Games and Sports - On the Sport's Day Faith Group was part of the Aero Wonders - Aerobatics, Skills on Wheels - Skating, Joyful Gestures - Circus and Rim Jhim - Lazium Dance. Tulsa not only skated well, she also managed to score a basket while at it.

Tulsa is unusually quiet while playing games but it is more out of concentration. She is decently good at **basketball**, passing and shooting and generally there where she needs to be. She needs to put in more effort to get her ante. In **football**, she is a stable defender where she is able to steal the ball and get it clear. She could use more help in passing and get more power in her legs. In both sports however, if she is gets in the mood, she steps up her game to another level. In **volleyball** she enjoys playing the ball and serving at times though she can be much better.
