Report for 2024-25 (first term)

## Introduction

My name is Rohit Jani, and I am from Leduguda, Kechla, which is 1.5 km from the school. I am 18 years old.

## Academics

I am pursuing my graduation in English Honours from IGNOU. I have completed the question-and-answer portions for some exams scheduled for June '25.

## Games and Sports

My games begin at 4:00 PM. After having my tiffin, I quickly head to the field to do warm-up exercises. I also practise dribbling and drills with my friends for about 15 minutes before starting the games. Each day, I engage in different sports. I typically play two rounds: the first round includes football, basketball, or volleyball, and the second round is always basketball, often played with my teachers.

## Shramdan

I participate in various activities on different days. I enjoy kitchen work, gardening, hostel cleaning, school cleaning, and toilet cleaning. In the kitchen, I help cut vegetables and prepare meals for breakfast and lunch. While gardening, I water the plants, remove weeds, and plant vegetables for the kitchen. In hostel cleaning, I sweep the verandas and dining hall and ensure that the drains remain clean. For school cleaning, I tidy up the footpaths and the areas where children study, also collecting plastic waste from the surroundings. In toilet cleaning, I clean the toilets

and basins used for washing dishes. Occasionally, during Shramdan, I help fill air in sports balls and tidy up the sports room.

### **Festivals and Celebrations**

In school, I actively participate in celebrating various festivals, including Ganesh Chaturthi, Rakhi, Independence Day, Rath Yatra, and Rojo, among others.
