He is a cute and innocent child.
He takes part in all activities happily.
He is 4 years old. He comes to school regularly from the nearby hamlet Janiguda.
Whatever we teach in the group, he listens carefully and picks up.
He cannot sit properly in the group. He is friendly with everyone. His best friend is Deepak.

Anuraj Jani

Chanting: He sits quietly in the group in chanting time. His pronunciation is not good. He tries to listen to the words and repeats after didi. He cannot chant independently.

Singing: He loves to sing with action. He enjoys a lot doing action of the song Dekho dekho Bandar. He sings very softly. He takes time to remember the song in sequence

Language: He understands Hindi properly. He cannot understand the given instructions in English. He is able to communicate in Hindi comfortably.

Anuraj Jani

Storytelling: He takes interest in listening to the story for a few minutes. He disturbs others when he is not interested in listening to the story.

Cleanliness: He comes to school being clean, combed hair but with water coming from his nose.

Food habit: He sits properly while eating. Initially he was not eating curds but he has started tasting all dishes. He tastes a little bit of vegetables. He doesn’t waste food.
