## Report for 2022-23 (first term)

My name is Sumitra Gouda. I am 16 years old. I am in class 12<sup>th</sup>, and I have given exams of 4 subjects in April, namely-History, Home Science, Hindi and English.

My results were as follows: -

English 81

Home Science 74

Hindi 66

History 62

After giving Mathematics paper in November'22, I will be completing my class 12<sup>th</sup> board exams. I like to be neat and clean, and I keep my things tidy. I have many hobbies like reading books, watching

movies, playing games etc. I usually like to read novels of adventure and ancient stories.

### Mathematics

I am still studying Mathematics and am going to give my exam on 17<sup>th</sup> November'22. I am volunteering and teaching 4<sup>th</sup> class Maths to small children

for three hours. I love to

volunteer and to teach the children. I study Maths with Srinath bhaiya. I really like to study Maths with him as he is an intelligent and nice teacher. I have learnt many things in Maths like integration, differentiation, limit and continuity, vectors, matrices etc. I have finished both the 1<sup>st</sup> and 2<sup>nd</sup> books. I do tests given by my teacher every three days on different topics. I sometimes find the tests difficult and sometimes very easy, but I like to give the tests.

### **Celebration**

I celebrated only *Raksha Bandhan* and *GaneshChaturthi*. In *Raksha Bandhan*, I tied rakhis to my little brothers from the school. On *Ganesh Chaturthi*, my friends and I had made 2 statues of Ganesh and celebrated the festival.

### **Shramdaan**

I do Shramdaan in the kitchen. Every day, I go there to cut vegetables and help in other things. I like to do Shramdaan in the kitchen because I like to cut vegetables.

## *Games*

I play minor games, football, volleyball and basketball. I love to play minor games and basketball. Actually, I am not very good at any of them, but I like to go for games.
