jail, we went to the museum and in the afternoon, we had our lunch. Then at 6:00 pm, we went to see the 'light and sound show' in the Cellular Jail - it was nice to see but it was also sad.

BARA TANG

On 12th March, we went to Bara Tang. First, we sat on the bus and it was a long journey. While we were going, we saw the Jarawa tribe - some Jarawas boarded our bus also. Then we took a ship and we reached Bara Tang and there went to see limestone caves. It was very nice inside the cave - it was very interesting to see the stones shining. Afterwards, we went for lunch and then we came back.

HAVELOCK

On 13th March, we went to Havelock – there, some children did scuba diving and then we went to Radhanagar beach where we had lunch. After lunch, we went play in the beach - the beach was very beautiful and very big. I enjoyed playing in the sea beach. From there, we came back to our dorm.

NORTH WAY AND ROSS ISLANDS

On 14th March, we went to the North Bay Island where some children went on Glass Boat for seeing the corals and fishes. From there, we went to the Ross Island - there we saw the houses that the British had made. I didn't like the Ross Island very much.

ANTHROPOLOGY

MUSEUM

On 15th March, we went to the Anthropology museum - there we saw the photos of tribe dances of Jarawas and other tribes and the houses where they were staying. I liked going to the museum. On the last day,

16th March, some children went to the Gandhi Park.

KOLKATA AND BACK TO KECHLA
