## Report for 2024-25(first term)

### ENGLISH

#### GRAMMAR

I study properly with Sangita Didi. I start my class at 1:30 pm and end at 2:30 pm. In grammar, I have covered the topics: nouns, adjectives, articles, abbreviations, idioms, and pronouns.

#### FREE READING

I have read many books like "Kidnapped," "Buddha," and a series by Enid Blyton. Currently, I am reading "Journey to the Centre of the Earth."

#### GROUP READING

In group reading with Sangita Didi, we have read several books, including "Matilda," "Danny the Champion of the World," and now we are reading "Harry Potter and the Philosopher's Stone."

### BOOK WORK

We have completed the book "Pathways" and are now working on "Engaging English." We do this together with Didi in the afternoon after lunch.

### MOVIES

We watch different movies like "Babe," "Matilda," and currently, I am watching episodes of "Harry Potter."

### ODIA

I understand the meanings but struggle with writing. I ask for help when needed. I enjoy dictation in class, and my handwriting is good. Didi assigns book work and checks our progress. I attend this class from 2:30 to 3:30

pm. We learn how to pronounce each word and read stories. Sometimes, we see cartoons to aid our learning, and we practise dictation. We have watched movies like "The Woodcutter" and "The Golden Axe."

### YOGA

In yoga class, I practise regularly every day. I try my best with different postures. We also learn many new postures. Our yoga session is from 6:00 to 6:30 in the morning.

### SHRAMDAN

I enjoy school cleaning during Shramdan, where we do sweeping and group cleaning. I participate with many Bhaiyas and Didis. Our Shramdan starts at 6:30 and ends at 7:30 AM.

### HINDI

I am working on the 6<sup>th</sup>-grade workbook. I solve questions in class and enjoy grammar because I understand it well and find it easy to answer. I regularly get my notebook checked. If I cannot answer a question, I ask for help. I love writing poems and have learnt how to write letters. For Raksha Bandhan, we wrote poems and recited them in front of everyone, making sure they sounded nice. We also listen to stories and participate in various activities. I have learnt about nouns, suffixes, joining words, letter writing, and essay writing. I enjoy reading in the library. I take dictation, where most of my spellings are correct, but I need to improve my writing.

### SCIENCE

I am using the 7<sup>th</sup>-grade book. Currently, I am studying the chapter on acids and bases. I engage in many activities and feel curious to answer questions. I began this book 3-4 months ago. I conduct various experiments in class. I want to finish the book quickly. During an experiment, Hari Bhaiya had us smell vinegar, which made many of us shout or run away. I found it quite overwhelming! While practising for our presentation, I often forget what to say. After finishing a chapter, we have a test, and I concentrate fully, usually scoring at least 90%. So far, I have memorized 40 elements.

## SOCIAL SCIENCE

I am studying the 6<sup>th</sup>-grade syllabus, focusing on geography. I enjoy this subject because it is interesting to learn. We study about our Earth, and even if I don't fully understand something, I hesitate to ask questions, believing I can grasp it through reading. We have completed several chapters, including:

- Motions of the Earth
- Major Domains of the Earth
- Major Landforms of the Earth

## MUSIC

I learn the flute. We practise exercises to improve our skills. I have learnt many songs, including:

- "Aaha Tamater"
- "Barsaa Pani"
- The mantra "Om Bhur Bhuvaha Swaha"

We had classes with Shantanu Da, who is an excellent teacher. I enjoyed learning with Bhaiya and have learnt the song "Hari Hari" and raag Bhairav and Teental.

### ART

I enjoy painting. I draw and colour. I particularly like paper folding and drawing. We made drawings of shapes using pastels, which was fun. In paper folding, I created shapes like a rabbit, a duck, and a kitten.

### DANCE

We practise many postures and mudras of Bharatnatyam. We are currently preparing for Ganesh Chaturthi. I enjoy various dance forms like Kathak and Bharatnatyam. We have class every Wednesday. If the Didis are not happy with our dance, they ask us to perform individually.

### GAMES

I like playing football. I enjoy being wet but not dirty. Nowadays, I play basketball more often. Initially, I thought one game was important, but I realized that every game is necessary. While playing, I sometimes get hurt, and it can be quite painful, but everyone experiences that.

### SATSANG

After games, we go for Satsang. We take a bath and then gather to sing. We start with chanting mantras, and I enjoy learning beautiful songs. Our Satsang runs from 6:30 to 7:00 PM. On Fridays and Sundays, we sing songs that Shantanu Da taught us. I love singing, but I often make mistakes; still, I try to correct them.

## COMPUTER

We are using four different books. I enjoy solving the questions. I have learnt how to calculate in a shorter way and how to find maximum, minimum, total, average, etc. My typing speed is 15 WPM. We also learnt how to create and rename folders, as well as the difference between input and output devices. We have also learnt many keyboard shortcuts.

## CELEBRATIONS

### SCHOOL BIRTHDAY

I performed a dance to the song "Chandra Sudha." I felt shy about my costume but tried my best to impress the audience. Everyone appreciated our performance, which astonished me.

### RATH YATRA

During Rath Yatra, I performed the same dance, but this time in front of

the Rath, and many villagers came to watch. I was thrilled to see them enjoying my dance.

### JULY 10

I participated in a drama about Lord Jagannath, playing the character of Indradumna. I did my best in that role. During Bahuda Jatra, I played the manjeera and had a lot of fun.

### RAKSHA BANDHAN

I recited a poem I wrote in Hindi. I was in a hurry, which led to several mistakes, but no one noticed.

### AUGUST 15

I danced to the song "India Wale." I felt restless during the performance, but I could easily remember the steps. I tend to be shy, so I usually stand in the back row.

### **GANESH CHATURTI**

I performed a dance to a Ganesh song. We practised for three days and did our best.

### **MATHS**

I enjoyed studying Whole Numbers. I found this chapter easy to understand. I learn various methods for solving questions. I attend maths class in the evening at 7:00 PM. I also work on word problems. If I struggle, I ask for clarification. The chapters I have completed include:

- Number System
- Factors and Multiples
- Whole Numbers

Although my handwriting is poor, I try to improve it. I sometimes forget steps in problems, but I seek help.
