Report for 2022-23

My name is Bhakti Muduli. I am a student of Auro-Mira Vidya Mandir. I have a very busy schedule in the school and this gives me a lot of satisfaction.

English

In the English class, we have completed the Course Book 1 of Class 10 syllabus. I have almost finished doing all the questions and answers given at the end of each chapter in this book. We have started doing the second course book now. I took a test of Course Book 1 and obtained good marks. Whenever I get the time, I like reading the book I get issued from the library from time to time. I ask my teacher the meaning of all the difficult words that I find while

reading. In grammar, we have done letter writing, notice writing and message writing. I am also doing direct and indirect speech. My handwriting is neat and clean.

Hindi

I have finished the textbook of Class 10 of National Institute of Open Schooling (NIOS) syllabus. In this class we sometimes do free reading. Like in English, I ask my teacher the

meanings of difficult words. Poonam didi taught us how to speak proper Hindi. In grammar, we have done compounds, essay writing, and letter writing. I have learnt many new things in this class. I obtained good marks in the test.

SCIENCE

Chemistry

I have finished the Chemistry part of the Science textbook of the NIOS syllabus of Class 10. We did many experiments and I really enjoyed doing them. I got good marks in the tests given to us. We did an exhibition on

Chemistry experiments. I like to write notes and do questions and answers. We learn many new things in Chemistry that we can use in our daily life.

Biology

In Biology, we have finished some chapters. I have written notes and did questions and answers with Raghu bhaiya. We also did practicals with him. It was very interesting to do new experiments and learn new things.

Physics

In the Physics class, we have done some experiments and the questions and answers of the chapters that we have covered. For the tests, I will revise from other books.

Social Science

I am doing Class 10 book of the NIOS syllabus. Like in Science, in Social Science also we write notes of each chapter as soon as we finish it. We have finished the geography part and now we are doing history. When I am not able to do the questions and answers, I take the help of my teacher. We sometime watch news and videos related to the chapter we are currently doing.

Mathematics

I have finished the 1st book of Class 10. I found some chapters difficult because I had not done the book of Class 9. The chapters which I found difficult were Algebraic expressions, polynomials, quadratic equations and linear equations. I had to do a lot of practice in my free time to learn these chapters. The chapters which were easy for me were number system, Exponents and Radicals, Special products and Factorization. For the test I revised from other books as well.

Computers

In the computer class, I am doing typing master and I have improved a lot. I have also learnt how to do painting.

Sports

I always go early for games. I do run and exercise for warm up and then start playing the game. I like to play basketball and my shooting is good. Before starting the games, we also pray for a minute. I also play football, frisbee, hide and seek, volleyball and other fun games.

Shramdan

In Shramdan, I do gardening and give water to the plants.

Music

In the music class we have learnt many new ragas. I practise and play the songs that I learn whenever I have free time.

Yoga

I go for yogasana immediately after I get up in the morning. I like learning new asanas and love to do Yoga as it keeps my body fit and healthy.

Celebrations

On Rabindranath Tagore day, I gave a speech on Rabindranath Tagore. On 5th July, we did a play called “Ouch”, and I got the role of a poet. We also presented a Yoga dance. For the Independence Day, we read many books of freedom fighters for the quiz. Our team won in this Quiz. I also spoke about Sri Aurobindo’s spiritual life in jail. I wrote a small poem on Sri Aurobindo. We all went to hear a recital of Shantanu Bhattacharya. He also taught us new songs. On Ganesh Chaturthi, I narrated a story on Lord Ganesha. On the day of Raksha Bandhan, we tied Rakhi to our brothers. On Krishna Janmashtami, we sang a devotional song with Shantanu da.
