Gupto Kamar

April- 2018 to March- 2019

Date of Birth- 14th August 2007

Project

Gupto is unable to read properly. Some improvement has been seen during these 3 months.

He has improved in tests. Now he is taking interest in Civics. He assisted Chakra with the topics on Mehrangarh fort, Jaisalmer fort, Patwon ki Haveli, Taj Mahal, etc.

Maths

Gupto is interested in mathematics but his attention span is low and he gets distracted easily.

He is always in a hurry to finish his exercises, rather than gaining a clear understanding. When faced with a difficult problem, he stops doing.

Currently he is doing 5th grade book. He has completed the chapters- place value, the four operations, money, factors and multiples, fraction and decimals. Although, he is clear about factors and multiples, he forgets how to find HCF and LCM.

Most of the times he needs individual explanation to solve the problems. He can do ascending, descending, addition and subtraction in decimal.

Music

He learnt flute for a few months. He was obedient and serious in the class. He is now able to play all the seven notes. His blowing is also good. He is now learning Tabla. He has learnt the basic bols and practices in the class.

Art

Gupto needs to improve a lot in art. He is not at all serious in the class. He takes it easy and draws like a baby. He never colours his pictures. On 25th December he made a snowman where he took constant help from teacher.

Dance

Gupto takes interest in dance and likes to dance on modern songs.

He has a rhythmic sense and takes no time to catch new steps. His body movement is good. On Independence Day he had joined the dance on Rang de basanti.

Sports Day

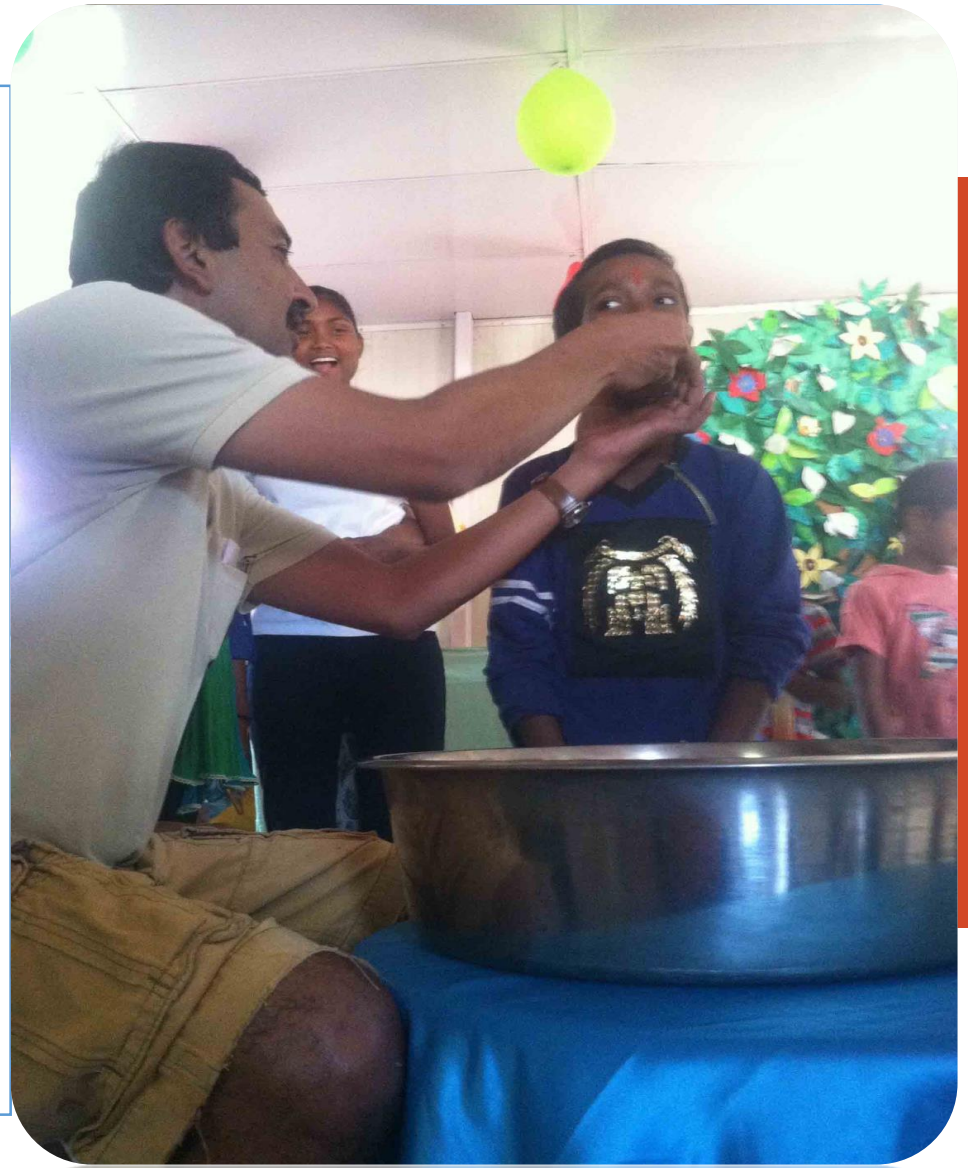
I am doing a cycle show for the sports day. I can ride cycle by leaving the handles of the cycle. I can ride cycle and go over the ramps. I can do pyramids on my cycle. We all had a lot of fun on the cycles.
We all played kho-kho. We all enjoyed kho-kho game. And we also played musical chairs. I also participated in batton relay.

