

Satrupa Muduli

Satrupa comes to school everyday. She is an intelligent girl. She sits and listens to didis attentively and picks up whatever is taught. Her pronunciation is good. She sits nicely while chanting and knows all the chants that have been taught. Her voice is loud and clear. She sings in a very cute, way when she sings alone. She learns new songs quickly. She is not fully toilet trained. Sometimes she comes wearing dirty clothes, so didis change her cloth.

Math activities:-

Satrupa's concentration is good. When she counts with objects she sits nicely and counts with full concentration. She likes to learn in nature. This year she learnt from 1 to 20 forward counting, backward counting, after number, before number and between numbers without objects. She can recognise the numbers till 20. She can add and subtract without objects in one digit numbers. In two digit number she needs objects. She can complete 8 to 10 piece puzzles and can match pictures in sequence, arrange beads number wise. When didis ask some questions through creative stories, she thinks and answers.

Language

Hindi:-

She can create ten to fifteen line stories by her own thoughts. She tells the stories in a very cute way. When any question that requires thinking is given, she answers well. Her thinking power is good. When she tells stories, she uses some English words.

English: -

When didis are telling stories, she listens carefully and when questions are asked most of the time she answers. She can create and tell stories in English. She likes to learn English songs. She played the role of ladybug in rainbow play. She quickly memorised her dialogue and song. She acted very well. She remembered the whole song which the group sang.

Skill work:-

Satarupa likes to do paper folding. She can fold the paper nicely and has learnt to make some paper toys like aeroplane, doll, boat etc. She also likes to do painting by using her hands. Her drawing skills are improving. Now she can draw trees, clouds, butterflies, girl, grass, bird, rainbow, mountain etc. She also likes to do clay modelling. She tears paper and makes collage nicely. Six month ago she couldn't fill colours properly and would only scratch the crayons on the picture. But now she can colour the pictures nicely.

Project:-

In the project "my family" she learnt the nomenclature for her relatives in Hindi and English. She spoke 7 to 8 lines about her family. She made her family tree by drawing and painting.

Physical development:-

Satarupa likes to play with her friends on the field. She likes to play chain game. She thoroughly enjoys playing. She has good stamina. She does not get tired while playing games, running, climbing the hills and doing exercises. She also likes to play in the sandpit with kitchen set and playing fun games.

Sportsday- On sportsday she performed dumbbells drill with her friends. She did very nicely.

Celebrations:-

Satarupa likes to enact plays. She dances well. On stage she delivers her dialogues well and her voice is loud and clear. She doesn't have stage fright. She looks at the audience when she plays her role on stage. She can memorise her dialogues very fast and does the action in a cute way. She played the role of a narrator in the play "nanha beej" on the school's birthday. She performed dances on Independence Day and Janmashtami. On Ganesh puja and Saraswati puja she sang bhajans with her friends. On bhaiya's birthday she played the role of ladybug and she did it very nicely. For Diwali she made diyas by paper folding and enjoyed decorating the group. On Christmas she did action song with her friends. In the action song she was Mother Mary. On Mother's birthday she sang a Sanskrit song and recited student's prayer with her friends.
