

Sagarika Krisani

Sagarika comes to school everyday on time. She comes to school neat and clean. She is not fully toilet trained. During circle time she sits nicely and does chanting loudly. Her pronunciations are not clear. She likes animal songs with action. She also enjoys Krishna bhajans.

Math activities:-

She likes to do activities through various different objects. She mostly likes to go for nature walk and do counting. In this year she has learnt difference by matching through puzzles. She has learnt forward and backward counting till twenty. She learnt after and before numbers with objects but sometimes gets confused. She can add and subtract one digit numbers with objects.

Language

Hindi:-

She can create and tell four to five lines stories. She has learnt some external parts of body through Hindi rhymes. Her pronunciation is not clear. She likes to listen to animal stories. She uses English words when she tells stories. She can't make full sentences and uses words and phrases. She often struggles to recollect the right word. But she takes interest in learning Hindi. She can't pronounce "Gh, Kh, J, JH" as she finds it difficult to differentiate the sounds. But she keeps trying and remains enthusiastic.

English: -

She sometimes answers questions posed to the group, otherwise when she is asked directly. She can understand English and can speak a bit. She likes to sing English songs. She enacted the role of butterfly in rainbow play. It was difficult for her to remember her dialogues and the song but finally managed to do it well. She participated in singing Christmas song on Christmas.

Skills work:-

She likes to play with clay and do clay modelling. While drawing she only draws flowers, butterflies, trees and clouds. She can't colour pictures properly. Her fine motor skills are not developed. But she does collage; arranges stones and buttons on pictures with patience. She also likes to paint.

Project:-

In project “my family” she learnt the relationship with her family in Hindi and English. She made her family tree through drawing and painting and spoke 3 to 4 lines about her family.

Physical development:-

She has good health. She likes to play with her friends. She mostly likes to play in the sandpit. She can jump very well.

Sportsday- On sportsday she did dumbbells with her friends. She performed nicely and in rhythm.

Celebrations:-

She likes to participate in plays. She does not have stage fright. But sometimes she forgets her dialogues as she gets distracted by the decorations of the stage. She also likes make-up by putting lipstick, kajal, etc. She played the role of sun in the play “nanha beej” and participated in the dances performed on Independence Day and Janmashtami. On Ganesh puja and Saraswati puja she sang bhajans with her friends. On Pranjal bhaiya’s birthday she played the role of butterfly in “rainbow” play. On Christmas she sang Christmas carols with action. For Diwali she made diyas by paper folding and collage and decorated the group. On Mother’s birthday she sang a Sanskrit song and recited student’s prayer with her friends.