Celebration

Gupto enacted the role of a student who is not interested in studying and likes to party. His performance was good and he spoke clearly. He did bhangra on the song Rang De Basanti, and sang- Rastra Aaradhan and Lab pe aati he Dua banke.

Krishna Janmastami: He was a Guard of Krishna's palace in the play.
Ganesh Puja: He played some basic bols on tabla.

Rakhi: Gupto made some rakhis for his friends. He tied it on Jagdish's wrist.



Celebrations

For 31st December he acted on a joke in an interesting way. He told all his dialogues by standing on his head. The audience laughed loudly seeing him. He remembered his dialogues in a day.

On mother's birthday he participated in the play "Jagat Janani Shrimaa". Here he had the role of Mr Paul, Mirra's husband. He took a long time to learn his dialogues. We also had to simplify some words for his convenience as he was not able to speak some big words. After the play he was given a small worksheet on this play. Most of the questions he didn't answer and in some places he gave funny answers.

Trip

In Jodhpur we saw puppies and we played with them. We went to play football. In Jodhpur I liked the rock garden and saw different types of rocks. We went to Jaisalmer fort and took photos and I ate big-big Papad on Sunday.

Computer

Gupto is sometimes confused which tool to use and starts off with pencil tool. He draws different shapes and enjoys while doing it. He drew pencils and other objects.

HINDI

He has to work hard in the class. His reading is not good, but he still tries. His handwriting is fine. By working hard he has finished the 4th book and has moved to the 5th but he is finding it difficult to answer questions.

He needs special attention. He doesn't come for getting his notebook checked. He has to work hard in the class.

English

Gupto's reading skill has improved. He likes to read animal stories. He reads the books slowly. He completes one book in 3-4 days. When he is interested in reading, he reads the book quickly. He can now break the words. But if it is difficult and long word, he waits for the teacher to read the word. Gupto's writing skill is very poor. His spellings are very bad and he is very slow at writing. He enjoys grammar.

He can understand, but forgets easily. He never tries to speak in English and he cannot even express his feelings in English. While doing a role play he always tries to do his best. He shows interest in songs but hesitates to sing. He finds it difficult to make his own story. It is very difficult for him to tell the story in his words. The books he read this year- The rabbit's whiskers and other stories, The teddy bear's tail and other stories.

Odia

Gupto is a weak student in this group. He faces difficulties while reading and understanding.
