

Anshuman Jani

DOB-02-Feb-15

Report for 2022-23 (first term)

English

Anshuman is a very talented boy. He understands everything when the teacher speaks to him. He is interested in listening to stories. He answers the questions well. He also explains to the children who can't understand. He is good at speaking out loud, so he

always gets the main role in plays. On 5th July, he did the role of Goldilocks and on Ganesh Chaturthi he acted as Ganesh. Goldilocks' dialogues were well delivered but the action was difficult for him. He was a little shy to do the acting.

He had a very long dialogue of Ganesh but it was easy for him to remember; just the sequence was a little difficult to memorize. He is good at dancing. He was the first child to remember The God poem.

Math

Anshuman is a very bright boy who is very fast in learning most of the things which are taught in the class. When he first learnt to count, he knew some of the numbers till twenty. So, it was a

bit easy for him to learn the numbers, and he learnt it very quickly. At first, he started counting the numbers with the objects like some beads, the empty pens, pebbles, dry flowers etc. He also faced some difficulty in pronouncing the numbers

thirteen, fourteen, fifteen, sixteen, seventeen, eighteen and nineteen and instead of saying these he was saying thirty, forty, fifty, sixty, seventy, eighty and ninety. But gradually he

improved and said the correct pronunciation of the numbers. He has played with the jodo cubes, aakar parivar and rongometry. Using these kits, he made some designs

and patterns of flat, 2-D and 3-D shapes. He also counted the number of pieces he had used to make the shape. He segregated the materials according to their size, shape and colours. He also did the recognition of the patterns. When he was asked to continue the pattern that had been put, he was expert in identifying the pattern and continuing it. First, he learnt the counting only till twenty and when he has assimilated till here, he started counting the numbers after twenty. After he was adept in counting till hundred, he started counting

backwards from hundred. He got confused in saying the numbers just before twenty, thirty, forty, fifty, sixty, seventy, eighty and ninety. He also did the skip counting of two, three, four, five and six. He was very fluent in skipping two's and while skipping three's he got a bit slow but he managed to do

and further- of four, five and six he did it very fast. He was very quick in learning the before and after numbers. He was very fast in recognizing the digits with the pictures, stories and also with the song. After recognizing the digits, he also learnt how to write them. He was very fast in learning these things. He was very interested in doing the activities.

Projects

Colour topic

He is interested in doing all the activities. He is fully concentrated in the class. He can recognize the colours. He did many activities like going to the garden and seeing more colours and recognizing them. He enjoyed decorating his display board by making drawings of different colours. He used to listen to the colour stories very carefully. He could retell these stories by himself. He would tell the answers if he was questioned. He did a drama- the two hens. He had taken the

role of a fat hen. He had done some more activities during the project class like on 15th August he had recited a song of Sri Aurobindo, on 19th he had done a drama of Krishna; he had taken the role of Krishna. He did it really very well; he had remembered his lines very well. On 30th August he did a dance on Ganesh pooja.

Family topic

Family topic was his second topic. He was very interested in the family topic and did everything nicely. In this topic he made drawings of his family. He was able to answer- what work his family members do. He was asked a lot of questions about his family. He himself also gave introduction about his family and of each member who are there. He was able to answer all the questions most of the time. He concentrates well in the class.

Arts

He is a good and nice boy. He can do every skill work with interest. His understanding is very good. He likes to do all the activities, but he is more interested in doing drawings. He concentrates in the class while doing anything; he is also interested a lot in cutting. He had made yellow flowers to hang on the ceiling. He also did many activities in art class. He enjoyed doing it. He painted the branches of the tree with brown colour; he made ladybird, snail, double boat,
