Shruti Muduli

D.O.B - 14TH August,2013

April 2018 – March 2019

Shruti always feels shy and does not talk much with her friends also. She is a very simple and peaceful child.

She is neat and clean and always wears clean clothes. She respects her friends and didi's.

She arranges her things very nicely, and talks to her friends very softly. She has a sharing nature.

Music:

She enjoys all songs but cannot remember English lyrics. She likes to do action during singing time.

Topic:

In topic related activities, she works very slowly. She often cannot complete her full sentences because she has come to Joy group from Smile group just 8 months ago.

She attended only 5 topics. She learnt about trees, basic body parts and names of some trees in the village and outside the school. And she learnt some facts about insects and vegetables.
In vegetables topic, she has learnt a little more and her favorite vegetable is tomato.

Art & craft:

Last two months she learnt 3D paper folding and paper boat but she could not complete her skill works and she took too much time.

Math:

Shruti is good at counting from 1 to 20, she can do forward and backward counting with objects and she can count in her mind also.

She did story addition but takes time. She cannot understand any subtraction story. She always does addition. She has learnt 2D shapes, colours, days of the week and months of the years.

But she tries to tell the answer. She has learnt time but she is not clear. She can write the numbers till 50. Addition and subtraction is difficult for her to do mentally.

English:

Shruti came to Joy group from Smile group in July. In the group activities like names of trees and fruits and sense activities, her understanding is improving.

When didi asks her names of fruits, she will answer in yes and no, without understanding. She likes to hear fairy tales. She listens attentively and answers. She tries to speak in English.

Her pronunciation is not good. She likes to do dramas but it is difficult for her to tell the dialogues. She cannot make her own stories. She cannot recognize the alphabets. The sounds of alphabets, she is not clear in.

Hindi:

She cannot tell full sentences but needs support of didi. When didi corrects her, she speaks nicely. She has learnt Hindi letters and simple words but sometimes she forgets her letters.

She also cannot complete her sentence and takes time. She tells Hindi stories but not confidently and needs didi's help. She tries to learn whatever is taught in the class.

Now she can recognize the Hindi letters and even write them. She needs to work on language. She can create stories in Hindi.

Celebrations:

She attended 6 programmes in the school functions. On Janmashtami her character was of Gopi.

She did very nicely but sometimes she was feeling shy on the stage. At that time she told her dialogues very softly.

Games:

She always tries to learn more activities. Her stamina, running and yogasana are good. In fun games he enjoys.

She participates in all physical activities. But she likes to play indoor games. Shruti has a good balance. She did yogasana on sports day. She performed very nicely.
